#### EN/E

It is important to read this user manual prior to using your new product for the first time. Es importante leer este manual antes de usar por vez primera su equipo.

Service information This product should be serviced only by those specially trained in appropriate servicing techniques. For instructions on how to obtain service, refer to the warranty included in this user manual

For your records In the event that service should be required, you may need the model number and the serial number. In the space below, record the date and place of purchase and the serial number Model No.: Date of Purchase: Place of Purchase:

WARNING: TO PREVENT FIRE OR ELECTRICAL SHOCK HAZARD, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

SEE MARKING ON BOTTOM OF PRODUCT

## Clock

Serial No.:

Auto clock set You do not have to set the clock time as a built-in automatic time set system is equipped in this clock powered by 3V (2 AA batteries, included and installed). All you have to do is to plug this clock for power and current time will be shown automatically after setting the time zone and daylight saving time (read below). However, the batteries can also be exhausted and we recommend that you replace the batteries

۲ every year.

> Setting time zone Slide the time zone selector at the bottom of the unit to Eastern, Central, Mountain or Pacific time zone (refer to the maps on the riaht)

Daylight saving time Press and hold DAYLIGHT AVING TIME button on the bottom of the unit to turn on/ off in areas observing/ not observing such time change. The icon O shows on the display when daylight saving time is active.

### How to make a warranty claim:

 If your product is capable of storing content (such as an mp3 player, digital voice recorder, etc), it is ecommended to make periodic backup copies of content stored on the product. If applicable, before shipping a product, make a back up copy of content or data stored on the device. Also, it is advisable to remove any personal content which you would not want exposed to others. IT IS LIKELY THAT CONTENTS AND DATA ON THE DEVICE WILL BE LOST DURING SERVICE AND REFORMATTING. AUDIOVOX ACCEPTS NO LIABILITY FOR LOST CONTENT OR DATA, OR FOR THE SECURITY OF ANY PERSONAL CONTENT OR DATA ON THE RETURNED DEVICE. Product will be returned with factory default settings, and without any pre-loaded content which may have been installed in the originally purchased products. Consumer will be responsible for reloading data and content. Consumer will be responsible to restore any personal preference settings. Properly pack your unit. Include any remotes, memory cards, cables, etc. which were originally provided

with the product. However DO NOT

even if batteries were included with the original purchase. We recommend using the original carton and packing materials. Include evidence of purchase date such as the bill of sale. Also print your name and address and a description of the defect. Send via standard UPS or its equivalent to: Audiovox Electronics Corp. Attn: Service Department. 150 Marcus Blvd

### Hauppauge N.Y. 11788 1-877-833-3491

- Insure your shipment for loss or damage. Audiovox accepts no liability in case of damage or loss en route to Audiovox.
- Pay any charges billed to you by the Exchange Center for service not covered by the warranty. A new or refurbished unit will be
- shipped to you freight prepaid.

#### What we will do:

Provide you with a new, or at our option, a refurbished unit. The exchange unit is under warranty for the remainder of the original product's warranty period.
