Chapter 2

Getting Started

Your **β-Book™ Learning Laptop** operates on 4 AA-size batteries or a DC 9V adaptor.

Battery Installation

1. Make sure the unit is turned off.
2. Using a Phillips-head screwdriver, open the battery cover at the back of the unit.
3. Insert 4 AA-size batteries.
(Note the correct polarity: +, -).
4. Replace the cover.

Caution

- Do not mix different types of batteries or old and new batteries.
- Only use batteries of the same or equivalent type as recommended.
- Remove all batteries when replacing.
- Remove batteries from the unit if the unit is not going to be used for long periods of time.
- Do not dispose of batteries in fire.
- Do not recharge non-rechargeable batteries.
- Rechargeable batteries are to be removed from the toy before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Remove exhausted batteries from the toy.
- Do not short-circuit the supply terminals.

AC Adaptor Connection

Please turn off the unit before plugging in the AC/DC adaptor. Otherwise the unit may be damaged.

Slide back the panel at the rear of the unit and plug the adaptor jack (center positive type) into the socket.

Caution

- The unit must not be connected to a power supply greater than 9V.
- Only use the recommended adaptor.
- The adaptor is not a toy.
- Do not short-circuit the supply terminals.
- Toys liable to be cleaned with liquid are to be disconnected from the power source before cleaning.
- Due to AC/DC Adaptor Connection - Not suitable for children under 3 years and operate under adult supervision.

Auto-off

If there is no input on the unit for 5 minutes, the unit says goodbye and automatically turns itself off to conserve power. When you are ready to start playing again, just press the **On/Off** button to turn the unit back on.

Mouse Connection

1. Turn OFF the unit.
2. Slide back the panel at the rear of the unit and plug the mouse jack into the mouse socket.
3. Turn the unit ON.
4. To ensure the mouse is kept clean, keep it on a clean mouse pad.

Mouse Jack

Storage & Care

To ensure that the product enjoys a long life, please follow these simple rules:

Regularly examine the unit for damage to the cord, plug, enclosure and other parts. In the event of such damage, the unit must not be used with the adaptor until the damage has been repaired.

Always disconnect the power supply before cleaning. Keep the unit clean by wiping the exterior of the unit with a dry cloth.

Avoid getting the unit wet.

The unit should not be dismantled.

Always store the unit away from direct sunlight, and high temperatures.

Avoid leaving the unit in a car where it is exposed to direct sunlight.

The unit should not be subjected to extreme force or shock.

Cleaning the Mouse

Turn the mouse upside down and unscrew the small screw to open the cover.

Take the ball out, and wipe the ball and the inside compartment with a dry cloth. Replace the cover.

Starting your β -Book Learning Laptop

Turn on your β -Book Learning Laptop by pressing the **On/Off** button located at the bottom left hand corner of the keyboard. At the end of your session, remember to turn off the power by pressing **On/Off**.

Deactivating the Try-me Mode (Only for Try-me box laptop)

Before switching on the laptop, remove the "Try-me" tag to end the "Try-me" mode to gain full access to the games.

(See diagram on Pg 2)

Tell me your name and choose your Barbie™ style

When you first use your **β-Book™ Learning Laptop**, it will ask for your name. Enter your name and press the  button when you are ready. If you make a mistake, you can press the  button to enter your name again. Your name will be stored after it is entered. The **β-Book™ Learning Laptop** will now be able to greet you by name.

Next choose between a Rock Glam or a Modern Romantic Barbie™ style. This will determine your reward items and experience in the games. Use the arrow keys to pick a style and press the  button to confirm your choice.

If you need to change the name or theme once it has been stored, press the  button to see the name animation, and press  to go back to the "Enter the name" screen. A confirmation box will be shown, press the letter Y for Yes to continue or N for No, and go back to your games.

Game Rules

Levels and Scoring

Most games come in 5 levels and they are structured from easy to hard. There are 10 questions per level and you will be given three attempts to answer each question.

Scores

If the question is answered correctly in the first attempt, 10 points are awarded.
If the question is answered correctly in the second attempt, 6 points are awarded.
If the question is answered correctly in the third attempt, 3 points are awarded.

A summary screen will appear after each game.

You will be able to go to the next level if you score 80 points or higher.

If you score below 50, you will need to go back a level for more practice or repeat the same level again.

When you successfully finished all levels in a game, you will find a special reward! These will then be stored in "My Shopping Bag". There are 50 unique prizes and items for you to collect!

Time Limit

For most games you have 1 minute to answer each question.

Memory

Your progress is saved for all activities with the exception of activities from the "Games" category.
