INTRODUCTION

The fight is on for the WCW Heavyweight Championship belt and you're in control. The biggest names in wrestling are colliding to settle their feuds. Each pair are starring in their own unit- Hollywood Hogan Vs. Goldberg, Raven Vs. Diamond Dallas Page, and Scott "Big Poppa Pump" Steiner Vs. Rick Steiner. Collect them all and become the Champ. Each wrestler has their own unique moves. Master them all and you master the game.

SCOTT "BIG POPPA PUMP" STEINER

Scott Steiner is one of the strongest wrestlers ever. His incredible size and speed help him to finish off most opponents with ease. He was once a wrestler people looked up to. Now he has joined the NWO and follows Hogan's orders. Big

Poppa Pump has become an NWO thug and has targeted his brother Rick as his biggest threat.

RICK STEINER

Rick Steiner was part of the greatest tag team ever, with his brother Scott. Ever since Scott joined the NWO, they have been locked in a constant feud, each trying to pound their beliefs into the other. Rick isn't as strong as his brother but has superior wrestling skills that he will use to finally show he is the better Steiner. Take the belt and Scott's pride with the Bulldog.

A large, stylized handwritten signature of Rick Steiner in a light gray color, overlaid on the text area.

Scott Steiner and Rick Steiner have a score to settle. After many confrontations without a clear winner, they will step in the ring to settle their differences once and for all. Choose your wrestler and enter a tournament that lasts best of 7 matches. You don't have to win all 7 matches to win the belt but you do have to win at least 4. If you just win 4, there will be some debate on whether you deserved the belt. If you win all 7, it just proves that you are the better man and a true Champion.

STARTING A NEW GAME

Press the ON/START button to power on the game. Both wrestlers will now appear with Scott Steiner flashing. Whichever wrestler is flashing will be your wrestler in the ring. If you want to switch between the two wrestlers, simply press left or right. When your favorite wrestler is flashing, press ON/START to begin your first match. Now you can step in the ring, wrestle through a best of 7-match tournament to win the WCW Heavyweight Championship Belt, and prove to the world who the better wrestler is.

ENERGY METER

Each wrestler has an energy meter made up of five bars. It appears right next to their picture at the top of the screen. Every time you hit your opponent their meter will decrease and yours will increase. Beware, you lose more energy each time you get hit than you get back when you hit them. So, keep on the offense if you want to win.

POWER METER

There is a power meter that will come on screen when the wrestlers are in a grapple. Your goal is to fill up your half of the meter to get off your move instead of your opponent. It will seem like a tug of war when you grapple with your opponent to fill your half of the meter.

To fill the meter and get your moves off, tap the move button of your choice (see below under POWER MOVES) as quickly as possible. Tap it fast enough and you're on your way to victory. Not fast enough, you're going home empty handed.

HINTS FOR VICTORY

2. **Warm them up with punches and kicks. Then move in and do some real damage with your power moves from the grapple.**
3. **Learn to use the Block - Knowing when and when not to use the block will separate the champs from the chumps.**
4. **When they're down, keep 'em down - After you knock them down, go off the ropes to inflict some extra damage.**
5. **Initiate the Grapple - If you grapple your opponent before he grapples you, you have a better chance of getting your move off.**
