## VT1900LED

### LED TV

- User Guide
- Guide de l'utilisateur
- Guía del usuario

IMPORTANT: Please read this User Guide to obtain important information on installing and using your product in a safe manner, as well as registering your product for future service. Warranty information contained in this User Guide will describe your limited coverage from ViewSonic Corporation, which is also found on our web site at <http://www.viewsonic.com> in English, or in specific languages using the Regional selection box in the upper right corner of our website. "Before operating the equipment, read the instructions in this manual carefully."

**Model No.: VS13231-1M**

Dear ViewSonic customer,

Congratulations on your purchase of a ViewSonic TV display. For maximum benefit of your TV, please read these instructions before any operations.

For assistance, please contact ViewSonic service team at <http://www.viewsonic.com> or call our service team: United States 1-800-688-6688, Canada 1-866-463-4775.

To purchase or inquire about any accessories and installation services for your TV, please visit [www.viewsonic.com](http://www.viewsonic.com) or call: United States 1-800-688-6688, Canada 1-866-463-4775.

**Important! Please save the original box and all packing material for future shipping needs.**

We recommend you to register your TV on the internet at: [www.viewsonic.com](http://www.viewsonic.com)

## Product Registration

To meet your future needs, and to receive any additional product information as it becomes available, please register your product on the internet at: [www.viewsonic.com](http://www.viewsonic.com).

### For Your Records

**Product Name: VT1900LED**

**ViewSonic LED TV**

# TV Wall Mount

To find the perfect mount for VT1900LED, please browse [www.viewsonic.com](http://www.viewsonic.com) or call our service team: United States 1-800-688-6688, Canada 1-866-463-4775.

## Safety Instructions

The symbol is intended to alert the user to presence of un-insulated “Hazardous Voltage” within the product’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

This symbol is intended to alert the user that improper use of the product may result in product malfunction. The user should pay attention to avoid accidents or unnecessary problems.

## Wet Location

Apparatus shall not be exposed to dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on the apparatus.

## Outdoor Use

**WARNING:** To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.

## Disconnect Device - The Mains Plug or An Appliance Coupler

The mains plug or an appliance coupler is used as the disconnect device for disconnection from the mains, the disconnect device shall remain readily operable.

ENERGY STAR® is a registered trademark of the U.S. Environmental Protection Agency (EPA).  
As an ENERGY STAR® partner, ViewSonic Corporation has determined that this product meets the ENERGY STAR® guidelines for energy efficiency.

Disclaimer: ViewSonic Corporation shall not be liable for technical or editorial errors or omissions contained herein; nor for incidental or consequential damages resulting from furnishing this material, or the performance or use of this product.

In the interest of continuing product improvement, ViewSonic Corporation reserves the right to change product specifications without notice. Information in this document may change without notice.

No part of this document may be copied, reproduced, or transmitted by any means, for any purpose without prior written permission from ViewSonic Corporation.

## WARNING

Do not expose this TV to rain or moisture. It may increase the risk to fire or electronic shock.

### Dangerous Voltage:

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of dangerous voltage within the inside of the product that may be sufficient level to constitute a risk of electric shock to persons.

**Instruction:** The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and servicing instructions in the literature accompanying the appliance.

The TV shall not be exposed to dripping or splashing. Do not put objects filled with liquids, such as vases, on the TV.

## CAUTION

To prevent electric shock, do not use this polarized AC plug with an extension cord, receptacle or other outlet unless the blades can be fully inserted to prevent blade exposure.

### Declaration of Conformity

Trade Name: ViewSonic Model: N1630w Responsible Party: ViewSonic Corporation Address: 381 Brea Canyon Road, Walnut, CA. 91789 USA Telephone Number: 1-800-688-6688 This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

## NOTIFICATION

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the device and receiver.
- Connect the device into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Pursuant to FCC regulations, be cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.

## Safety

- Operate the TV on 120V and 240 V AC only.
- Use the AC power cord specified by ViewSonic and suitable for the voltage where you use it.
- The plug is designed, for safety purposes, to fit into the wall outlet only one way.
- If you are unable to insert the plug fully into the outlet, contact your dealer.
- If any liquid or solid object should fall inside the cabinet, stop operating, unplug the TV immediately and have it checked by qualified service technician.
- If you will not be using the TV for a long time, disconnect the power by pulling the plug itself. Do not pull on the cord.
- For details concerning safety precautions, refer to Important Safety instructions on page 4.

