### OCM Lenovo 3000 Notebook Notes

- ThinkVision TFT radial arm supports attachment of LCD monitors that have a 75mm or 100mm VESA mount. Lenovo monitors include L151, L151p, L171, L171p, L191, L192p, L192 Wide and D221 Wide.
- Compatible with L151, L151p, L171, L171p, L191, L192p and L201p model Flat Panel Monitors.
- This monitor has been tested with Lenovo personal computers and is compatible with systems and graphic adapters which comply with the relevant parts of VESA and industry standards and guidelines for computer display monitor timing version 1.0 revision 0.8, adopted September 17, 1998. Supported display modes and number of colors are a function of the attaching system unit. The full range of display modes, refresh rates, and number of colors available with this monitor may not be available or supported with all combinations of system units, their operating systems, and application software. Implementation of monitor Plug and Play follows the VESA DDC standard. This standard must also be implemented in the attaching system unit hardware and software to be effective.
- System may be placed on the ledge, but no port replication or docking support is provided.
- 65W AC Adapter supports models with Integrated Graphics only. Those with discrete graphics should use the 90W AC Adapter.
- To be used in the M500 Projector.
- To be used in the C500 Projector.
- To be used in the E400 Projector.
- To be used in the M400 Projector.
- To be used in the C400 Projector.
- To be used in the E500 Projector.

### OCM Lenovo 3000 Desktop Notes

- Recommended to use in conjunction with the Embedded Security Subsystem and ThinkVantage Client Security Software in order to obtain the most secure log-in process.
- Requires the use of the Lenovo Security Solution. Lenovo recommends installation of Service Pack 4 for users running Windows 2000.
- ThinkVision TFT radial arm supports attachment of LCD monitors that have a 75mm or 100mm VESA mount. Lenovo monitors include L151, L151tp, L171, L171p, L191, L192p, L192 Wide and D221 Wide.
- Compatible with L151, L151tp, L171, L171p, L191, L192p and L201p model Flat Panel Monitors.
- This monitor has been tested with Lenovo personal computers and is compatible with systems and graphic adapters which comply with the relevant parts of VESA and industry standards and guidelines for computer display monitor timing version 1.0 revision 0.8, adopted September 17, 1998. Supported display modes and number of colors are a function of the attaching system unit. The full range of display modes, refresh rates, and number of colors available with this monitor may

not be available or supported with all combinations of system units, their operating systems and application software. Implementation of monitor Plug and Play follows the VESA DDC standard. This standard must also be implemented in the attaching system unit hardware and software to be effective.

- Operates in clone mode, not dual-independent extended mode. For more information, refer to [www.lenovo.com/support/graphics/73P2516](http://www.lenovo.com/support/graphics/73P2516).
- To be used in the M500 Projector.
- To be used in the C500 Projector.
- To be used in the E400 Projector.
- To be used in the M400 Projector.
- To be used in the C400 Projector.
- To be used in the E500 Projector.

## General Notes

All the part numbers referenced in this publication are product part numbers and not service part numbers.

The following paragraph does not apply to the United Kingdom or any country where any such provisions are inconsistent with local law:

LENOVO PROVIDES THIS PUBLICATION AS IS WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow disclaimer of express or implied warranties in certain transactions, therefore, this statement may not apply to you.

This publication could contain technical inaccuracies or typographical errors. Changes are periodically made to the information herein; these changes will be incorporated in new editions of this publication. LENOVO may make improvements and/or changes in the product(s) and/or the program(s) described in this publication at any time. LENOVO reserves the right to alter specifications and other product information without notice. It is your responsibility to obtain the latest information.

This publication was developed for products and services offered in the United States. LENOVO may not offer the products, services or features discussed in this document in other countries. Information is subject to change without notice. Consult your local LENOVO Representative for information on offerings available in your area.

Other part numbers in addition to those listed in this document may be required to support a specific device or function.

The following terms are trademarks or registered trademarks of Lenovo Corporation in the United States or other countries or both: Access Connections, Active Protection System, ImageUltra, Lenovo, the Lenovo logo, PS/2, Rescue and Recovery, ScrollPoint, Secure Data Disposal, System Migration Assistant, ThinkCentre, ThinkPad, ThinkPlus Services, ThinkPlus Accessories, ThinkVantage, ThinkVision, TrackPoint, UltraBase, Ultrabay and UltraNav. Microsoft, ReadyBoost, Windows and Windows Vista are trademarks of Microsoft Corporation. Linux is a trademark of Linus Torvalds in the United States and other countries, or both. Other company, product and service names may be trademarks or service marks of other companies.

