FEATURES AND BENEFITS

13 page-per-minute print engine

- › Produce output at up to 13 pages-per-minute
- › Standard duplex printing enables two-sided copy and print output that assists in reducing office paper consumption

33.6 Kbps modem with JBIG compression

- › High-speed modem transfers data at speeds up to 2 seconds-per-page

80-sheet automatic document feeder

- › Fax, copy or scan large jobs without having to split them into multiple sets

Legal-size platen glass

- › Enables the seamless scanning of documents that are not appropriate for the document feeder (carbon papers, identification cards, etc).

200 location address book

- › Store frequently dialed fax numbers for instant recall

Memory transmission

- › Scanned documents are held in memory when line is busy

Broadcasting and group dialing

- › Send documents to multiple parties at the touch of a button

Expandable memory

- › Upgrade from the standard 8-MB memory to 40-MB, creating sufficient memory storage for large applications

Energy Star compliant

- › Energy Save Mode reduces energy consumption to minimum operating levels, prolonging machine life and lowering electricity bills

Flexible paper capacity

- › Standard 500-sheet paper capacity easily expands to 1,000 sheets with optional 2nd cassette and allows for simultaneous use of letter and legal sized paper

Multipurpose bypass tray

- › Print unique media such as letterhead, envelopes, labels or overhead projector sheets from the 50-sheet bypass tray

Standard PC printing

- › Windows-based GDI printing system produces crisp printouts at 600 dpi

Standard color scanning

- › Convert color photos, charts and/or business documents into electronic files
- › TWAIN compliance for direct scanning of images into popular software applications

OfficeBridge Plus connectivity solution

- › OfficeBridge Plus transforms the MFX-1350D into a powerful, networked MFP that enables users to share the MFX-1350D as a printer on the network, scan to a PC folder, scan to an e-mail address, send/receive Internet faxes, send faxes from PC applications and more

EasyChangeSM consumables

- › Front loading consumables can be quickly changed without the need for a service call

Intuitive control panel

- › Two-line LCD provides clear instruction and operational guidance
- › “Macro” keys allow for one-touch initiation of complex fax/copy commands
