

# Quick Setup Guide

Read the Product Safety Guide first, then read this Quick Setup Guide for the correct installation procedure.

Not all models are available in all countries. The latest manuals are available at the Brother Solutions

Center: solutions.brother.com/manuals.

USA/CAN

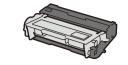

## Unpack the machine and check the components

Watch our Video FAQs for help with setting up your Brother machine: solutions.brother.com/videos.

**Drum Unit and Toner Cartridge Assembly** (pre-installed)

**Installation CD-ROM** 

**AC Power Cord** 

**Product Safety Guide** 

• Manuals in Spanish for this model are available on the Brother Solutions Center. (USA only): solutions.brother.com/manuals

Los manuales en español de este modelo están disponibles en el Brother Solutions Center. (Solamente en los Estados Unidos): solutions.brother.com/manuals

• The available connection interfaces vary depending on the model.

### • You must purchase the correct interface cable for the interface you want to use.

### **USB** cable

We recommend using a USB 2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.

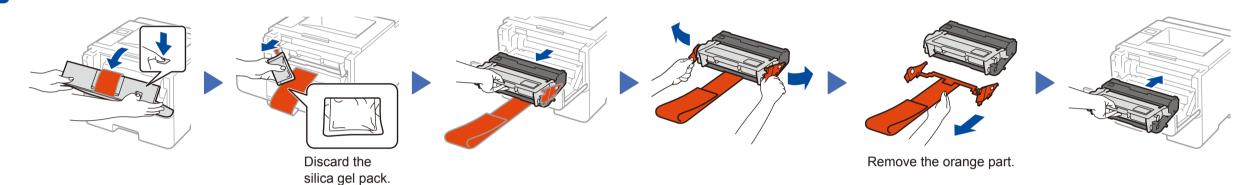

**Network cable** (For HL-L5100DN / HL-L5200DW(T) / HL-L6200DW(T)) Use a straight-through Category 5 (or greater) twisted-pair cable.

Parallel cable (For HL-L5000D)

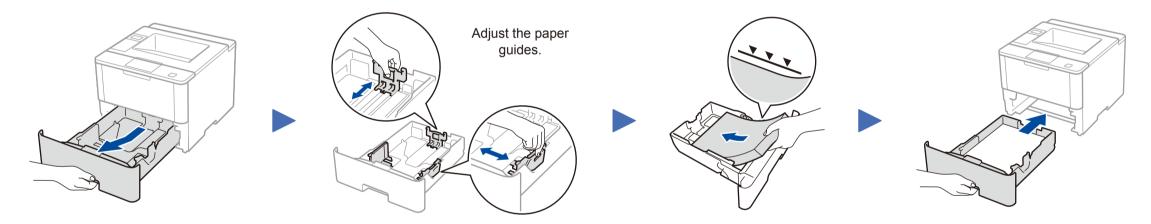

Use the parallel cable provided with the machine.

• The illustrations in this Quick Setup Guide show the HL-L6200DW.

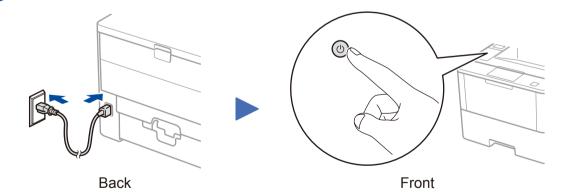

## Remove the packing materials and install the drum unit and toner cartridge assembly

# Load paper in the paper tray

# Connect the power cord and turn on the machine

# Select your language (if needed)

- 1. Press ▼ or ▲ to select [General Setup], and then press OK.
- 2. Press OK to select [Local Language].
- Press ▼ or ▲ to select your language, and then press **OK**.
- 4. Press Cancel.

### Connect your machine and install software

Brother regularly updates firmware to add features and fix identified problems. To check for the latest firmware, visit solutions.brother.com/up1.

### Windows® computer with CD-ROM drive

### NOTE:

If the Brother screen does not appear automatically, click (Start) > Computer (My Computer). (For Windows® 8: click the [Single [File Explorer] icon on the taskbar, and then go to Computer (This

Double-click the CD-ROM icon, and then doubleclick start.exe.

## Macintosh/Windows® computer without CD-ROM drive

Download the full driver and software package from the Brother Solutions Center.
