Product highlights

gold-plated console connector

Designed to easily interchange with different consoles, this gold-plated connector provides better graphics resolution for lifelike play.

Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

5 RCA connectors

Allows you to choose how to connect to your TV, through component or composite inputs with stereo audio jacks.

Supports up to 480p resolution

This ability to handle higher resolutions provides the best graphics possible on your system.

Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

Illuminated connectors

Connectors light up with multi-color illumination to confirm a secure connection to your gaming console.