## Installation

- The TV should be installed near an easily accessible power outlet.
- To prevent internal heat buildup, do not block the ventilation openings.
- Do not install the TV in a hot or humid place, or in a place subject to excessive dust or mechanical vibration.
- Avoid operating the TV at temperatures below 41°F (5°C).
- When the TV is transported directly from a cold to a warm location, or if the room temperature changes suddenly, the picture may be blurred or show poor color due to moisture condensation. In this case, please wait a few hours before turning on the TV, in order to let the moisture evaporate first.
- To ensure best picture quality, do not expose the screen to direct illumination or sunlight. We recommend you use spot lighting directed down from the ceiling or to cover the windows that face the screen with opaque curtains. It is better that TV is installed where the floor and walls are not of a reflective material.

## To Customers

To install the specified TV, sufficient expertise is required. Make sure you subcontract the installation to ViewSonic dealer or licensed contractors and pay adequate attention to safety during the installation.

## Note

This television includes a QAM demodulator, which should allow you to receive unscrambled digital cable television programming via subscription service to a cable service provider. The type of programming and signal provided by your cable service provider will affect the availability of digital cable television programming in your area.

## Trademark Information

Macintosh is a trademark of Apple Inc., registered in the U.S. and other countries. HDMI, the HDMI logo and High-Definition Multimedia Interface are trademarks or registered trademarks of Dolby Laboratories. Blu-ray Disc is a trademark. Adobe is a registered trademark or a trademark of Adobe Systems Incorporated in United States and/or other countries.

## Important Safety Instructions

1. Read these instructions completely before using the equipment.
2. Keep these instructions in a safe place.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean with a soft, dry cloth.
7. Do not block any ventilation openings. Install the equipment in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other devices (including amplifiers) that produce heat. 
9. Do not attempt to circumvent the safety provisions of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade and the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the outlet.
10. Prevent the power cord from being tread upon or pinched, particularly at the plug, convenience receptacles, and the point where they exit from the device. Be sure that the power outlet is located near the equipment so that it is easily accessible.
11. Only use attachments/ accessories specified by the manufacturer.
12. Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/ apparatus combination to avoid injury from tip-over. 
13. Unplug this apparatus when it will be unused for a long period of time.
14. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, or the unit does not operate normally, or has been dropped.

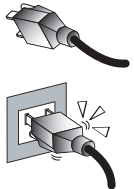

## USE

### AC power Cord

Keep the following guidelines to protect the AC power cord from being damaged. If the AV power cord is damaged, it may result in a fire or an electric shock. Stop using it and ask your dealer or ViewSonic service center to exchange it.

- Do not place the TV where the power cord is subject to wear or abuse.
- Do not pinch, bend, or twist the cord excessively.
- The core lines may be bared and cut, causing a short-circuit, and resulting in a fire or an electric shock.
- Do not convert or damage the power cord.
- Avoid power cord being rolled over or rested upon. 
- When the power cord is plugged in, do not move the TV.
- Keep the power cord away from heat sources.
- When you disconnect the AC power cord, disconnect it from the wall outlet first.
- When disconnecting the power cord, grasp the plug instead of pulling the power cord.
- Use only an original ViewSonic AC power cord, not other brands.
- Do not use the supplied AC power cord on any other equipment.

### Wall outlet

The TV set with a three-wire grounding type AC power cord plug must be connected to an AC power socket outlet with a protective grounding connection. 

Do not use an unfitting outlet. Insert the plug fully into the outlet. If it is loose, do not use it. Doing so may cause arcing and result in a fire. Contact your electrician to change the outlet.

### Wiring

For your safety, be sure to unplug the AC power cord when connecting cables.

Take care not to trip on the cables. It may cause damage to the TV set.

### Electric shock

Do not touch the AC power cord or the TV with a wet hand. If you plug/unplug the AC power cord from the TV with a wet hand, it may cause electric shock. 

## Lightning storms

During a lightning storm, unplug the TV from the wall outlet and disconnect the antenna to prevent damage to the TV.

## When not in use

If you will not be using the TV set for long periods of time, the TV set should be disconnected from the AC power outlet to prevent power line surges. The TV set is not disconnected from the AC power source when the TV set is switched off. To disconnect the TV set completely, unplug from the AC power outlet.

## Overloading

This TV set is designed to operate on a 120 - 240 V AC supply only. If there are too many appliances connected to the same AC power outlet, it could result in a fire or an electric shock.

## Optional equipment

If optional equipment is to be installed, leave some space between optional equipment and the TV set. Picture distortion and/or noisy sound may occur if the TV set is positioned in close proximity to any equipment emitting electromagnetic radiation.

## Small accessories

Keep small accessories in a safe place where children are unable to reach.

## ANTENNAS

### Outdoor antenna grounding

If an outdoor antenna is installed, follow the precautions below.

