

user **manual** 

AVC Multimedia Markham, Ontario L3R 1E3 http://www.RCAav.com

Read these instructions before using your new product for the first time.

# **Important Safety Instructions**

- Keep these instructions. Heed all warnings. Follow all instructions.

- Do not use this apparatus near water. Clean only with a dry cloth.
- Do not block the ventilation openings. Install in accordance with the manufacturer's instructions.

  Do not install near any heat sources such as
- andiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.

  Do not defeat the safety purpose of a polarized or grounding type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience

# receptacles, and the point where they exit from

the apparatus.

11. Only use attachments/accessories specified by the manufacturer.

12. Use only with a cart, stand,

Unplug this apparatus during lightning storms or when unused for long periods of time.

 Refer all servicing to qualified service personnel.

Servicing is required when the apparatus has been damaged in any way, such as the AC power cord or plug is damaged, liquid has spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

# Safety Precautions

Region Management Information Region Management Information: This unit is designed and manufactured to respond to the Region Management Information that is encoded on DVDs. If the region number printed on the DVD does not correspond to the region number of this unit, it cannot play that disc.

The region number of this unit is 1.

## Disc Function or Operation That is Not Available

When the graymool appears on the screen, it indicates the function or operation attempted is not available at that time. This occurs because the DVD manufacturer determines the specific functions of DVDs. Certain functions may not be available on some DVDs. Be sure to read the documentation provided with the DVD

Œ

Icons Used on DVDs Sample Icons

When playing back a CD-G (Graphics) or CD EXTRA disc, the audio portion will be played. but the graphic images will not be shown.

## Titles, Chapters and Tracks

- DVDs are divided into "titles" and "chapters". If the disc has more than one movie on it, each movie would be a separate "title". "Chapters" are sections of titles.
- Audio CDs are divided into "tracks". A "track" is usually one song on an Audio CD.

Note: Numbers identify each title, chapter, and track on a disc. Most discs have these numbers recorded on them, but some do not

## Notes on Unauthorized Discs

You may not be able to play some DVDs on this unit, particularly if they were purchased from outside your geographic area or made for business purposes.

## Dolby Digital

Dolby Digital is a technology developed by Dolby Laboratories. Soundtracks encoded in Dolby Digital can reproduce from one to 5.1 discrete channels of excellent quality audio.

The unit automatically recognizes the Dolby Digital bitstream and provides a downmix suitable for two-channel listening. An additional Dolby Digital decoder is required for reproduction of the discrete multi-channel soundtracks available on many DVDs.

Manufactured under license from Dolby Laboratories. Dolby and the double-D symbol are trademarks of Dolby Laboratories.

## Accessories

Please check and identify the supplied accessories. ☐ AC Power Adapter Car Power Adapter

## Safety Precautions

WARNING: TO PREVENT FIRE OR SHOCK HAZARD, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

WARNING: TO REDUCE THE RISK OF FLECTRIC SHOCK DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE DO NOT PLACE OBJECTS FILLED WITH LIQUIDS ON OR NEAR THIS UNIT.

CAUTION: USE OF CONTROLS OR ADJUSTMENTS OR PERFORMANCE OF PROCEDURES OTHER THAN THOSE SPECIFIED MAY RESULT IN HAZARDOUS RADIATION EXPOSURE.

CAUTION: DANGER OF EXPLOSION IF BATTERY IS INCORRECTLY REPLACED. REPLACE ONLY WITH THE SAME OR **EQUIVALENT TYPE** 

CLASS 1 LASER PRODU

This product contains a low power laser device. CAUTION INVISIBLE LASER RADIATION WHEN OPEN AND INTERLOCKS DEFEATED AVOID EXPOSURE TO BEAM.

## THIS CLASS B DIGITAL APPARATUS COMPLIES WITH CANADIAN ICES-003.

## On Placement

- Do not use the unit in places that are extremely hot, cold, dusty, or humid.
- Place the unit on a flat and even surface.
- Do not restrict the air flow of the unit by placing it in a place with poor air flow, by covering it with a cloth,
- or by placing it on carpeting.

