

Expert Mouse®

The Ultimate Trackball

Product Number
Sugg. Street Price

EU64325
\$0.00

The best trackball ever made has just gotten better. Designed for PCs and Macs, the new Expert Mouse® employs Kensington's DiamondEye optical technology for smooth, precise cursor movement. Surrounding the ball, we have a brand new implementation of our award winning Scroll Ring® that puts scrolling right at your fingertips. More comfortable than ever, the Expert Mouse® even comes with a soft new wrist rest-right in the box! You get all of these great new features along with the same, large ball, exceptional control, and ease-of-use that has set the industry standard for more than 15 years.

Features and Benefits

- DiamondEye Optical tracking for superior accuracy
- Award-winning Scroll Ring® for precise fingertip scrolling
- Exceptional comfort for ultimate productivity
- Large ball for maximum precision and control
- Detachable wrist rest cradles hand in comfort

Technical Specs

- Compatible with Windows®7, Windows® XP, Windows Vista®, and Mac OS® X

Noise Canceling Headphones

Silence noisy environments for traveling comfort.

Product Number **K33084**
Sugg. Street Price **\$39.99**

Take the noise out of noisy planes and accommodations with the Kensington Noise Canceling Headphones. These comfortable and compact headphones let mobile professionals travel in peace and quiet. A built-in microprocessor analyzes background noises and creates an inverse sound wave that cancels the offending sound. Engines, fans, snoring, and other low frequency annoyances virtually disappear, leaving the traveler free to work, sleep, or listen to music in blissful silence.

Features and Benefits

- Creates quiet environment for work, sleep, or listening pleasure
- Generates inverse sound wave to eliminate background noise
- Comfortable and lightweight for all-day use
- Foldable design stows in travel bag for carrying ease
- Airplane jack for hassle-free music or movie enjoyment

70 Watt Notebook AC Power Adapter

Power Essential Digital Devices

Product Number **K33192**
Sugg. Street Price **\$79.99**

The Kensington Notebook AC Power Adapter is the ideal replacement or upgrade for your existing power supply. Designed to provide reliable power for today's high-performance notebooks and other smaller mobile electronics, such as iPods, cell phones, DVD players, and PDAs, the power adapter uses patented technology to provide the right power for your digital devices--in a size that is 40% smaller* and lighter than other power supplies. Powering your life has never been easier.
*by volume

Features and Benefits

- Up to 40% smaller and lighter than other chargers for easy portability
- Powers and charges virtually all notebook computers from any AC outlet
- Provides the right power for iPods, cell phones, DVD players, and PDAs

70 Watt DC Power Adapter for Apple® Notebook

The Perfect Apple Travel Companion

Product Number **K33194A**
Sugg. Street Price **\$79.99**

The Kensington iPod/Notebook DC Power Adapter makes it easy to power and charge an Apple PowerBook, iBook, or iPod from any cigarette lighter or Empower™ port. The super-sleek supply profile is up to 70% smaller* and lighter than other chargers, making it a welcome addition on any road trip. With the included tips and socket adapter, power is only as far as the next DC power supply.

*by volume

Features and Benefits

- Up to 70% smaller and lighter than other chargers for easy portability
- Easily powers and charges Apple iPods, PowerBooks, and iBooks
- 70 watts--enough to power and charge an Apple notebook or iPod
- Turns any cigarette lighter or Empower port into a power source
- Works with most Apple iBook and PowerBook Notebooks. Includes iPod Smart Tip

Notebook Expansion Dock with Video

Plug a keyboard, mouse and monitor to the dock and use your notebook as a desktop

Product Number **K33367**
Sugg. Street Price **\$179.99**

The Notebook Expansion Dock with Video connects most desktop peripherals - works with all monitors and supports screen resolution up to 1280*1024 pixels. A unique wedge design adds airflow to aid cooling.

