Multitasking Made Easy What will you print, copy, scan or fax today? The RICOH® Aficio® SP C231SF/SP C232SF Desktop Color Laser Multifunction Printer (MFP) allows you to be expressive with your communications while using a single solution featuring All-In-One (AIO) print cartridge technology to do it all. Add rich, vivid colors to a wide range of business documents at an affordable price that will make your competitors green with envy and won't put your budget in the red.

EasyEfficientAffordablePowerful

Full-Featured Multifunctionality

The network-ready Ricoh Aficio SP C231SF/SP C232SF is packed with features and functions to handle every job with maximum productivity and superior image quality.

- Copy and print at equal speeds of up to 21 pages-per-minute for both full-color and black & white documents to get more done in less time.
- Print eye-catching color pages and crisp text at resolutions up to 2400 x 600 dpi.
- Capture and edit full-color images for use in other documents, transform hardcopy originals into digital files for archival or distribution or convert scanned data to editable text with built-in TWAIN/WIA scanning.
- Stay connected to customers, suppliers and business partners outside the network with Super G3 faxing.
- Control page volumes and system access with a User Restriction feature, and keep confidential information secure using Locked Print.

Maximum Efficiency at Minimal Cost

The Ricoh Aficio SP C231SF/SP C232SF Color Laser Desktop MFP is equipped with a host of features designed to minimize total cost of ownership and maintenance tasks.

- Improve workflow with the 35-sheet Automatic Document Feeder. It quickly scans originals as large as 8.5" x 14" to speed multi-page copying, scanning and faxing.
- Reduce paper use, filing space and postage costs with standard automatic duplex printing.
- Combine multiple images onto a single sheet with ID Card and N-in-1 copy mode features to save paper and time.
- Leverage the power of your network to speed communications with a full suite of cost-free Scan-to document distribution capabilities. Share information instantly with Scan-to-Email, post files for local sharing with Scan-to-Folder, enable remote team-based project collaboration with Scan-to-FTP, and edit scanned documents with Scan-to-OCR.
- Stop printing cover sheets and hardcopy originals before faxing. Use the PC Fax feature to send documents right from a Windows computer for paperless faxing!
- Make color affordable for every job and operate more efficiently with high-yield All-In-One print cartridges for less interruption and lower per-page costs.
- Choose from two controller types to match your workflow requirements to the most affordable solution.

Big Design for Small Spaces

The Ricoh Aficio SP C231SF/SP C232SF is a four-in-one solution that occupies less than 20 square inches of desk space. An intuitive control panel, user-replaceable AIO cartridge technology, and fast warm-up and first print/copy times ensure this MFP will always be ready when you are.

- Boost paper supply to 751 sheets without increasing footprint.
- Replace the mess-free All-In-One print cartridges in seconds. The top-loading design makes maintenance a snap.
- Eliminate dialing errors and quickly send faxes to frequent recipients with 20 One-Touch keys.
- Enjoy highly reliable media feeding with the short, soft-curved paper path, while the total front access design enables fast clearance for optimal performance.
- Streamline device and document management tasks from connected PCs using the bundled Ricoh Web Image Monitor utility and Presto! PageManager software.

All-In-One print cartridges make color affordable and install quickly for maximum uptime and do-it-yourself convenience.

Doctors' offices, labs, front desks, rental agencies, schools, and many others will appreciate the time- and paper-saving ID Card copy mode.

The Total Green Office Solution

Ricoh continues its longstanding commitment to developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising productivity.
