# Improving People's Lives

**GUARDIAN<sup>Select</sup>** Your customers have the choice of enhanced features on products with the Guardian Select designation.

**GUARDIAN<sup>Plus</sup>** Easily find products that have a weight capacity of 500 lbs. and greater.

**Sunrise Medical** is one of the world's largest manufacturers of home medical equipment and is dedicated to improving people's lives by providing innovative, high quality products including the Guardian® brand.

When it comes to walking aids and personal care products, no company is more committed to the needs of health care providers and their patients, than Sunrise Medical. From our start, over sixty years ago, the Guardian® brand has set the standard for uncompromising quality and product selection.

## UNCOMPROMISING QUALITY

Guardian® is committed to delivering the highest level of quality in every item that bears our name. The Guardian® mark is your assurance that each product has been engineered and tested to surpass standards for medical devices because your patients' independence and health are dependent on our assistive devices.

## UNMATCHED PRODUCT SELECTION

From pediatrics to bariatrics, the Guardian® product offering is unmatched. No one else can help you meet as wide a range of customer needs as we can.

## WARRANTED TO LAST

All Guardian® DME products offer the peace-of-mind of a generous Lifetime Limited Warranty against product defects.

Model 7782

### STRIDER® PRESCRIPTION WALKER

- Accommodates most physical requirements with the optional platform attachments.
- Handles adjust without tools to an infinite number of positions to provide stability and posture. 90° bend standard (Tyke models are 45°).
- Extra wide base provides stability, safety and balance.
- Outfitted with 5" front wheels to easily roll over irregular surfaces.

**Model:**

7782 - (Tyke-Red) 7783 (Tweeners-Green)

Model 7749

### CHILDREN'S FOLDING WALKER

- Lightweight anodized aluminum "A" frame design provides greater balance.
- Height-adjustable "grow with you" design.
- Comfortable vinyl hand grips designed for a child's hand.
- Noise-free silencer on footpieces.
- Folds easily for travel.

**Model:**

7749 (Child-Brite) 7750 (Toddler-Red)

Model 7751

### CHILDREN'S NON-FOLDING WALKER

- 3" wheels maneuver over normal floor obstacles: cracks, carpet, or outside play areas.
- Large rear rubber tips provide long braking action.
- Lightweight, sturdy aluminum frame with proportionally large width to length for wide stance and greater stability
- Height-adjustable.

**Model:**

7751 (Tyke) 7752 (Little Tyke)

Model 5144X

### CHILDREN'S FOREARM CRUTCHES

- Telescoping parts are manufactured with internal bushings and external lock nuts to provide totally silent usage.
- Vinyl-coated, tapered, contoured arm cuffs mold to user for extra comfort
- Heavy-wall, high strength aluminum tubing.
- Black components hide signs of wear and scratches
- Available to fit 'lil tykes from 2 feet tall.

**Model:**

5162 (Youth-Brite), 5163 (Child-Brite)  
5144X (Toddler--Red & Blue) 5144 (Tyke-Red & Blue)

Model 53314-8

### CHILDREN'S AXILLARY CRUTCHES

- Push-button adjusted footpiece with fitting guide on crutch footpiece provides accurate fitting.
- 1" adjustment increments on both handle and height provide a precise fit, reducing fatigue.
- Latex free rubber components

**Model:**

53314-8

# Guardian® Pediatric Walking Aids

Guardian® is the only product line that has a walking aid to meet everyone's needs, even the smallest child. Our Strider Prescription Walkers have been a favorite of therapists. The infinite configurations accommodate the special needs of children with disabilities. All pediatric walking aids feature "grow-with-you" height adjustability and rugged durability.

# Guardian<sup>®</sup> Crutches

Crutches are designed for users that cannot bear weight on one lower limb. Axillary crutches are generally limited to short-term use due to a lower extremity injury. Forearm crutches provide stability and independence for those requiring assistance in ambulation on a long term basis. Guardian crutches are available in a variety of sizes and are easily adjustable to provide a precise fit.

## GUARDIAN<sup>Salut</sup> RED•DOT<sup>®</sup> CRUTCHES

- Clip-lock adjusted handle and push-button adjusted height allows for 10 second adjustments.
- 1" adjustment increments on both handle and height provide a precise fit which reduces muscle fatigue.
- High density latex free rubber cushions and hand grips provide long wear and greater comfort.
- How-to-Fit and Use guides included as part of risk management program.
- 300 lb. weight capacity.

**Model:**

90-214-8 (Tall) 91-214-8 (Adult) 92-214-8 (Youth)

Model 91-214-8

Model 51314-8

## QUIK-FIT<sup>®</sup> CRUTCHES

- Bolt adjusted handle and push-button adjusted footpieces with fitting scale allow for accurate fitting.
- 1" adjustment increments on both handle and height provide a precise fit which reduces muscle fatigue.
- Latex-free rubber components.
- How-to-Fit and Use guides included.
- 300 lb. weight capacity.

**Model:**

50314-8 (Tall) 51314-8 (Adult)  
52314-8 (Youth) 53314-8 (Child)

Model 61314B

## GUARDIAN<sup>Plus</sup> BARIATRICS CRUTCHES

- Heavy-duty steel construction provides durability and supports up to 550 lbs.
- Push-button adjusted footpieces with fitting scale allow for accurate, fast fitting.
- 1" adjustment increments on both handle and height provide a precise fit which reduces muscle fatigue.

**Model:**

60314B (Tall Adult) 61314B (Adult)

Model 5161

## FOREARM CRUTCHES

- Telescoping parts are manufactured with internal bushings and external lock nuts to provide totally silent usage.
- Vinyl-coated, tapered, contoured arm cuffs mold to user for extra comfort
- Heavy-wall, high strength aluminum tubing.
- Black components hide signs of wear and scratches

**Model:**

5160 (Tall Adult) 5161 (Adult) 5162 (Youth)

## STANDARD CANES

- Broad range of styles and colors.
- Engineered and tested to ensure performance and quality.
- Soft foam handgrip enhances comfort.
- Locking silencer provides rattle free use.
- Solid brass detent button resists wear and breakage.
- Height easily adjusts.
- 250 lb. weight capacity

### Quad Canes

**Large Base Quad:**  
Large chrome-plated, 4 point steel base provides maximum stability.  
30340 (Brite)  
30341 (Black)

**Small Base Quad:**  
4 point support for stability and small base for easy clearance.  
30345 (Brite)  
30346 (Black)

### Single Point Canes

**Standard Handle:**  
Allows user to retain cane over an arm while opening doors or performing other tasks.  
30370 (Brite)  
30371 (Black)  
30372 (Bronze)

**Offset Handle with Wrist Strap:**  
Offers great stability and a convenient wrist strap.  
5360 (Black)  
5362 (Brite)  
5364 (Bronze)  
5365 (Bronze Slim)

## GUARDIAN Select CANES

All of the features of the standard Guardian cane plus:

- 300 lb. weight capacity.
- Handle inserts and reinforced metal inserts at stress points provide greater strength and durability.
- Contoured vinyl handgrip is easier to grasp and offers enhanced durability for long-term use.

## GUARDIAN Plus BARIATRIC QUAD

- Small steel base supports weights up to 500 lbs.  
30343B (Black)

### Quad Canes

**Select Quadlite:**  
Molded resin base is strong yet light-weight, offering a slight flex for self-leveling and stability.  
05845S (Brite Adult)  
05846S (Brite Youth)

**Select Large Base Quad:**  
For maximum stability.  
5340S (Brite)

**Select Small Base Quad:**  
Convenient size for use on stairs.  
5345S (Brite)

### Single Point Canes

**Select Offset handle with Sure Grip:**  
Offers an anatomically correct design that relieves palm fatigue and provides extra comfort for the long term user.  
5555 (Brite)

**Select Standard Handle:**  
5370 (Brite)

**Select Offset Handle:**  
5355 (Brite)  
5356 (Black)

## WOODEN CANES

- Attractive, classic style.
- Available in a variety of wood color finishes.

### Model:

5390B (Black) 5390M (Mahogany) 5390W (Walnut)

## FOLDING CANE

- Folds for convenient storage and travel.
- Comes in attractive black finish.
- Adjustable height.

### Model:

30375

# Guardian® Canes

For people needing balance and support, Guardian canes are available in a selection of designs and hand grip styles. Single point canes do not eliminate weight bearing on lower extremities but they do provide security and confidence.

# Guardian® Folding Walkers

Guardian Easy Care Walkers are the most imitated design, but never duplicated! We build quality features into our walkers for enhanced stability and durability because someone's health is dependent on this product. Compare these quality enhancements:

- Reinforced tube connectors at high-stress areas.
- Solid brass detent buttons that are stronger to support the full weight of the user.
- Double steel cross frame for extra rigidity
- Double side cross braces for extra rigidity
- Screws, that can be retightened, connect side cross braces
- Deburred tubing to prevent cutting through rubber tips
- Tight tolerance between frame and footpieces for rattle-free use
- Durable folding mechanism is designed to last.