Features and Benefits

- Single USB plug connects your notebook to USB peripherals, Ethernet, speakers and even monitor
- 32-bit color supports notebook-quality video on external monitors
- Notebook Expansion Dock works with Flat Panel Monitors up to 19" at native resolutions of 1280 & 1024 pixels
- Intelligent Plug-n-Play technology selects best available monitor settings automatically
- Unique wedge design provides airflow under CPU for more efficient cooling
- This product should be used with an external keyboard and mouse (sold separately)
- Works with any Windows XP or Vista notebook. Now works with MacBook computers via the beta version of the Mac driver!

Technical Specs

- Monitor Port (VGA) – supports screen resolution up to 1280*1024 pixels
- 4 USB 2.0 Ports
- 10/100 Ethernet connection
- Microphone In, Stereo Headset Out
- Works with Windows XP, Windows Vista and MacBook computers running OSX 10.4.11 or later

Universal Multi-Display Adapter

idea: A second screen is just a USB connection away.

Product Number
Sugg. Street Price

K33928US
\$79.99

Adding a second screen is now as easy as adding the Kensington Universal Multi-Display Adapter. With an additional screen, you can screen emails, chat, and work on your presentation, all at once without juggling, flipping or tabbing through open windows. In fact, research has shown that those adding multiple screens increased productivity by 42%*.

Features and Benefits

- Connect one end to your monitor cable, the other end to a USB port of your computer and you are done. Adding an extra screen is that easy
- Add up to six additional monitors to your computer, by connecting up to six adapters** directly to your computer or through a USB hub
- Works with projectors too—simply connect the adapter to your notebook and the projector will automatically display your screen
- Included DVI to VGA adapter provides flexibility to connect to any type of monitor, projector or HDTV up to a 2048 X 1152 pixel resolution or 1080p
- Universal compatibility with all brands of computers via USB: Acer®, Apple®, Asus®, Compaq®, Dell®, Gateway®, HP®, IBM®, Lenovo®, Sony®, Toshiba® and more
- Multi-Display Adapter powered off the USB port of your notebook. No external power supply needed
- *Source: Jon Peddie Research
- **Certain computers may restrict the number of adapters to 3, see instruction guide for details

Technical Specs

- Operating Systems Compatibility: PC and Mac compatible including Windows® XP (sp2, sp3, including Tablet PC editions), Windows Vista® sp1 (32-bit and 64-bit editions) or later. Mac OS X® 10.4.11 and Mac OS X 10.5.5. Intel-based Apple® computers including Mac® Mini (Intel), iMac® (Intel), MacBook®, MacBook® Pro, MacBook Air®,

Privacy GlareMaster 16"-18"

Prevent confidential data from being viewed.

Product Number **K55295B**
Sugg. Street Price **\$167.99**

Are all eyes on your computer? Our Privacy GlareMaster® filters limit viewing range to a narrow 25° so you must stand directly in front of the screen to read it clearly while on-lookers see a blurred, cloudy picture.

Features and Benefits

- Coated, optical-quality glass narrows viewing range to shield confidential information
- Multilayer, anti-glare coating enhances image and contrast for reduced eye strain
- ELF/VLF radiation reduced by 99%
- Easy to install without tools--simply hang

SlimScreen Premium Antiglare/Antiradiation Filter Black 16"-18"

Reduce glare and prevent computing discomfort!

Product Number **K55638A**
Sugg. Street Price **\$69.99**

Relieve eyestrain by eliminating 99% of glare from computer monitors while improving contrast and image quality. Conductive coating works with flat plug to drain away dust-attracting static electricity.

Features and Benefits

- Revolutionary technology eliminates 99% of glare that causes eye strain
- Thin, flexible design blends with monitor for unobtrusive protection
- Conductive coating and grounding plug dissipate static and 99.9% of ELF/VLF radiation
- Special front-surface coatings for durability and easy cleaning
- Meets AOA specifications for computer monitor glare reduction

Technical Specs

- Light weight, durable design fits monitors 16
- 99% Anti Glare Reduction - AOA approved
- 99.9 % ELF/VLF Radiation Reduction
- Anti-Smudge Coating
- Thin frame and film conforms to monitor

Cling2 Laptop Screen Protector 14" 2pk

Clearly Better Protection for LCD Screens

Product Number
Sugg. Street Price

K55711
\$39.99

Kensington Cling2 screen protectors safeguard the most vulnerable part of a notebook--its screen. The scratch-resistant sheet is sized to fit and installs without harmful glues or frames. Simply clean the screen with the included cleaning kit--complete with dripless cleaning solution and soft microfiber wipe--and position the film. Once in place, the Cling2 provides a two-month protective shield that guards against scratches, nicks, and smudges. Cling2 is optically clear and nonreflective.

Features and Benefits

- Screen-sized sheets fit perfectly without trimming
- Securely clings to screen without cumbersome frames or harmful glues
- Scratch-resistant film protects screen from scratches, nicks, and smudges
- Includes screen-safe cleaning kit with dripless solution and soft microfiber wipes
- Easy to install--simply clean, position, and smooth
- Optically clear, nonreflective film ensures long-lasting, crystal clear screen images

Cling2 Laptop Screen Protector 15" Single

Clearly Better Protection for LCD Screens

Product Number
Sugg. Street Price

K55713
\$19.99

Kensington Cling2 screen protectors safeguard the most vulnerable part of a notebook--its screen. The scratch-resistant sheet is sized to fit and installs without harmful glues or frames. Simply clean the screen with the included cleaning kit--complete with dripless cleaning solution and soft microfiber wipe--and position the film. Once in place, the Cling2 provides a two-month protective shield that guards against scratches, nicks, and smudges. Cling2 is optically clear and nonreflective.

Features and Benefits

- Sized-to-fit, scratch-resistant sheet fits perfectly without trimming
- Securely clings to screen without cumbersome frames or harmful glues
- Scratch-resistant film protects screen from scratches, nicks, and smudges
- Convenient screen-safe cleaning kit includes dripless solution and soft microfiber wipes
- Easy to install--simply clean, position, and smooth
- Optically clear, nonreflective film ensures long-lasting, crystal clear screen images

Snap2 20"-22" Widescreen Flat Panel Protection Filter

Idea: Hassle-free protection with no adhesive for flat panel screens.

Product Number
Sugg. Street Price

K55770US
\$124.99

Protective film protects sensitive screens, reduces glare, and improves viewing contrast and color for flat panel displays -- without messy adhesives or cumbersome frames.

Features and Benefits

- Top-mount bracket secures filter to monitor without adhesives or cumbersome frame
- Fits all 21" and most 20" and 22" Widescreen flat panel monitors and televisions.
- Hard-coated surface protects sensitive flat panel screen from smudges and damage
- Textured surface with light tint minimizes glare and improves contrast and color
- Frame-free construction clings to monitor and won't obstruct controls or speakers
- Widescreen proportions to fit the newer flat panel monitors and televisions.
- Lightweight film won't fall off monitor
- Lifetime warranty

Office SuperShelf® 21

Maximize space and elevate your monitor to a comfortable level

Product Number **K60035**
Sugg. Street Price **\$24.99**

Maximize space and position your monitor at the most comfortable height (adjustable legs lift the monitor from 2.38" to 5.38"). Supports up to 21" monitor (80 lbs.)

Features and Benefits

- Shelf raises monitor or printer off desktop to more comfortable and efficient height
- Strong shelf securely supports monitors up to 21 inches and 80 lbs
- Saves space by storing most docking stations under the stand when not in use
- Open design allows easy access to all drive bays, cables and ports
- Legs adjust to perfectly position monitor or printer

Flat Panel Cubicle Hanger Plus

Save desktop space by hanging flat panel display from cubicle.

