Memory Usage and Considerations

Organizer data is stored in archive memory as:

- Address
- Schedule
- Task
- ORGINFO

Do not attempt to edit or un-archive this memory. Doing so could corrupt your data and cause memory errors within the application.

Individual entries have certain size limitations:

- An Address can have up to 121 characters total in all fields.
- A Schedule entry is limited to dates and times plus 23 characters.
- A Task entry is limited to date and status flag plus 26 characters.

Also, the total number of entries within a category can vary up to 16,535 bytes, or until archive memory is full.

Error Recovery Instructions

Low Battery Condition

Do not attempt a Flash download if the low-battery message appears on the calculator. Low battery indication is shown on the initial screen. If you receive this error during an installation, change the batteries before trying again.

Check Amount of Flash Application Free Space

On the TI-83 Plus, press **2nd** [MEM], and then select **2:Mem Mgmt/Del....** The Organizer application requires at least 32,768 bytes of **ARC FREE**. There is approximately 160K total archive memory in the TI-83 Plus.

Archive Full

This error appears when the TI-83 Plus does not have sufficient memory for the application. In order to make room for another application, you must delete an application and/or archived variables from the TI-83 Plus. Before deleting an application from the TI-83 Plus, you can back it up by using the **Link > Receive Flash Software...** menu in TI-GRAPH LINK™ for the TI-83 Plus. Once saved, you can reload it to the TI-83 Plus later using the **Link > Send Flash Software** menu in TI-GRAPH LINK.

Communication Error

This error indicates the Flash Installer is unable to communicate with the TI-83 Plus. The problem is usually associated with the TI-GRAPH LINK cable and its connection to the TI-83 Plus and/or to the computer. Make sure the cable is firmly pushed into the calculator and the computer.

If this does not correct the problem, try a different TI-GRAPH LINK cable and reboot your computer. If you continue to get this error, please contact [TI-CARES™](#).

Validation Error

Electrical interference caused a link to fail or this calculator is not authorized to run the application.

Miscellaneous Errors

See pages B-6 through B-10 in the TI-83 Plus manual (education.ti.com/guides) for information about the specific error or contact [TI-CARES](#).

Miscellaneous

If you obtain new or upgraded software for your TI-83 Plus, you may need to provide your current software version and/or the serial number of your unit. It is also good to know your version number in case you have difficulties with your TI-83 Plus and need to contact technical support. Knowing the software version may make it easier to diagnose the problem.

Verify Maintenance Upgrade Version and Serial Number

On the TI-83 Plus, press **[2nd] [MEM]**, and then select **1>About**. The version number has the format x.yy. The serial number appears on the line beneath the product ID number.

Verify Flash Application Version

On the TI-83 Plus, press **[APPS]**. Select the appropriate application and press **[ENTER]**. The version number of the application appears on the initial screen.

All additional terms of the Agreement apply regardless of the license granted.

All the computers and calculators on which the Program is used must be located at a single Site. Each member of the institution faculty may also use a copy of the Program on an additional computer/calculator for the sole purpose of preparing course materials.

EDUCATIONAL SITE LICENSE

If you paid a license fee for an Educational Site License, Licensor grants you a non-exclusive, non-transferable license to install and use the Program on all institution, teacher, or student owned, leased or rented computers and calculators located or used at the Site for which the Program is licensed. WARRANTY DISCLAIMER AND DAMAGES EXCLUSIONS AND LIMITATIONS

Licensor does not warrant that the Program will be free from errors or will meet your specific requirements. Any statements made concerning the utility of the Program are not to be construed as express or implied warranties.

LICENSOR MAKES NO CONDITIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED CONDITIONS OR WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT REGARDING THE PROGRAM AND MAKES THE PROGRAM AVAILABLE ON AN "AS IS" BASIS.

THIS PARAGRAPH EXPRESSES LICENSOR'S MAXIMUM LIABILITY AND YOUR SOLE AND EXCLUSIVE REMEDY FOR DEFECTIVE MEDIA.

LICENSOR SHALL NOT BE RESPONSIBLE FOR ANY DAMAGES CAUSED BY THE USE OF THE PROGRAM, OR SUFFERED OR INCURRED BY YOU OR ANY OTHER PARTY INCLUDING BUT NOT LIMITED TO SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN JURISDICTIONS WHICH ALLOW TEXAS INSTRUMENTS TO LIMIT ITS LIABILITY, TI'S LIABILITY IS LIMITED TO THE APPLICABLE LICENSE FEE PAID BY YOU.

Because some states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, the above limitations or exclusions may not apply to you.

GENERAL

This Agreement will immediately terminate if you fail to comply with its terms. Upon termination of this Agreement, you agree to return or destroy the original package and all whole or partial copies of the Program in your possession and so certify in writing to TI.
