LED Display Tableau Housing
LAT288-1, LAT288-1CE

- **Allows for design of displays for the signalling of events of a fire detection or extinguishing control panel**

- **Can accommodate 3 LED Display Fields LAB48 with up to 144 LED pairs**

- **Wall housing or 19" rack version available**

- **Clear designation of the LED pairs by means of insertable labeling strips**

LAT288-1CE

LAT288-1

Description

The LED Display Tableau Housing LAT288 allows for the design of a display for optically signalling the events of a Fire Detection Control Panel Series BC216 or BC016, or of an Extinguishing Control Panel Series LC216, by using freely parameterisable LED pairs.

The LED pairs are actuated through the Remote Tableau Drive Unit PTU288-1, which is connected to the control panel via the INFO bus. The buzzer of the drive unit signals the alarm or fault condition of the control panel.

The LED display tableau housing is available in two different versions: The LAT288-1 is a wall housing and the LAT288-1CE is used for mounting in a 19" rack.

The tableau housings can accommodate the Remote Tableau Drive Unit PTU288-1 and up to 3 LED Display Fields LAB48. In the LED Display Tableau Housing LAT288-1, further optional componentry, e.g., relay modules, as well as up to 2 stand-by batteries 12V/max. 22Ah can be installed.

The frontal area of the LED display tableau housing is designed in the same style as the Fire Detection Control Panel Series BC216. It is covered with a light grey plastic foil with six integrated windows. These windows allow to comfortably insert labeling strips, which identify the LED pairs.

Specifications

Colour housing	grey white, RAL 9002
Colour front foil	light grey, RAL 7035

LED Display Tableau LAT288-1	
Dimensions W × H × D	420 × 520 × 120 (mm)
Weight	6.2kg (without optional componentry)
Order number	252010
Order name	LED Display Tableau LAT288-1

LED Display Tableau LAT288-1CE	
Dimensions W × H × D	478 × 266 (6 height units) × 55 (mm) (incl. PTU288-1 and LAB48)
Weight	approx. 1.6kg (without optional componentry)
Order number	252011
Order name	LED Display Tableau LAT288-1CE