Product Number **K60059**
Sugg. Street Price **\$179.99**

The monitor hanger takes flat panel off the desktop and attaches it from the cubicle wall. Height, reach, and tilt all adjust for viewing comfort.

Features and Benefits

- Hanger saves desktop space by attaching flat panel display to cubicle wall
- Track slips over cubicle wall to support flat panel display at optimal viewing height
- Arm extends to adjust display distance for reduced shoulder, neck and eye strain
- Four-way tilt reduces glare and positions display for improved comfort
- Eight height adjustments accommodate a wide range of cubicles and users

Flat Panel Wall Mount Arm

Save valuable desk space with wall-mounted monitor arm.

Product Number **K60077**
Sugg. Street Price **\$129.99**

This wall-mounted arm removes flat panels from the desk without sacrificing comfort. Height, reach, and tilt are all adjustable for perfect viewing position.

Features and Benefits

- Monitor arm saves desktop space by hanging flat panel display on office wall
- Adjustable mount positions height and reach for optimal viewing comfort
- Mount with 4-way tilt reduces glare and improves eye, neck, and shoulder comfort
- Infinite height adjustments accommodate multiple users

Technical Specs

- Can support up to 20 lbs. The concern is how the product is mounted into the wall. The stronger the wall and the screws used to anchor it, the more the unit can support.
- Maximum load bearing weight is 40 lbs, but that is too heavy for most walls.

Retail Package Dimensions

Long Neck Modular Platform with SmartFit® System

Fit any corner or curved workstation with adjustable, modular platforms

Product Number **K60719US**
Sugg. Street Price **\$199.99**

Fit any corner or curved workstation with adjustable platforms. Use all 3 platforms for a large mousing area or remove 1 platform to fit just your keyboard. Low profile articulating arm simply adjusts 6" in height, +/-15° tilt and rotates 360° to match your SmartFit comfort color. Includes a keyboard wrist rest.

Features and Benefits

- Unique modular platforms attach to arm as needed for different size keyboarding surfaces.
- Use all three platforms for a large mousing area or remove a platform to fit small desks.
- Adjusts 6" in height, +/- 15 degrees in tilt and rotates 360 degrees.
- Includes a keyboard wrist rest.
- 21" track, 15" arm for corner or curved workstations.
- Easy color-coded window lets you adjust the unit instantly to your unique SmartFit comfort color

InSight® Adjustable Book and Copyholder

Place copy or books in a more comfortable viewing position.

Product Number
Sugg. Street Price

K62058US
\$8.99

This unique copy/book holder is designed to hold everything from a large book to a single sheet of paper. Its versatility allows the user to bridge the gap between the keyboard and the monitor. Adjusts to accommodate landscape or portrait formats. It is also small enough to carry on a trip or bring to a meeting.

Features and Benefits

- Firm grip copy clip holds up to 50 multi-size pages
- Compact and collapsible to maximize workspace
- Adjustable design can accommodate landscape or portrait formats in paper or books
- Fits nicely between the keyboard and monitor for comfortable, ergonomic viewing
- Sturdy enough to support a large book

Technical Specs

- Adjustable holder designed to support a book or paper
- Takes up minimal desktop space
- Holds paper in landscape or portrait
- Collapsible design makes it portable.
- Smaller size can be positioned between the monitor and keyboard

SaddleBag Pro Notebook Carrying Case

Enhancements to SaddleBag Case - convertible backpack and much more

Product Number **K62210B**
Sugg. Street Price **\$59.99**

It doesn't look like your typical computer bag. That's because it's anything but typical. The contemporary style, comfort, and flexibility fit your lifestyle and works the way you do. The innovative Junk-It™ drawer is roomy for all those items you need to access. Open the expandable zipper and it's big enough to take on a trip. Close it and it's small enough to use every day.

