

# TOSHIBA

## Advantage Toshiba

- Full function 2 head VCR with 8 event, 1 month programming
- 13" screen size is portable and practical for viewing in virtually any location
- Front Panel AV Inputs for easy connection of video games or a camcorder
- Front Panel Headphone Jack allows for individual listening privacy
- AC/DC capability gives the option of viewing "on the go," or in the event of a power outage
- DC Car Cord included for convenient operation in an RV, boat or motor vehicle
- Sleep Timer saves energy and Wake Timer is a convenient alternative to a clock radio

## MV13DM2 Combination Television/VCR

### Technology and Benefits

#### VIDEO

##### **Bi-Lingual Onscreen Display**

Allows viewer to read menu in two different languages (English and Spanish) to ensure user-friendly programming.

##### **V-Chip**

All Toshiba televisions comply with current V-Chip regulations. Violent or sexually explicit programming can be identified and blocked, prohibiting viewing by young children.

##### **181 Channel Tuner**

Provides access to all channels on unscrambled cable systems.

#### CONVENIENCE

##### **Headphone Jack**

For a private viewing, particularly useful with AC/DC models which are likely to be used in confined areas such as automobiles.

##### **One Touch Record**

Simplifies setup of timer for recording within a 24-hour period. One button starts record and allows setting of record length.

##### **360 Minute On/Off Timer**

Use the on timer as an alarm clock to wake up to your favorite movie. Or have the set turn off automatically when viewing in the evening.

##### **Front A/V Inputs**

Allows easy connection of camcorder or video game directly to the front of the set.

##### **1 Month/ 8 Event Programmable Timer**

##### **High Speed Rewind/ Fast Forward**

Rewind or Forward a standard T-120 tape in only 60 seconds.

##### **Auto Play**

Tape Play automatically begins when a pre-recorded tape is placed in the machine.

##### **Auto Repeat**

Pre-Recorded tape will rewind and begin play after initial play is complete.

##### **Digital Auto Tracking**

Constantly adjusts tape alignment for optimum picture quality.

##### **Auto Clock Set**

A convenience feature that automatically sets the proper time on the unit's internal clock.