Do not install the outdoor antenna system near of overhead power lines or other electric light or power circuits, or where it can come in contact with such power lines or circuits.

**WHEN INSTALLING AN OUTDOOR ANTENNA SYSTEM, EXTREME CARE SHOULD BE TAKEN TO KEEP FROM CONTACTING SUCH POWER LINES OR CIRCUITS AS CONTACT WITH THEM IS ALMOST INVARIABLY FATAL.**

Be sure the antenna system is grounded so that it can provide some protection against voltage surges and built-up static charges.

Section 810 of the National Electrical Code (NEC) in the U.S.A. and Section 54 of the Canadian Electrical Code in Canada provides information with in regard to proper grounding of the mast and supporting structure, grounding of the lead-in wire to an antenna discharge unit, size of

grounding conductors, location of antenna discharge unit, connection to grounding electrodes, and requirements for the grounding electrode.

## Antenna grounding according to the National Electrical Code, ANS/NFPA 70

## BATTERIES

- Do not cast away batteries in a fire.
- Do not disassembled, overheat, or short-circuit the batteries.
- If the battery is replaced in the wrong way, it may cause danger of explosion. Replace only with the same or equivalent type.

## Dispose used batteries

To preserve our environment, dispose of used batteries according to your local laws or regulations.

## CLEANING

### Cleaning the AC power plug

Unplug the AC power plug and clean it regularly. If the plug is covered with dust and gathers moisture, its insulation may deteriorate and result in a fire.

### Cleaning the screen surface/ cabinet of the TV set

When cleaning this TV, unplug the AC power cord. If not, it may result in electric shock. Use a dry soft cloth to clean the cabinet of the TV. To remove dust near the screen, wipe it gently with a soft cloth. Stubborn stains may be removed with a cloth slightly dampened with a solution of mild soap and warm water. Never use strong solvents such as thinner or benzene for cleaning. If using a chemically pre-treated cloth, please follow the instruction provided on the package. The ventilation holes can accumulate dust over time.

To ensure proper ventilation, we recommend you to remove the dust periodically (once a month) using a vacuum cleaner, while the LED TV is powered off.

## MAGNETIC INFLUENCE

This TV contains a strong magnet in the speaker unit that generates a magnetic field. Keep any items susceptible to magnetic fields away from the speaker.

## SOUND

If you hear snapping or popping sound comes from the TV continuously or frequently while the TV is operating, unplug the TV and consult your dealer or service technician. It is normal for some TVs to make occasional snapping or popping sounds, particularly when being turned on or off.

## CARRYING THE TV

### Carry the TV as instructed

To prevent dropping the TV and causing serious injury, you must follow these guidelines:

- Disconnect all cables before carrying the TV.
- Carrying the large size TV requires at least two or three people.
- When you carry the TV, place your hands as illustrated and hold it securely. Do not put stress on the LCD panel and the frame around the screen.
- When carrying the TV, do not subject it to shocks, vibration, or excessive force.
- When lifting or moving the TV, hold it securely from the bottom. Place your palm directly under the panel.

## VENTILATION

Slots and openings in TV are provided for ventilation. To ensure reliable operation of the TV and to protect it from overheating, be sure these openings are not blocked or covered.

The TV may accumulate dust and get dirty if proper ventilation is not provided. For proper ventilation, follow the following guidelines:

- Never install the TV face up, down or sideways.
- Never install the TV turned over or upside down.
- Never cover the slots and openings with a cloth or other materials.
- Never block the slots and openings by placing the TV on a bed, sofa, rug or other similar surface.
- Never place the TV in a confined space, such as a bookcase or built-in cabinet, unless proper ventilation is provided.

Leave some space around the TV set as shown below. Otherwise, air-circulation may be inadequate and cause overheating, which may cause a fire or damage to the TV set.

### Installed on the wall

### Installed with stand

Leave at least this space around the set.

Do not install the TV set as follows:

Air circulation is blocked. Air circulation is blocked.

## Objects and ventilation holes

Never push any objects into the slots on the TV cabinet as they may touch dangerous voltage points or short out parts that could result in a fire or an electric shock. Do not place any objects on the TV.

## MOISTURE

### Moisture and flammable objects

- Keep the product away from moisture. Do not expose this appliance to rain or moisture. Do not place objects filled with liquids, such as vases, on the TV.
- Do not use power-line operated V sets near water, such as in places like a bathtub, washbowl, kitchen sink, laundry tub, a wet basement, or near a swimming pool, etc. It may cause fire or electric shock.
- Do not let this TV get wet. Never spill liquid of any kind on the TV. If water penetrates into the product, unplug the power cord and contact ViewSonic.
- Do not operate the TV when wet. It may result in electric shock or damage to the TV.
- To prevent fire, keep flammable objects or open flame (e.g. candles) away from the TV.