  To avoid magnetizing, do not place the unit near speakers or magnets.
- Do not use this unit in direct sunlight or leave the unit in a closed automobile (or similar environments) where it would be exposed to high temperatures above 104°F (40°C).

  No naked flame sources such as lighted candles should be placed on the AC power adapter or the main unit.
- The AC/DC adaptor and apparatus should not be exposed to splashing or dripping liquids, and no objects filled with liquids, such as vases, should be placed on the AC/DC adaptor and apparatus. The apparatus should not be exposed to dripping or splashing and that no objects filled with liquids, such

# as vases, should be placed on apparatus.

### On Safety

- When connecting or disconnecting the AC power adapter, grip the plug and not the cord itself. Pulling the cord may damage it and create a hazard.

  When you are not going to use the unit for a long period of time, disconnect the AC power adapter.

### On Condensation

When left in a heated room where it is warm and damp, water droplets or condensation may form inside the unit. When there is condensation inside the unit, the unit may not function normally. Let the unit stand for 1

E - 2

# to 2 hours before turning the power on, or gradually heat the room and allow the unit to dry before use.

## Ventilation Warning

- Do not block the ventilation openings or holes. If the ventilation openings or holes are blocked by a newspaper or cloth, etc., the heat may not be able to get out.

  Do not operate the unit in a confined space, such as a bookcase or built-in cabinet. Allow about 4 inches
- (10cm) of free space all around the unit for adequate ventilation

### Rating Plate Location

The rating plate is located on the bottom of unit.

## **FCC** Statements

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help.

  Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

## Notes on Copyright

It is forbidden by law to copy, broadcast, show, broadcast on cable, play in public, or rent copyrighted material

Apparatus Claims of U.S. Patent Nos. 6,836,549; 6,381,747; 7,050,698; 6,516,132 and 5,583,936 licensed for limited

# Limited warranty

AVC MULTIMEDIA ("AVC") makes the following limited warranty. This limited warranty extend to the original er purchaser and is limited to non-commercial use of the product.

E - 16

## **One Year Parts & Labor Warranty**

AVC products purchased in the United States or Canada are warranted to be free from defects in materials or workmanship for a period of one year from the date of their original retail purchase. If the unit fails to conform to this warranty, we will service the product using new or refurbished parts and products, at AVC's sole discretion. During a period of one year from the effective warranty date, AVC will provide, when needed, service labor to repair a manufacturing defect at its designated Service Center. To obtain warranty service in the United States or Canada, you must first call our **Customer Support Center at 1-800-506-5746 or 1-877-252-6873**, **during the hours listed in the box on the right**. The determination of service will be made by **AVC** Customer Support. **PLEASE** DO NOT RETURN YOUR UNIT TO AVC WITHOUT PRIOR AUTHORIZATION. New or remanufactured replacement for defective parts or products will be used for repairs by AVC at its designated Service Center for one year from the effective warranty date. Such replacement parts or products are warranted for an additional one year from the date of repair or replacement. The Customer will be required to ship the unit to the Service Center indicated at the time Customer Support is contacted to make the necessary repairs. The customer is responsible for all transportation charges to the service facility.

## **Packaging and Shipping Instruction**

When you send the product to the AVC service facility you must use the original carton box and packing material or an equivalent as designated by AVC.

## **LIMITED WARRANTY**

## **Your Responsibility**

1) You must retain the original sale receipt to provide proof of purchase.

2) These warranties are effective only if the product is purchased and operated in the United States or Canada. 3) Warranties extend only to defects in material or workmanship, and do not extend to any product or parts which have been lost or discarded, or damage to product or parts caused by misuse, accident, improper operation or maintenance, or use in violation of instructions provided with the product, or to product which has been altered or modified without authorization of AVC, or to products or parts thereof which have had the serial number removed or changed.

## **Out of Warranty**

In the event your product requires repair after the limited warranty period has expired, please contact our