Unless otherwise stated, LENOVO makes no representations or warranties with respect to non-LENOVO products. Support (if any) for the non-LENOVO products is provided by the third party, not LENOVO.

For non-LENOVO software, software may differ from its retail version (if available) and may not include user manuals or all program functionality; applicable third party software licenses may apply.

Certain Microsoft® software product(s) included with this computer may use technological measures for copy protection. IN SUCH EVENT, YOU WILL NOT BE ABLE TO USE THE PRODUCT IF YOU DO NOT FULLY COMPLY WITH THE PRODUCT ACTIVATION PROCEDURES. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations of the computer, and may be completed by Internet or telephone (toll charges may apply).

This LENOVO equipment is subject to applicable rules and regulations of the United States Federal Communication Commission (FCC). LENOVO reserves the right to change the price, product specification, and discontinue marketing the products listed, at any time, without notice. The price displayed applies only to LENOVO Business Partners who are approved to acquire the product directly from LENOVO. LENOVO Business Partners that source from a LENOVO Distributor do so at prices and on terms that are established by the LENOVO Distributor, not by LENOVO.

**Hard Drive:** GB=billion bytes. Accessible capacity is less; up to 4 GB is service partition.

**Mobile Processors:** Power management reduces processor speed when in battery mode.

**Warranty Information:** For terms and conditions or copies of Lenovo's limited warranty, call 08705 500900 in the U.K. Limited warranty includes International Warranty Service in those countries where this statement of product is sold by Lenovo or Lenovo Business Partners (registration required).

**Energy Star:** As an Energy Star Partner, Lenovo has determined that this product meets the Energy Star guidelines for energy efficiency.

**Battery:** These model numbers achieved the Ziff Davis Media, Inc.'s Business Winstone® 2002 BatteryMark Version 1.0, Battery Run-down Time of at least the time shown. This test was performed without independent verification by the VeriTest testing division of Lionbridge Technologies, Inc. ("VeriTest") or Ziff Davis Media, Inc.; neither Ziff Davis Media, Inc. nor VeriTest makes any representations or warranties as to these test results. Winstone is a registered trademark and BatteryMark is a trademark of Ziff Davis Publishing Holdings, Inc. in the U.S. and other countries. Battery life (and recharge times) will vary based on many factors including screen brightness, applications, features, power management, battery conditioning and other customer preferences.

**Thinness:** May vary at certain points on the system.

Unless otherwise indicated, prices shown are estimated reseller prices to end users. Reseller prices may vary. Lenovo reserves the right to change prices and product specifications and to discontinue marketing products without notice.

**CD/DVD Drive Speeds:** List maximum rates; rates are variable and are often less than the maximum. (Tape Drives) Data compression may be software dependent.

Actual applications included dependent upon country.

**ADSL Modems:**

**Actual Modem Speeds:** Depend on many factors, including the plan you sign up for with your ADSL provider, and are often less than the maximum possible.

**New 56K v.92 Modem Standard:**

**Modem Speeds:** Public network download speeds are limited to 53 Kbps. Upload speeds are limited to 48 Kbps for v.92 modems. Actual speeds depend on many factors and are often less than the maximum possible. V.92 functions and speeds require compatible phone line and server equipment. Requires download of v.92 microcode, when available, and country approval. Check with your telephone and Internet Service Providers for availability.

**Included Software:** May differ from its retail version (if available) and may not include user manuals or all program functionality. License agreements may apply. Operating systems that are not preloaded on the system may not provide full-feature functionality. Please refer to [lenovo.com/think/pc/support](http://lenovo.com/think/pc/support), select notebook brand, click on "Product Information", choose your machine type, then click on "Product Limitations".

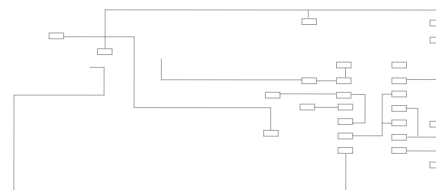

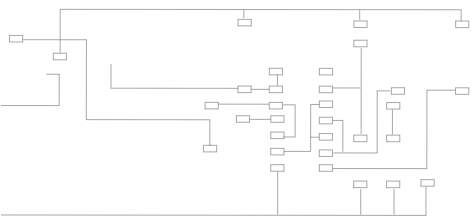

**Titanium Composite:** As tested using the high-flex modulus test.

**Travel Weight:** Includes battery and optional travel bezel instead of standard optical drive in Ultrabay, if applicable; weight may vary due to vendor components, manufacturing process and options.

**Maximum Memory & Internal Hard Disk Capacities:** May require the replacement of standard component with largest supported component available. Norton AntiVirus™ comes with 90 days of virus definition updates.
