

# **QUICK INSTALLATION**

**Dual Band Wireless-N** 

**Notebook Adapter** 

LINKEYS

...... CISCO

# Installation

The Notebook Adapter is installed and set up using the Setup Wizard that is on the enclosed Setup Wizard CD.

This Quick Installation is for Windows Vista users only. If you have Windows XP or 2000, use the other enclosed Quick Installation.

**IMPORTANT:** Do not install the Adapter in your PC until you are instructed to do so or the Adapter will not install correctly.

**A.** Insert the Setup Wizard CD into your CD-ROM drive.

NOTE: Windows Vista or other personal firewalls may ask for permission to run the software or program. You will need to allow the software to run in order to continue.

**B.** The *Welcome* screen appears on your monitor.

> Click the **Click Here to Start** button.

**C.** Read the License Agreement and click Next to continue the installation.

**D.** Find an available CardBus slot on your notebook PC.

> With the connector pin end facing the CardBus slot and the label facing up, slide the Adapter into the CardBus slot until it locks in place.

Click Next.

E. After you install the Adapter correctly, the Congratulations screen appears. (It may take a moment for the screen to appear.)

Click Finish.

**F.** The first Windows Vista Wireless Network Configuration utility screen appears. Select your network, then click **Connect**.
