KENWOOD

## SIRIUS

KTC-SR902/KTC-SR901 SIRIUS® Satellite Tuners

Quick-Start Guides for use with 2003 – 2002 model Kenwood in-dash stereos and televisions

For 2001 models, visit our Web site at: www.kenwoodusa.com

KTC-SR902/KTC-SR901 SIRIUS® Satellite Tuner

Quick-Start Guide for: KDC-X969/KDC-X869/ KDC-X769/KDC-MP922/KDC-MP822/KDC-V7022/KDC-722

Step 1: Get your unit's individual Electronic Serial Number (ESN):

a) Press the SRC button (①) repeatedly until "SIRIUS" appears on the display

b) Press the MENU button (②) until "MENU" appears on the display

c) Press the AM/FM buttons (③) to scroll through the options until "ESN XXXXXXXX" appears on the display

d) Write the number down

e) Press the SRC button (①) to exit

Step 2: Subscribe to SIRIUS Satellite

a) Make sure your vehicle has the stereo *on* and the SIRIUS antenna has a clear view of the sky with no obstructions (buildings, garage, etc.)

b) Have your Vehicle Identification Number (VIN) from the vehicle that the radio is installed in.

c) Have your unit's ESN and your credit card number handy

d) Contact SIRIUS on the web at siriusradio.com or call toll-free: 1-888-539-SIRIUS (7474)

e) The operator will instruct you further

• Your tuner should be able to receive SIRIUS Satellite signals almost immediately after you subscribe

Searching for SIRIUS categories:

1) Press the NEXT button (⑤) repeatedly until "CS-", "CS+", "CH-", and "CH+" are displayed above the [1 – 6] buttons (⑧).

2) Use the CS- and CS+ buttons (⑥) to search through the available program categories

• You must wait until all category information is acquired before operating this function again

Direct access tuning (using the remote):

1) Press the DIRECT/OK button on the remote control

2) Use the remote's number buttons to enter the stream number

3) Press the >>I button (④) to go to that stream
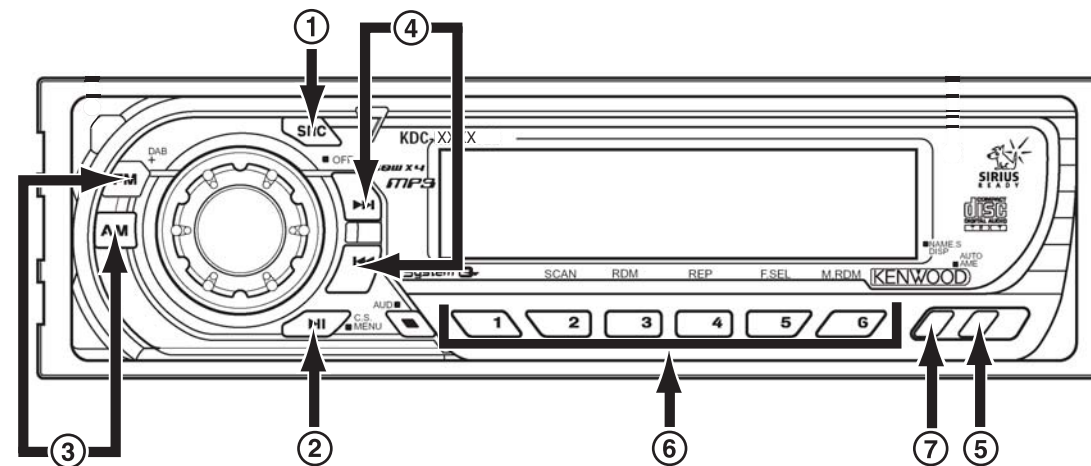

Switching the Seek mode:

1) Use the I<< and >>I buttons (④) to seek streams

2) Press the AUTO button (⑦) to cycle the Seek mode between:

• Preset Seek (Seek through your presets)

• Channel Seek (Seek the next stream)

Setting stream presets:

1) Use the FM button (③) to select the preset bank

2) Use the I<< and >>I buttons (④) to select the stream you want to memorize

3) Press the NEXT button (⑤) repeatedly until "1" – "6" are displayed above the [1 – 6] buttons (⑧).

4) Hold the preset button (⑧) you want to memorize the stream for at least 2 seconds

• When the stream is stored the preset number display will flash once

• Only the preset number, not the category information is stored

• Each preset button can store a different preset stream for each preset bank
