Outdoor Wireless Camera First Time Setup
iPhone™ and Android™ Users

DEVICE PREPARATION

1. **Things you'll need: The Guardzilla camera, your smartphone, your home Wi-Fi password, the email address and mobile phone # you want to connect to Guardzilla.**
2. **Download the Guardzilla app from the App Store on your iPhone or Android device.**
3. **Unpack your Guardzilla Outdoor Camera and either install AA batteries or plug in the power. NOTE: Remove batteries if using the power cord. The camera is ready for setup when the LED light on the front of the camera is blinking red.**
4. **Launch the app once the camera is blinking red.**

APP SETUP

1

This guide will assist with setup up your Guardzilla Outdoor camera for the first time.

Press **NEW USER SETUP**.

2

Review the Terms of Service from Apple's App Store or the Google Play store.

Press **I AGREE**, then
Press the **NEXT ARROW >**

3

Create an account so Guardzilla can send notification alerts to your smartphone when motion is detected. ALL FIELDS ARE REQUIRED. NOTE: Double check that your email and mobile number are accurate.

Press the **Signup** button.

4

Select the **Add Camera** button to begin setting up your new camera.

5

Select the **Outdoor Camera** button.

6

Read the **Setup Tips**, then press the **NEXT ARROW >**

7

Activate your camera by selecting **Yes** if your camera is blinking **red** and **No** if it's not.

8

Connect your phone to your home Wi-Fi by following the 5 steps on the screen.

9

Enter your **Home Wi-Fi password** and confirm it.

Select **Done**, then press the **NEXT ARROW >**

10

Confirm your Wi-Fi password and network then press **Confirm**.

Please wait while your camera is connected. The camera will blink red, then blink green once connected.

11

Name your device (e.g. front door).

Press the **NEXT ARROW >**

12

Your Guardzilla has successfully connected to your home Wi-Fi and phone.

Press the **NEXT ARROW >** to begin using your Guardzilla.

13

NOTE: Your camera will automatically check for a firmware update. If your camera needs updating you will be prompted to upgrade your firmware.

14

For more information go to **www.guardzilla.com/support**.

Enjoy your Guardzilla!
