2005 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$540 for Cars and \$565 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is \$35 higher for Trucks, Sienna and SUVs, and \$50 higher for all other Toyota vehicles. The Delivery, Processing and Handling Fee in AR, LA, MS, OK and TX is \$35 higher for all Toyota vehicles. Actual dealer price may vary.