Model 30755P

Model 30755PB

Model 07855

Model 30760P

## EASY CARE™ WALKERS

Engineered with quality differences that offer maximum stability and longer life.

- Dual folding mechanism is easy to operate with palms or fingers. Ideal for those with limited dexterity.
- Lightweight aluminum frame with steel cross brace provides durability.
- Folds to only 4" for easy transport and storage.
- 300 lb. weight capacity.

**Model:**

30755P (Adult) 30756P (Youth)

**Models with 5" Wheels:**

30757W (Adult) 30758W (Youth)

## WALKERS

Same quality features as Easy Care with enhanced styling.

- Lightweight aluminum frame with the exclusive Guardian "K" cross brace.
- Stylish cross frame in misty blue.

**Model:**

30755PB (Adult/Blue)

30756PB (Youth/Blue)

**Models with 5" Wheels:**

30757WB (Adult/Blue)

## LIGHTWEIGHT PALM-RELEASE WALKERS

Light weight and large easy-to-press tabs for ease in folding make this a top pick by

- therapists for patients with limited hand dexterity and strength.
- Lightest weight folding walker available is made of aluminum and high-strength composite components.
- Large press-to-fold tabs allow use of palm or forearm. Folding mechanism is totally encapsulated with no exposed components assuring trouble-free use.
- Patent-pending manufacturing process assembles frame during the molding process creating an extra rigid frame and no fasteners that can loosen over time.
- Roomy 17.25" between the hand grips.

**Model:**

07855 (Adult) 07856 (Youth)

**Models with 5" Wheels:**

07857W (Adult) 07858W (Youth)

## ONE BUTTON FOLDING WALKER

- One-button folding offers quick, convenient operation and is ideal for those who are weaker on one side.
- Lightweight aluminum frame supports up to 300 lbs. yet weighs only 5 lbs.
- Folds to 4 1/2" for ease of transport and storage.

**Model:**

30760P (Adult) 30761P (Youth)

Model 7755

Model 7767

Model 30754B

### GUARDIAN *Select* RED•DOT® WALKERS

- The familiar Red•Dot dual folding mechanism releases simply by depressing the tab with finger, arm or palm.
- Lightweight aluminum frame, with the exclusive Guardian steel “K” cross brace, is chrome plated for added durability.
- Folds to only 4 1/2" for easy transport and storage.
- Preferred by institutions across the nation.
- 350 lb. weight capacity.

**Model:**

7755 (Adult) 7756 (Youth)

### GUARDIAN *Select* EXTRA-DUTY WALKER

- Same quality features as Red•Dot with extra width.
- Lightweight – weighs only 7 1/2 pounds.
- 400 lb. weight capacity.
- 19" between hand grips.

**Model:**

7767 (Adult) 7768 (Youth)

### GUARDIAN *Plus+* BARIATRICS WALKERS

- Reinforced aluminum frame with dual steel cross brace provides durability.
- Extra wide frames with up to 22" between hand grips accommodate larger users.

**Model:**

30753B (500 lb. Weight Capacity)

30754B (650 lb. Weight Capacity)

Model 7780

Model 7770

### STRIDER® PRESCRIPTION WALKER

- Accommodates most physical requirements with the optional platform attachments.
- Handle adjusts without tools to an infinite number of positions to provide stability and posture. 90° bend is standard.
- Extra wide base provides stability, safety and balance.
- Outfitted with 5" wheels to easily roll over irregular surfaces.

**Model:**

7780 (Adult-black) 7781 (Middler-blue)

### SIDESTEPPER™ HEMI WALKER

- Dual grip cane/hemi-walker offers extra assistance when getting in and out of chairs.
- Provides support and stability to those with limited or no dexterity in one arm or hand.
- Lightweight frame is easy to lift and maneuver.
- Wide base provides more stability than a quad cane.

**Model:**

7770 (Adult)

7771 (Youth)

## Envoy™ Rolling Walker Series

For people interested in mobility and support with style, the Guardian® Envoy Rolling Walkers are a fashionable alternative. Easy-to-use hand brakes, large padded seats for resting, removable padded backrest for support and comfort. Easy-to-fold mechanisms make transport or storage convenient.

**Model 07981T**

# Guardian® Bath Safety

Guardian® offers a complete line of bath safety products to help meet all of your customers' needs. With a commitment to delivering the highest level of quality, each Guardian product is engineered for safety and durability. These bath safety products offer the ideal choice for comfort and convenience.

