Package contents

- USB chat headset
- *Quick Setup Guide*

Product features

Warning: Loud noises can damage your hearing. Before you use your headset, turn the volume down, then slowly increase the volume to a comfortable level.

Caution: When you have finished using your headset, store it a safe place to avoid accidental damage.

Volume control:

Turn the **Volume** control to increase or decrease the chat volume.

Mute button:

Press the **Mute** button to mute the microphone.

The mute indicator turns red when the microphone is muted.

Setting up your headset

1 Plug your headset into the USB port on the PS3.

2 Turn on your PS3, then open the Settings menu.

3 Select **Accessory Settings**. The *Accessory Settings* menu opens.

4 Select **Audio Device Settings**. The *Audio Device Settings* menu opens.

5 Set **Input Device** and **Output Device** to **USB Chat Headset**, then select **OK** to save your settings.