Features and Benefits

- Fits notebook screens up to 15"
- Three carrying options to fit any travel style - convertible backpack, messenger, or carrying case
- Junk-It™ drawer for easy access to power cords, pens...whatever
- SnugFit™ computer sleeve stretches for perfect-fit protection
- Expands to carry more of everything
- Contemporary style, comfort, and flexibility fits professional lifestyle

Technical Specs

- 2 compartments + extra drawer
- Flapover closure
- Material: 1680D Ballistic Nylon
- Color: Charcoal Grey
- Please note: Features and specifications of all Kensington carrying cases are subject to change without notice.

Contour™ Backpack

The backpack for mobile professionals.

Product Number
Sugg. Street Price

K62238A
\$69.99

The ultimate in mobility for comfort-minded professionals. Unique, fully-adjustable lumbar support that uses a contoured panel to hug the back and help shift weight onto the hips. The curved, shock-absorbing shoulder straps help keep the load light while the padded SnugFit™ sleeve delivers heavy-duty computer protection.

Features and Benefits

- Contour adjustable lumbar support panel reduces fatigue by shifting weight onto the hips.
- Padded, contoured shoulder straps ease neck and shoulder strain
- SnugFit compartment suspends and wraps laptop for drop protection
- Flap-free access to quickly reach computer and contents. Convenient front pocket organizes key items at your fingertips.
- Handle doubles as strap to hang case from wheeled bag
- Expandable bottle Holster and headphone port for MP3 player
- 1680 Denier Ballistic Nylon protects against abrasions, punctures and tears

Memory Foam Wrist Pillow - Black

Soft, supple support for comfortable computer work.

Product Number **K62813US**
Sugg. Street Price **\$17.99**

Memory foam supports the wrist in hypoallergenic comfort by cradling it in a neutral position, without pressure points or restricted motion. Extra width supports wrists at keyboard and numeric pad without restricting movement. Rigid non-skid base keeps wrist rest firmly in place.

Features and Benefits

- Memory foam (viscoelastic) provides maximum support to help relieve wrist discomfort
- Rigid non-skid base keeps wrist rest firmly in place
- Black lycra cover repels sweat and dirt to stay soft
- Wide enough to provide comfortable support for keyboard and numeric pad
- Hypoallergenic comfort for sensitive skin.
- Temperature and pressure-sensitive foam molds to the body's contours
- Wide rest works with all keyboard widths and styles

MicroSaver® Notebook Security Cable - HP P/N PC766A/UT

Secure computer equipment with patented technology

Product Number
Sugg. Street Price

K64084
\$0.00

Kensington MicroSaver brings maximum-strength security to the Kensington security slot. With a steel composite cable containing Kevlar® brand fiber and our patented T-bar locking mechanism, computer equipment will be more secure than ever before. The lock head is smaller so it secures slim notebooks without blocking adjacent ports or lifting the laptop off the desk. Simple, effective security from the leader in notebook security--Kensington.

Features and Benefits

- Titanium reinforced for tamper-resistant protection
- Patented T-bar mechanism provides unrivaled level of protection
- Six-foot steel composite cable

Technical Specs

- Titanium-reinforced assembly
- Six-foot steel cable with Kevlar brand fiber
- Patented T-bar theft protection

MicroSaver® Twin Custom Notebook Lock - Shared Access

Shared Access allows users to lock down shared computer devices.

Product Number **K64187FL**
Sugg. Street Price **\$74.99**

The Custom Keyed Twin MicroSaver® is optimal for any business or institution. Custom keyed solutions give you more control over equipment while safeguarding employees from notebook and data theft. The Shared Access solution allows all user keys to open all locks. Multiple users can protect and work from shared computer stations.