- Do not place the TV in hot, oily, humid or excessively dusty places.
- Do not install the TV where insects may enter.
- Do not install the TV where it may be exposed to mechanical vibration.
- Do not install the TV in a location where it may spear up, such as on or behind a pillar, or where you might bump your head on it. It may cause injury.

### Preventing the TV from toppling over

To prevent the TV from toppling over, secure the TV to a wall or stand.

### Placement for watching

We suggest you to watch the TV at a distance of 3-7 times that of the screen height, and not in excessive brightness. It is easy to cause eye fatigue if you watch TV for too long or in a dark room. To obtain clear picture, do not expose the screen to direct illumination or sunlight. Use spot lighting directed down from the ceiling if you can.

### Use in outdoor

This TV is not designed for outdoors installation. Do not expose the TV to rain, as it may result in a fire or an electric shock. Also, do not expose the TV to direct sunlight, as it may heat up and become damaged.

## INSTALLATION

To do Wall mount installation, you need a Wall-Mount Bracket. When installing or removing the TV using the Wall-Mount Bracket, be sure to use qualified contractors. If not properly secured during installation or removal from the Wall-Mount Bracket, the TV may fall and cause serious injury.

### Optional wall mount

- When installing the TV using a Wall-Mount Bracket, make sure you follow the operating instructions supplied with the Wall-Mount Bracket.
- Attach the brackets supplied with the Wall-Mount Bracket.
- The TV is not designed for hanging from the ceiling. It may fall and cause serious injury.

### Placement

The TV should be installed near an easily accessible AC power outlet.

Observe the following to prevent the TV from falling from the stand or wall mount.

- Place the TV on a stable, level surface.
- Do not hang anything on the TV. Do not allow children to climb on the TV.
- Do not install the TV in places subject to extreme temperature, such as in direct sunlight, near a radiator, or heating vent. If the TV is exposed to extreme temperature, the TV may overheat and cause deformation of the enclosure or cause malfunction.
- Do not install the TV in a place exposed to direct air conditioning. If the TV is installed in such a location, moisture may condense inside and may cause a malfunction.

### Vehicle, ships and other vessels

Do not install this TV in a vehicle. Car accidents may cause the TV to fall down and cause injury.

Do not install this TV in a ship or vessel.

If the TV is exposed to seawater, it may cause a fire or damage the TV.

### Medical institutions

Do not place this TV in a place where medical equipment is in use. It may cause the medical equipment to malfunction.

## VOLUME ADJUSTMENT

- Adjust the volume to avoid disturbing your neighbors. Sound carries easily at night. Therefore, we suggest you close the windows or use headphones.
- When using headphones, adjust the volume to appropriate levels, or hearing damage may result.

## LCD SCREEN

- Although the LCD screen is made with high precision technology and has effective pixels of 99.99% or more, black dots or bright points or light (red, blue, or green) may appear constantly on the LCD screen. This is a structural property of the LCD panel and is not a malfunction.
- The LCD screen is made with high-precision technology. To achieve a high level of performance and picture quality, this TV's backlight setting is set to maximize the brightness of the TV. However, uneven brightness may be observed when the LED TV is viewed in a dark environment without an input source or a blank screen. This is a normal condition, not a malfunction of the TV. To improve this condition, change the Picture mode, Backlight setting, enable the Light Sensor, or turn on the Power management.
- Avoid exposing the LCD screen surface to direct sunlight. It is likely to damage the LCD panel.
- Do not push or scratch the LCD screen, or place objects on top of the TV. The image may be uneven or the LCD panel may be damaged.
- If the TV is used in a cold place, a smear may occur in the picture or the picture may become dark. It is not caused by a failure. This condition will improve as the temperature rises.
- When still pictures are displayed continuously, ghosting may occur. It should disappear after a short period of time.
- The screen and cabinet get warm when the TV is in use. This is a normal condition.
- Spraying insect repellent with volatile material on the screen will cause damage.
- Do not make prolonged contact with rubber or plastic material.

## Broken pieces

Do not throw anything at the TV.

Doing so may break the screen glass and cause serious injury.

If the surface of the TV cracks, unplug the AC power cord before touching the TV. Otherwise electric shock may result.

