Downloadable Software Installation Instructions

1. Go to <http://timextrainer.trainingpeaks.com/>
2. Click on **Create Account** to set up an account and download the desktop software.

NOTE: If you already have an account, you can skip to Step 3.

Users are redirected to <https://timextrainer.trainingpeaks.com/create-account.aspx> to complete their information (First and Last Names, Username, Password, and Email Address). Click **Create Account** (lower left corner).

3. Click on **Device Agent** and select the Timex Device Agent version for your computer, and install the application to the desktop by clicking **Run**. Follow the on-screen directions for File Download.

Downloadable Software Usage Instructions

NOTE: You must have the Timex Data Xchanger plugged into the USB port to fully use the Timex Device Agent and to communicate with the watch.

1. Double-click the **Timex Device Agent** icon on your desktop. For first-time users, click **Account** to enter your account and password (that entry will not be required for future downloads).

NOTE: If more than one person uses your computer, click **Account** to confirm/change your account and password, and then click **Home** to return to the communications page.

2. Follow the directions on the computer screen to initiate watch communication with the computer and to see the progress of the wireless transfer of data.
3. Once communication is done, you will go to the **Workouts** tab on the **Home** screen. To transfer data from the watch to the Timex Ironman online training log, select the workouts you want to upload. To change your HRM and/or watch settings, select from the other tabs on the **Home** screen.

NOTE: The "Erase all workouts when finished" box is checked if there are workouts in your watch, unless you un-check it. This feature automatically frees up memory in your watch after each upload.

4. Click **Save** to send the selected data to your account and any changed settings to your watch.
 5. To view your data or workout plan on the Timex Trainer Online software, click **Account** and **Login**.
- NOTE:** Users can also go to <https://timextrainer.trainingpeaks.com/login.aspx> to access their accounts.

FCC Notice (U.S.) / IC Notice (Canada):

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio TV technician for help.

This Class [B] digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe [B] est conforme à la norme NMB-003 du Canada

Warranty & Service

Timex International Warranty (U.S. Limited Warranty)

Your Timex® product is warranted against manufacturing defects by Timex for a period of ONE YEAR from the original purchase date. Timex Group USA, Inc. and its worldwide affiliates will honor this International Warranty.

Please note that Timex may, at its option, repair your product by installing new or thoroughly reconditioned and inspected components or replace it with an identical or similar model.

IMPORTANT: PLEASE NOTE THAT THIS WARRANTY DOES NOT COVER DEFECTS OR DAMAGES TO YOUR PRODUCT:
