Touch to toggle the selection.

Device name

The default device name displayed on the cellular phone is [PIONEER HDD NAVI]. (If you already modified the default device name, the name already set remains. If you don't modify that or restore the default setting, the device name becomes [PIONEER HDD NAVI].)

The display of "Unknown" user

Depending on the caller ID service, the phone number of the received call may not be displayed. [Unknown] appears instead.

Editing the entry in "Phone

Book" You can edit [Pronunciation] to be used for voice recognition along with [Name], [Phone #],

or [Picture]. 1 Touch [Information] in the navigation

menu, and touch [Phone Menu]. 2 Touch [Phone Book].

3 Touch a or [Add].

Enter the name to be displayed in the phone book. If you enter the name for new entry, you can select whether you use this entry as voice com-

(2) Pronunciation You can enter the desired pronunciation independently from the name. The registered pronuncia-

tion is used for voice recognition. ☐ Up to 40 characters can be input for the pronunciation.

☐ If "Pronunciation" is blank, you cannot use the item as a voice command

Depending on which language is being switched to, you may not be able to use the registered pronunciation without modifica-

(3) Phone #, (4) Picture These operations are the same as before upgrade.

Changing a name

1 Touch [Name], then touch [Yes]. The message confirming whether or not to register the entered name as voice command is displayed. When not registering a name as a voice command, select [No].

2 Enter a new name, then touch [OK].

3 If the pronunciation is suitable, touch The details you set are registered, and "Phone

Book Record Edit" screen appears. Alternative options: [No]: Completes the registration without editing the

pronunciation. [Repeat]:

You can reconfirm the pronunciation of the name you entered.

No sounds can be output during 🗽.

☐ If the pronunciation is not the desired one, edit the characters so that the pronunciation matches your desired pronunciation.

☐ When you confirm the pronunciation, is shown on the left side of the location name displayed in the entries of "Phone Book". This icon indicates that this name can be used as a voice command during voice operation.

What to do

Changing a pronunciation

1 Touch [Pronunciation].

2 Enter a new pronunciation, then touch The current pronunciation appears in the text

box (if already set).

3 If the pronunciation is suitable, touch [Yes]. The details you set are registered, and "Phone

Book Record Edit" screen appears. Alternative options: [No]:

Cancels the editing. [Repeat]: You can reconfirm the pronunciation of the

name vou entered.

Setting the time difference

The time difference can be set from -4 to +9

Changing the Background Picture

The customizing of **Splash Screen** is added. The operation is the same as [Navigation Background] or [AV Background]. Please refer to

the operation manual of the navigation system to (Splash Screen: The screen that appears when

the Navigation system starts up.)

Precautions when changing the Splash

The following is the default Splash Screen for the Navigation System.

If an image other than the one shown above is previously set (such as an image from the dealer or other source) and you change the **Splash Screen** once, you must use the CD-R (RW)

ous Splash Screen. •••••

DVD playback

Touching ◄◄ or ▶► resumes normal playback at a desired point during continuous fast rewind/ fast forward (when ◀ or ▶ is shown.).

You can also perform these operations by

using the **TRK (◄/►)** button.
