F·520
F·520D

Think of it as GPS FOR DOCUMENT WORKFLOW.

The new F·520 series from Muratec features a large, back-lit touchscreen to easily and accurately steer documents through a wilderness of corporate networks, e-mail servers and digital communication lines. No matter the destination – e-mail inboxes, FTP sites, fax terminals or network folders – these multifunctionals consistently deliver. They even have a directory assistance key – just in case.

The F·520 series come equipped with standard:

- Back-lit touchscreen interface
- High-speed Ethernet connection (DHCP compliant)
- Color scan to network folder, e-mail and FTP
- Walk-up fax, Internet fax and desktop fax functionality
- LDAP support (fax and e-mail)
- 80-sheet automatic document feeder
- Browser-based management system

Muratec

Features & Benefits

80-sheet automatic document feeder
> Enables faxing, copying or scanning of large jobs without having to separate them into multiple sets

Intuitive touchscreen operation
> A first in this segment!
> Large, back-lit touchscreen is easy to operate and significantly reduces the learning curve

Flexible paper capacity
> Standard 500-sheet front loading tray is accessible and user adjustable
> Optional second 500-sheet cassette allows for the simultaneous use of letter and legal-size papers

Easy network installation
> DHCP compliant
> Print drivers can be installed via the server or individual client

Duplex printing (F-520D)
> Reduce paper consumption and day-to-day operational costs by utilizing duplex print, copy and fax reception capabilities

Refined print engine
> 14-ppm print engine provides superior quality and clarity
> Redesigned paper path reduces jam frequency

33.6 Kbps modem
> Standard fax modem transmits documents at the highest regulated speeds
> JBIG compression reduces the transmission packet allowing for shorter connection times
> Transmissions at up to 2 seconds per page

300 entry address book
> Each location can house a fax number, e-mail address and group location

> 330 number broadcast capabilities (fax and e-mail addresses can be mixed)
> OfficeBridge Expansion Kit enables both personal & shared address books for enhanced security and contact management
> OfficeBridge Expansion Kit increases the internal address book to 2000 locations (w/ optional 512 MB memory)
> Supports vCard import from Microsoft Outlook

LDAP search capabilities
> Quickly and easily locate contacts on a corporate server (Active Directory, OpenLDAP, etc.)

Scan to network folder
> Surf corporate networks with ease, delivering documents directly into network folders
> Create up to 20 folder shortcuts

Scan to e-mail
> Intuitive QWERTY keypad allows you to add a customized file name, subject line and text message to each transmission
> Send documents in TIFF, PDF or JPEG format
> Attach any document stored on the network to an outgoing transmission

Scan to FTP
> Upload documents to an FTP server for sharing or storage
> Create up to 20 FTP shortcuts for one-touch scan initiation

Standard GDI-based network printing
> High-speed 10/100 BaseT Ethernet connection offers the perfect print solution for a small to midsize workgroup

SPECIFICATIONS – F-520 & F-520D

GENERAL

Classification	"Plain Paper Fax"
Recording Method	LED
Print Speed	14 pages per minute
User Interface	Touchscreen
Document Feeder	80 sheets
Standard Paper Capacity	550-sheets (includes 50-sheet bypass tray)
Max. Paper Capacity	1,050 sheets
Cassette Paper Weight	20-24 lb.
Duplex Printing (F-520D)	1:2, 2:2, 2:1
Duplex Scanning	Manual
Jam Access	Side Cover
Dimensions (H x W x D)	20.5" x 19.3" x 17.5"
Weight	44 lbs.
Department Codes	100 (Copy/Fax)
Toner Yield	15,000 @ 4%
Drum Yield	20,000
DHCP Compliant	Yes (Default On)
Ethernet Connection	Standard 10/100 BaseT, RJ-45 connection