## Handling of broken glass and liquid crystal leakage

If the LCD panel gets damaged, crystalline liquid leakage may occur, or scattered broken glass may result. Do not touch broken glass or crystalline liquid which is toxic, with bare hands as cuts, poisoning or skin irritation may occur. Also do not glass fragments or leaked crystalline liquid get into your eyes or mouth. Should either contacted your eyes or mouth, rinse the contacted area thoroughly with water and consult your doctor.

## SERVICING

Do not attempt to repair the TV yourself, since opening the cabinet may expose you to dangerous voltage or other hazards. Ask qualified

service personnel to do the servicing for your TV.

## Replacement parts

When replacement parts are required, be sure the service technician certifies in writing that he/she has used replacement parts specified by the manufacturer that have the same characteristics as the original parts. Unauthorized substitutions may cause a fire, an electric shock or other hazards.

## Safety check

Upon completion of repairs to the TV, ask the service technician to perform routine safety checks (as specified by the manufacturer) to determine that the TV is safe for operating, and to so certify. Ask a qualified service technician to dispose of the TV.

## For Customers in the United States

There is mercury in the lamp of this product. Disposal of these materials may be regulated due to environmental considerations. For disposal or recycling information, please contact your local authorities or the Electronic Industries Alliance (<http://www.eiae.org>).

# Compliance Information

## FCC Statement

This device complies with part 15 of FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Warning:** You are cautioned that changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

## Following information is only for EU-member states:

The mark shown to the right is in compliance with the Waste Electrical and Electronic Equipment Directive 2002/96/EC (WEEE).

The mark indicates the requirement NOT to dispose the equipment as unsorted municipal waste, but use the return and collection systems according to local law.

If the batteries, accumulators and button cells included with this equipment, display the chemical symbol Hg, Cd, or Pb, then it means that the battery has a heavy metal content of more than 0.0005% Mercury or more than, 0.002% Cadmium, or more than 0.004% Lead.

## ENERGY STAR Information:

- Keeping the TV at its factory default settings that meet ENERGY STAR criteria.
- Enabling certain features and functionality of LED TV will increase its energy consumption, possibly beyond the limits required for ENERGY STAR qualification.

## SRS Trademark Information:

- TruSurround HD, SRS and the  symbol are trademarks of SRS Labs, Inc. TruSurround HD technology is incorporated under license from SRS Labs, Inc.

TruSurround HD® creates a truly immersive surround sound experience with rich bass and clear dialog from only two speakers.

# Declaration of RoHS Compliance

This product has been designed and manufactured in compliance with Directive 2002/95/EC of the European Parliament and the Council on restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive) and is deemed to comply with the maximum concentration values issued by the European Technical Adaptation Committee (TAC) as shown below:

Substance	Proposed Maximum Concentration	Actual Concentration
Lead (Pb)	0.1%	<0.1%
Mercury (Hg)	0.1%	<0.1%
Cadmium (Cd)	0.1%	<0.01%
Hexavalent Chromium (Cr6+)	0.01%	<0.1%
Polybrominated biphenyls (PBB)	0.1%	<0.1%
Polybrominated diphenyl ethers (PBDE)	0.1%	<0.1%

Certain components of products as stated above are exempted under the Annex of the RoHS Directives as noted below:

Examples of exempted components are:

1. Mercury in compact fluorescent lamps not exceeding 5 mg per lamp and in other lamps not specifically mentioned in the Annex of RoHS Directive.
2. Lead in glass of cathode ray tubes, electronic components, fluorescent tubes, and electronic ceramic parts (e.g. piezoelectronic devices).
3. Lead in high temperature type solders (i.e. lead-based alloys containing 85% by weight or more lead).
4. Lead as an alloying element in steel containing up to 0.35% lead by weight, aluminium containing up to 0.4% lead by weight and as a copper alloy containing up to 4% lead by weight.

# Getting Started

## List of Features

1. Enjoy HDTV with 1366 x 768 (19") native image resolution.
2. ClearPicture™ Technology for high contrast and realistic video.
3. Built-in digital tuners (HDTV, NTSC, Clear QAM-digital cable).
4. Multiple video/computer inputs: HDMI (x2), Composite, VGA.
5. Powerful 6W (3W x 2) speakers.

## Package Contents

Check the contents of your package. It should contain:

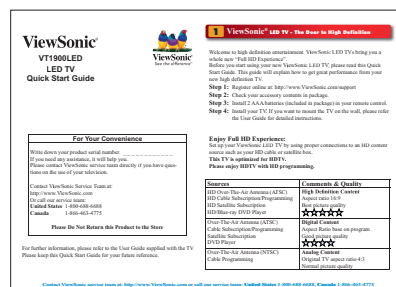

LED TV

Remote Control with batteries

ViewSonic User Guide

ViewSonic Quick Start Guide

Power Cord

AC Adapter

# Getting Started

## Installing the LED TV

### *Disconnecting the stand*

1. Place the TV face down on a soft cloth or cushion on a table.
2. Remove the screw securing the base to the stand.
3. Remove the base.

### *Installing the stand*

1. Place the TV face down on a soft cloth or cushion on a table.
2. Attach the base to the stand with 1 screw.

# Getting Started

---

## **Mounting ViewSonic LED TV to the wall**

The LED TV can be used in a free standing or wall-mounted position. Before installing the product to the wall, please consider the following guidelines:

- Read the Important Safety Instructions, at the start of this manual.
- Do not install in a moist or wet environment. This equipment is intended for indoor use.
- Do not install near heat source, or strong magnetic fields.
- Use only UL approved wall-mounting brackets to support the LED TV weight.
- Before attaching the wall mount plate to the back cover, ensure the product is working.
- If your LED TV is already set up for free-standing operation, you need to first remove the stand before mounting the device to the wall.

To attach the wall-mount bracket to LED TV safely, please use the following guidelines:

- Disconnect the power and any other cables that might hinder moving the LED TV.
- Set the LED TV on a table or work surface, placing the screen face down on a towel or woolen blanket to protect the screen surface from damage while installing plate.
- Before installing the LED TV on the wall, ensure you have recorded the product serial number on page (i) of the User Guide, as you will need the serial number to request service should there be a service need.
- Install the wall mount plate to the LED TV using screws NO LONGER than 10mm, as longer screws found in universal (non-ViewSonic) wall mount kits may damage the power supply causing the unit to fail. The wall-mount screw type is M4 x L10.
- Mount the wall mount bracket to the wall ensuring use of proper screws to support the installation. Ensure there is at least 3cm of space surrounding any air-vents of your LED TV to allow adequate cooling during operation.
- Hang the LED TV wall mount plate to the wall mount bracket, completing installation.

Enjoy your ViewSonic LED TV!

# Getting Started

## Wall Mount Kit Specifications (VESA)

When attaching to other building materials, please contact your nearest dealer.

Product Family	Model	VESA Spec. (A x B)	Standard Screw (C x D)	Quantity
LED TV	VT1900LED	100 x 100 mm	M4 x L14	4

- ViewSonic provides the standard dimensions for wall mount kits as shown in the table above.
- When purchasing our wall mount kit, a detailed install manual and all parts necessary for assembly are provided.
- Do not use the screws that are longer than the standard dimension, as they may cause damage to the inside of the TV set.

To find the perfect mount for VT1900LED, please browse [www.viewsonic.com](http://www.viewsonic.com) or call our service team: United States 1-800-688-6688, Canada 1-866-463-4775.

## Rear View

Item	Description
1 <b>DC In</b>	Plug in the supplied AC adapter and connect to the AC-input power source.
2 <b>TV Tuner</b>	Connects to a cable or antenna TV service.
3 <b>Video In</b>	Connects to an external device, such as a VCR, STB, or a DVD player.
4 <b>R/L Audio Input</b>	Connect to an external device, such as a VCR, STB, or a DVD player.
5 <b>VGA Audio In</b>	Connects to Audio Out on your computer.
6 <b>VGA Signal Input</b>	Connects to VGA Out on your computer.
7 <b>R/L Audio Out</b>	Connect to an audio output device.
8 <b>Service Port</b>	For service only. Not available for users.
9 <b>HDMI 1 / 2</b>	Connects this port to the HDMI/DVI jack of a compatible equipment.*
10 <b>SPDIF</b>	Use an optical cable to connect to a digital audio receiver supporting the S/PDIF standard, such as a home theater receiver.

\* Note: If you use an HDMI-DVI connection, please use VGA Audio In for audio input.

# Getting Started

## AV connection

Connect the composite video and audio input jacks to the corresponding output jacks of your A/V device.

- VIDEO: Composite Video input [3]
- AUDIO: AV/ S-Video Audio input [4]

## HDMI connection

HDMI (High-Definition Multimedia Interface) is a licensable audio/video connector interface for transmitting uncompressed, encrypted digital streams between an HDMI equipped TV and an HDMI equipped audio/video equipment.

- Be sure to use only an HDMI cable that bears the HDMI logo.
- If the equipment has a DVI jack rather than an HDMI jack, connect the DVI jack to the HDMI Input Terminal (with DVI-to-HDMI cable or adapter), and connect the Audio cable to the Audio In jacks.

