

# VPCL224FD/B

A contemporary high-definition PC/TV with a stunning 24" Full HD LED backlit multi-touch display, offering intuitive touch access to Internet, movies, music, photos and more. With so many integrated features, the L Series delivers the ultimate one-stop shop for your every productivity and entertainment need.

#### Cool to the touch

Thanks to Edge Access™ technology, the touchable area extends to the display's edge and incorporates touchable controls into the glass bezel. Easily access everyday shortcuts such as close, next, previous, zoom, and on-screen keyboard in one dedicated space.

#### Space Saving

Curb clutter in your workspace with a powerful computer that's built into the back of a stunning 24" Full HD LED backlit display. Compact, sleek and easy-to-use, the L Series is as practical as it is stylish. Its all-in-one design concept requires only a single power cord to keep you powered, connected and incontrol to ensure you'll never have a tangled mass of wires invading your foot space.

## The True Beauty of Displays

Measuring an impressive 24" and sporting a cinema-inspired 16:9 aspect ratio, the 1920 X 1080 Full HD resolution widescreen display lets you view your games and movies in impeccable detail with amazing color and contrast from virtually any angle. Transform your VAIO® L Series into a one stop multimedia shop. Connect your compatible cable box, satellite receiver or PS3™ system directly to the L Series with an HDMI® input (HDMI cable required, sold separately).

## Intel® Core™ Processor technology

For the most visible difference in HD, multitasking or multimedia, get the processor with top-of-theline performance you can truly see and feel. With our best set of features for the speediest and most responsive experience, the 2nd generation Intel® Core™ processor is the ideal choice for whatever you want to do. It's visibly smart performance at its best.

## Watch Blu-ray Disc™ movies

The versatile Blu-Ray Disc<sup>™</sup> player drive on the L Series combines the power of HD Blu-ray Disc<sup>™</sup> video playback with the convenience and utility of DVD and CD read/write functionalities. The best picture. The best sound. With stunning clarity, Blu-ray Disc<sup>™</sup> technology is the ultimate way to enjoy your entertainment.

## Built-in HD web camera and microphone

The L Series features a HD web camera powered by an Exmor™ image sensor which allows for great low-light performance. The built-in camera and microphone is excellent for video messaging with family, friends and coworkers. Face tracking technology allows the camera to automatically adjust focus and follow you as you move around while video chatting.

With a 2nd generation Intel®  $Core^{m}$  processor and Blu-ray  $Disc^{m}$  the L Series provides an amazing multimedia experience. A 24" Full HD Touch Dislpay with images so realistic, the L Series is in a class by itself. You get smart performance and amazing picture quality all in a sleek, up-market design.

## Specifications
