Instruction manual

John Lewis

Thank you for purchasing this flat-screen television stand. Please read the instructions carefully to ensure safe and satisfactory operation of this product. Retain this information for future reference.

WARNING!

- Before starting this assembly please take time to familiarise yourself with the components listed below.
- Do not place very hot or very cold items against or in close proximity to glass surfaces unless an adequately thick insulating material is used to prevent such items coming into contact with the glass.
- Do not strike the glass with hard or pointed items.
- When cleaning glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary; do not use washing powders or any other substance containing abrasives as these substances scratch glass.
- Do not sit or stand upon horizontal glass surfaces.
- **Maximum safe load for top glass shelf is JL3/80-W: 70kg, JL3/110-W: 50kg**
- **Maximum safe load for lower shelves is 20kg.**
