

## The Gator XUV 4X4

You go where you have to go to get the job done. That's why the new XUV 4x4 features independent rear suspension with a full 7 inches of travel and 11 inches of ground clearance, so you don't have to take a well-worn path. Ditches, rocks, logs and rugged territory won't stand in your way. And while the trail may be bumpy, a superior suspension ensures that your ride won't be.

Independent rear suspension provides a superior ride on even the most rugged of terrain.

### Pick a Direction. Go.

#### GATOR XUV 4x4 620i

- ▶ 23 hp\* (617 cc) liquid-cooled V-Twin gas engine with EFI
- ▶ Dual-range CVT transmission
- ▶ 113 in. L x 59.3 in. W x 74.4 in. H (2870 mm L x 1506 mm W x 1889 mm H)
- ▶ 1,383 lb. (627 kg) (incl. fuel & fluids)

- ▶ 1,000-lb. (554 kg) cargo box capacity
- ▶ 1,400-lb. (635 kg) payload/1,300-lb. (590 kg) towing capacity\*\*
- ▶ 0-30 mph (0-48 km/h)
- ▶ Available in JD Green & Yellow or Olive & Black

When there's no  
going around it,

**GO OVER IT.**

## The XUV 4x4. The Gator with more teeth.

The Gator XUV 4x4 is not designed to sit idle. This beast wants to be unleashed. It's easy to see why with an advanced suspension system and powerful, high-performance engine. Plus, a 30 mph top speed makes the 850D the fastest diesel on the market—no wonder it's hard to hold 'em back. And to make sure these Gators will go anywhere

and through anything, every model features high-tech all-terrain capabilities such as independent rear suspension, 11 inches of ground clearance and true 4-wheel drive.

The end of a long work day is just the beginning for the Gator XUV 4x4. Grab your gear, load up the cargo bed, head for the trails and turn it loose.

Impressive 1,400-lb. payload and 1,300-lb. towing capacity lets you move, haul and tow practically anything.

Exclusive electronic governor and throttle on the 620i ensures more power under load. A plus on hilly terrain and when carrying cargo.

Standard, full-clutch enclosure on the 620i helps you go through deep water.

Two-inch rear receiver hitch ensures this vehicle is ready to tow at all times, an optional 2-inch front hitch is available.

Potholes and ditches won't slow you down with a full 11 inches of ground clearance.

Optional Alloy Wheels. Their performance shines just like they do. Yellow for Green & Yellow XUV, Silver for Olive & Black model. Rustproof.

Customize your 620i, choose from John Deere Green & Yellow or Trail Olive & Black. 850D available in Green & Yellow.

Occupant Protection System with a passenger side hand-hold and 3-point seat belts is SAE and OSHA ROPS certified, providing rugged good looks and protection.

30 mph top speed and superior acceleration gets you and your cargo there faster.

25-inch tires with 12-inch styled wheels provide additional ground clearance and rugged sporty appearance.

Hydroformed steel frame allows for fewer welded and bolted joints providing superior durability and exceptional tolerance for twisting under heavy loads.

**IRS**

Independent rear suspension provides a full 7 inches of rear travel for a smooth ride on uneven terrain.

**EFI**

The 620i electronic fuel-injected engines start instantly, even in temperatures as low as -20°F. Enjoy superior throttle responsiveness and automatic adjustment in high altitudes.

**SPEED**

You're in control with the speed limiter kit available on the 620i. Lock in the standard 30 mph top speed or the slower 20 mph speed when needed.

**TRUE 4WD**

On demand, true 4WD automatically senses when rear wheels slip, then engages both front wheels with full torque, maximizing traction. Competitive vehicles with limited-slip differentials are 3-wheel drive.

**TURN IT LOOSE.**

Blaze through water up to 22-inches deep with a standard, fully enclosed clutch, (620i models).
