

CHIPPER/SHREDDERS

BIO 2000

Bio 2000 Stiga

Electric shredder for faster and more effective composting for all types of villa gardens.

The shredder chips your waste into small pieces that accelerates the recycling process.

The Bio 2000 can cope with branches up to 40 mm.

Easy to transport with large transport-wheels and sturdy handle.

Automatic feeding thanks to the design of the blades.

Prolonged lifetime of blades. The blades have edges on both sides so you can turn them once they have become blunt.

Feeder is included which can be hung on the handle.