With HDMI-HDMI cable: HDMI Input Terminal [9]

With HDMI-DVI cable:

- VIDEO: HDMI Input Terminal [9]
- AUDIO: DVI Audio Input [4]

## Computer connection

Connect the VGA cable and audio cable from the VGA Signal Input and VGA Audio Input to the corresponding ports on your A/V device.

- VIDEO: VGA Signal Input [6]
- AUDIO: VGA Audio Input [5]

# Getting Started

## Connecting the LED TV

### Cable System or VHF/UHF Antenna System

Enjoy the high-definition and standard-definition digital programming along with standard definition analog programming.

- This TV is capable of receiving unscrambled digital programming for both cable and external VHF/UHF antenna.
- We strongly recommend that you connect the antenna/cable input using a 75-ohm coaxial cable (not supplied) to ensure the best picture quality.

#### Cable or VHF/UHF

75-ohm coaxial cable  Rear of TV VHF/UHF/CABLE input

### Cable System and VHF/UHF Antenna System

Use an optional A-B RF switch (not supplied) to switch between the cable and antenna programming as shown below.

# Getting Started

## HD Cable Box/HD Satellite Box

You can also enjoy high-definition programming by subscribing to a high-definition cable service or a high-definition satellite service. For the optimum picture quality, be sure to connect this device to your TV via the HDMI on the back of your LED TV.

### HDMI Connection

### DVI Connection

### Composite Connection

- If the equipment has a DVI jack rather than an HDMI jack, connect the DVI jack to the HDMI jack [9] and connect the audio jack to the AUDIO In jacks of HDMI [4].

Contact ViewSonic service team at: <http://www.ViewSonic.com> or call our service team: United States 1-800-688-6688, Canada 1-866-463-4775

# Getting Started

## Personal Computer

Use the LED TV as the monitor of your computer.

The picture below shows the connection for PC. The LED TV can also be connected to PC with DVI or HDMI output.

- Connect the VGA Signal In jack to the PC using a 15-pin cable.
- Connect the VGA Audio In jack to the PC using an audio cable.
- If the PC is connected to the TV and no signal has been input from PC for more than 5 seconds, the TV will enter standby mode automatically.

### PC Timing Reference Chart

Compatibility Table						
Standard	Resolution	Composite	SVHS	YPbPr	RGB	HDMI
DOS	720 x 400 @ 70Hz	No	No	No	Yes	Yes
VESA	640 x 480 @ 60Hz	No	No	No	Yes	Yes

# Using TV Features

## Remote Control and TV Controls

### **Inserting Remote Control Batteries**

1. Remove the battery cover by pulling then lifting the knob on the cover.
2. Insert the batteries, corresponding to the (+) and (-) markings on the battery compartment.
3. Reattach the battery cover.

#### **CAUTION**

- Only use the specified AAA batteries.
- Do not mix new and old batteries. This may result in creaking or leakage, which may pose a risk of fire or lead to personal injury.
- Insert batteries according to (+) and (-) markings. Inserting the batteries incorrectly may result in leakage, which may pose a risk of fire or lead to personal injury.
- Dispose of the battery in accordance with local laws and regulations.
- Keep the batteries away from children or pets.
- When the remote control will not to be used for an extended period, remove the batteries.

## Remote Control and TV Controls

Button	Description
1 <b>POWER</b>	Press to turn the power on from standby mode. Press again to return to the standby mode.
2 <b>FAV 1-3</b>	Press to switch to favorite channels.
3 <b>TV</b>	Press to switch to TV source when in any other source.
4 <b>HDMI</b>	Press to toggle among HDMI1, HDMI2, and VGA modes.
5 <b>YPbPr</b>	Not supported.
6 <b>AV</b>	Press to switch to AV mode.
7 <b>CC</b>	Press to turn Closed Captions on/off.
8 <b>MTS</b>	Press to toggle the MTS (Multichannel Television Sound) options if available.
9 <b>Channel keys</b>	Use to key in the channel number. See "Changing Channels" on page 24 for more details.
10 <b>LAST</b>	Press to return to the previous channel.
11 <b>INFO</b>	Press to display the input source or channel information as well as the system date and time.