## **EASY CARE™ SHOWER CHAIR/STOOL**

A lightweight and economical choice for those who require a basic chair with height adjustability and an extra wide seating surface.

- Sturdy, lightweight, anodized aluminum frame resists rusting.
- Legs adjust in 1" increments with just a push of a button to ideal height between 13" and 20".
- Available with a back for extra support and leverage, or backless for easier access in bathing.
- Textured, blow-molded polyethylene wide track seat and backrest with built-in hand-holds provide extra safety.
- Rubber feet grip even wet surfaces.
- Available in attractive retail packaging.
- Weight capacity 250 lbs.

**Model:**

30400-4 (Chair assembled-Gray)

30401-4 (Stool assembled-Gray)

30402 (Chair unassembled-Retail-White)

30403 (Stool unassembled-Retail-White)

**Model 30402**

**Model 30403**

**Model 30406B**

## **GUARDIAN Plus+ BARIATRICS SHOWER CHAIR**

- Frame is reinforced to support weights up to 500 lbs.
- Extra wide seating surface accommodates larger users.
- Seat height adjusts from 15"-19" for a comfortable fit.
- Rubber tips grip bathtub surface.

**Model:**

30406B

**Model 98027**

## **GUARDIAN Select PADDED SHOWER CHAIR**

- Extra thick padding on seat and backrest provides additional comfort for long-term use.
- Extra deep 16 1/2" seat for greater stability and comfort.
- Legs adjust in 1" increments to ideal height between 18" and 22".
- Rubber tips grip bathtub surface.
- 300 lb. weight capacity.

**Model:**

98027

**Model 98308A**

### NON-PADDED TRANSFER BENCH

- Textured, molded backrest and seating surface offer a non-slip surface with holes for water drainage.
- Lightweight, anodized aluminum frame is height adjustable in 1/2" increments.
- Backrest attaches for right or left facing tubs easily without tools.
- Side arm and seat back handle provide extra stability and leverage when transferring.
- Weight capacity 300 lbs.

**Model:**  
 98308A (Assembled)  
 98311 (Assembled with Commode Opening Seat)

**Model 98338A**

### PADDED TRANSFER BENCH

- Vinyl covered foam backrest and seating surface offer a highly resilient cushioned surface for comfort.
- Lightweight, anodized aluminum frame is height adjustable in 1/2" increments.
- Suction cup footpieces secure the bench to the tub floor.
- Backrest adjusts for right or left facing tubs.
- Side arm and seat handle provide extra stability and leverage when transferring.
- A cost effective solution with the added feature of padding.
- Weight capacity 300 lbs.

**Model:**  
 98338A (Assembled)

**Model 98309**

### NON-PADDED TRANSFER BENCH

- Suction cup footpieces secure the bench to tub floor
- Lightweight, anodized aluminum frame is height adjustable in 1/2" increments to accommodate most tubs.
- Backrest adjusts without tools for right or left facing tubs.
- Built-in soap dish and hand-held shower slot for user convenience.
- Weight capacity 300 lbs.

**Model:**  
 98309 (Assembled)  
 98309G (Unassembled-Retail)

**Model 98013A**

### PADDED TRANSFER BENCH WITH COMMODOE OPENING

- A commode opening affords the user greater comfort and better access for cleaning.
- Thick, high density foam cushions and backrest for comfortable seating that won't bottom out.
- Suction cup footpieces secure the bench to tub floor.
- Lightweight, anodized aluminum frame is height adjustable in 1/2" increments to accommodate most tubs.
- Weight capacity 300 lbs.

**Model:**  
 98013A (Assembled)

**Model 98310B**

### GUARDIAN Plus BARIATRICS TRANSFER BENCH

- 500 lb. weight capacity accommodates larger users.
- Textured, molded backrest and seating surface offer a non-slip surface with holes for water drainage.
- Aluminum frame is height adjustable in 1/2" increments.
- Backrest adjusts without tools for right or left facing tubs.
- Side arm and seat handle provide extra stability and leverage when transferring.
- Safely provides assistance to those who have difficulty stepping over bathtub walls.
- Backrest and armrest installed with detent buttons for tool free assembly.

**Model:**  
 98310B (Assembled)

# Guardian<sup>®</sup> Bathing Products

## **ERGONOMIC HAND HELD SHOWER**

- Easily adapts to existing shower arm, delivering standard or pulsating spray.
- Extra long 86" (218 cm) hose for use while seated.
- Built-in water saver. Uses less than 2.5 gallons per minute (9.5 lpm).
- On/Off control and massage are conveniently positioned at your fingertips.
- Diverter valve allows you to also use existing shower head.