Features and Benefits

- Lock down two computer devices with one cable - dual lock heads
- Fits into the standard Kensington security slot found in 99% of notebooks, flat panel monitors, CPUs, projectors, printers, docking stations, tablet PCs, and other devices
- Super-strong, steel composite cable with carbon tempered steel core
- 7.5-ft, 5.5mm thick cable
- Built-in defense system guards against lock tampering
- Patented T-bar lock provides superior lock strength and theft protection
- Online key code registration to replace lost keys
- Ships with multiple user keys

Technical Specs

- Second lock head slides to adjust between devices
- 7.5-ft carbon tempered steel cable
- Patented T-bar protection for most secure grip to Kensington slot

MicroSaver® Notebook Security Cable - Lenovo

Secure computer equipment with patented technology

Product Number
Sugg. Street Price

K64195USA
\$0.00

Kensington MicroSaver brings maximum-strength security to the Kensington security slot. With a carbon hardened steel composite cable and our patented T-bar locking mechanism, computer equipment will be more secure than ever before. The lock head is smaller so it secures slim notebooks without blocking adjacent ports or lifting the laptop off the desk. Simple, effective security from the leader in notebook security--Kensington.

Features and Benefits

- Titanium reinforced for tamper-resistant protection
- Patented T-bar mechanism provides unrivaled level of protection
- Six-foot steel composite cable

MicroSaver® DS Keyed Notebook Lock

The Most Secure Lock from Kensington!

Product Number **K64343**
Sugg. Street Price **\$54.99**

Losing your notebook is unthinkable. Protect your computer with incomparable security, the disc lock. The most advanced disc locking technology is featured with carbon tempered steel core cable, external braided steel sheath, and patented T-bar locking mechanism that attaches to the standard Kensington security slot found in 99% of notebook and computer devices. From Kensington, the world leader in notebook security.

Features and Benefits

- Advanced, nearly impenetrable disc-lock technology
- 3 layers of cable strength: carbon tempered steel core, aircraft-grade steel cable, external steel braided sheath
- 6-ft carbon tempered steel cable
- Patented T-bar locking mechanism provides superior locking strength in the security slot and theft protection
- Easy to install and use to protect high security computer devices
- Fits in the standard Kensington security slot found in 99% of notebooks, and also many desktops, flat panel monitors, projectors, printers, docking stations, tablet PCs and other devices
- Sleek styling and design won't block notebook ports or lift a notebook off the desk

Technical Specs

- Advanced Disc-lock technology
- 6-ft Carbon tempered steel cable
- Patented T-bar lock for most secure grip to the slot
- Rubber tie for cable cord management and portability
- Includes two keys

SlimType Keyboard - Mac USB

Complement Apple® style with a sleek, slim keyboard.

Product Number **K64366**
Sugg. Street Price **\$39.99**

A stylish Apple® computer deserves an equally stylish keyboard. The Kensington SlimType Keyboard for Apple Computers takes its inspiration from Apple's distinctive sleek lines and contemporary design. That low-profile form is then packed with performance and convenience functions. Low-travel, scissor-switch technology delivers a crisp, responsive touch for faster typing. And multimedia hot keys provide intuitive, one-button control of audio and video playback.

Features and Benefits

- Sleek contemporary profile complements clean Apple® styling
- Scissor-switch technology delivers crisp, responsive touch typing
- Laptop-style keys for faster typing with a lighter action
- Intuitive hot keys for one-touch multimedia control
- Convenient hot keys launch sleep and calculator modes
- Easy USB connection

SlimBlade™ Trackball

idea: Low profile meets high precision.

Product Number
Sugg. Street Price

K72327US
\$129.99

Comfort and productivity are at your fingertips with the Kensington SlimBlade Trackball. The slim, low-profile design provides all-day comfort while the advanced dual laser sensors and large ball deliver exceptional precision. For even greater productivity, the four adjustable buttons can be set to the function or keyboard shortcut you use most with our TrackballWorks™ software.

Features and Benefits

- Slim, low-profile shape for hours of comfortable use
- Dual lasers plus large ball for precision and scrolling that's all in the ball
- Adjust pointer speed, scrolling and button functions with TrackballWorks for a personalized experience
- Sleek design saves desktop space