**Model:**

98035 (Hand held shower with diverter valve.)

**Model 98035**

## **DELUXE TUB GRAB BAR**

- Clamp design, including stainless steel components, stays secure after repeated use.
- Patented step through design provides an unobstructed entry/exit path allowing better hand positioning.
- Bi-level handgrip for maximum flexibility and safety.
- Tool free installation and large rubber-lined pads won't mar tub surface.
- Adjusts to fit tubs 2.75"-6.25" (7-16 cm) thick.

**Model:**

98006

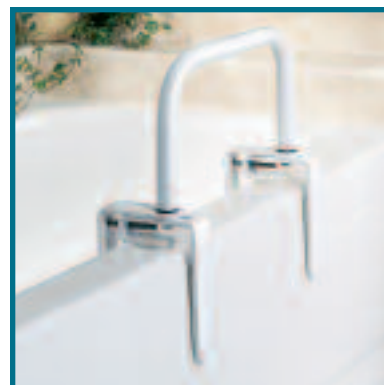

**Model 98006**

## **BATHTUB SAFETY RAILS**

- An economical choice for a safe grip around the tub.
- White powder-coated steel with foam-lined clamps that won't mar tub surface.
- Mounting bracket adjusts 3.5" to 6" (9-16 cm) to fit most standard tubs.

**Model:**

98080 (8"H x 11"W - 20 x 27 cm)

**Model 98080**

## CERVICAL COLLARS

Designed to reduce pain due to stress, injury or muscle spasm, the one-inch thick foam is covered with a soft, breathable cotton fabric. Easily adjusted with a Velcro® closure for a custom fit.

- Hand washable.
- Provides support for head and chin and minimal immobilization.
- Available in three sizes.

### Model:

910S (Retail Packaging)	Small (11.5"–13" neck)
910M (Retail Packaging)	Medium (13.25"–15.5" neck)
910L (Retail Packaging)	Large (15.75"–17" neck)

## PERINEAL CUSHION

The perineal cushion is designed for the new mother or home convalescent with perineal discomfort. The high-density "donut shaped" foam cushion conforms to natural body contours for maximum comfort.

- Ideal for use at home, office or in the car.
- Soft fabric cover is removable and machine washable.

**Model:** 913 (Retail Packaging)

## CONTOURED BACK CUSHION

Ergonomic design of this durable molded polyurethane foam contours to the natural curve of the back. It holds the spine in a proper curved position to help reduce fatigue and ease lower back discomfort.

- Constructed of durable, high-density polyurethane foam.
- Fabric cover is removable and machine washable.

**Model:** 914 (Retail Packaging)

## INFLATABLE RUBBER CUSHION

This 16" inflatable rubber ring is ideal for use at home, office or travel. The durable, heavy gauge rubber conforms to the natural contour of your body for added comfort.

- Easily cleaned with a damp cloth.
- The metal screw valve makes it easy to inflate or deflate.

**Model:** 909 (Retail Packaging)

## GUARDIAN® CERVICAL PILLOWS

Therapeutic pillow helps correct poor sleeping posture.

- Original Jackson Cervipillo® has soft center that cradles the neck while firm side support keeps the spine in alignment. Easy to clean, machine washable soft fabric cover.
- Cervical Roll pillow is made of urethane foam.

### Models:

916 (Cervical Roll with cover - Retail Packaging)
49102 (Jackson Cervipillo) 49011 (White Cover)

## GUARDIAN® WHEELCHAIR CUSHION

Designed with soft, even support for maximum comfort, the Guardian wheelchair cushion is made with "breathable" polyurethane foam and fits standard wheelchairs.

- Removable fabric cover is hand washable; drip dry.
- Size: 16" x 18"
- Color: Blue

### Model:

917 (Retail Packaging)

# Guardian® Home Comfort Products

Guardian® home comfort and positioning products help to support and align the body for more comfortable sitting or sleeping. Proper positioning and body alignment can relieve stress that causes muscle aches or the pain of temporary disorders.

Our most popular professional-quality walking aids, bath safety and personal care products are available in attractive retail packaging designed to make it easy for consumers to shop. Ask about our merchandising programs that can help turn your dealership into a retail showroom.

## Warranty Policy

Guardian® products offer the peace-of-mind of a generous warranty on all Guardian® products. Refer to actual product warranty for specific terms or limitations.

Sunrise Medical is committed to continuous product improvement, therefore specifications are subject to change without notice.

U.S. and foreign patents pending.