Contact ViewSonic service team at: <http://www.ViewSonic.com> or call our service team: United States 1-800-688-6688, Canada 1-866-463-4775

# Using TV Features

12	<b>+ CH -</b>	Press to change the channels in sequence.
13	<b>+ VOL -</b>	Press to adjust the volume.
14	<b>MUTE</b>	Press to turn off the sound. To restore the sound, press this button again, or press the <b>+ VOL -</b> button.
15	<b>SOURCE</b>	Press to display the INPUT source list and select the source with <b>▲ / ▼</b> buttons. To confirm the selection, press <b>ENTER</b> .
16	<b>EXIT</b>	Press to exit the present menu.
17		Press these buttons to navigate the OSD menus. <b>▲ / ▼</b> is for function select, and <b>◀ / ▶</b> is for function adjustment.
18	<b>ENTER</b>	Press to confirm the selection in the OSD menu, or to enter the OSD menu you select. Pressing <b>ENTER</b> after you input channel numbers will change channels immediately.
19	<b>GUIDE</b>	Press to display the Electronic Program Guide (EPG). It contains the program information for the channel you are watching.
20	<b>MENU</b>	Press to turn the OSD (On-Screen Display) menu on.
21	<b>SLEEP</b>	Press repeatedly to set the off timer. The function is used to automatically shut off the LED TV after a preset period of time. Options are: OFF, 15 min, 30 min, 45 min, 60 min, 75 min, 90 min, 105 min, and 120 min.
22	<b>PICTURE</b>	Press to toggle the picture mode.
23	<b>WIDE</b>	Press to toggle the aspect ratio.
24	<b>SOUND</b>	Press to toggle the audio preset.

## How to Set the Favorite Channel

Three Favorite Channels can be set for quick access. This favorite channel function can support both analog (NTSC) and digital (ATSC) TV.

1. Switch to the channel number that you want to set as a favorite channel.
2. Press **FAV1**, **FAV2**, or **FAV3** on the remote control and hold for more than 3 seconds.

# Using TV Features

3. A Channel Saved message appears on the screen to indicate the current channel is saved as the favorite channel.

## How to Select the Favorite Channel

Press **FAV1**, **FAV2**, or **FAV3** on the remote control to switch to the pre-stored channel number.

## Operation

### Turning the TV On and Off

Press the **POWER** button on the remote control. You can also use the Power button on the front of the panel.

### Changing Channels

#### *Using the Channel Button*

Change channels using the + **CH** - button, and the TV changes channels in sequence. You will see all channels that have been memorized. Channels erased or not memorized will not be shown.

#### *Using the Channel Keys*

Switch to the desired channel using the channel keys (0-9 and “-”).

- To select 1, 2 or 3-digit channel number, e.g. Channel 110, press 1 → 1 → 0.
- To select 4-digit channel number, e.g. Channel 23-1, press 2 → 3 → - → 1.

### Adjusting the Volume

- Press + **VOL** - to adjust the volume.
- Press **MUTE** to turn off the volume.
- To restore the volume, press **MUTE** again, or press +**VOL**- directly.

### Viewing the Source Information

To display the information of the current input source:

Press **INFO**, the input source or channel information, as well as the system date and time are displayed on the screen.

# Using TV Features

## Using the OSD Menu

Read this section to learn how to make adjustments to your TV settings.

1. Press **POWER** to turn the LED TV on.
2. Press **MENU** on the remote control to display the Main menu.

3. Use ◀ ▶ to highlight a menu, then press **ENTER** to display the menu.

4. Use ◀ ▶ to highlight a submenu, then press **ENTER** to confirm.

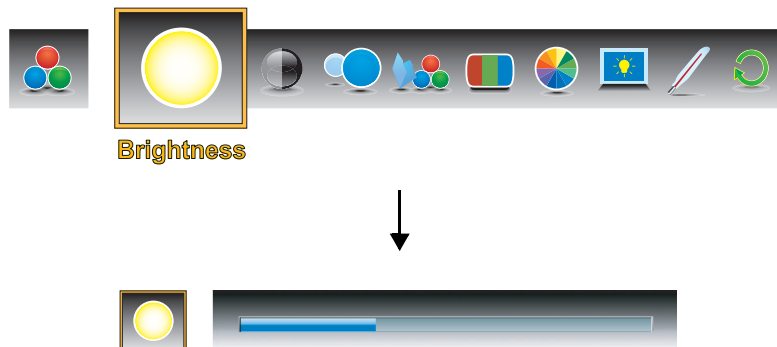

5. Adjust the settings on the submenu. Use ◀ ▶ to change the setting, then press **ENTER**.
6. Press **MENU** to exit.

# Using TV Features

## Customizing the Picture Settings

Allows you to make adjustments to your picture settings.

1. Press **MENU** on the remote control to display the Main menu and use ◀ ▶ to select **Picture**.
2. Press **ENTER** to display the Picture menu.
3. Use ◀ ▶ to highlight an individual **Picture** option, then press **ENTER** to confirm.
4. Use ◀ ▶ to change the setting, then press **MENU** to exit.

The Picture menu includes the following options:

<b>Brightness</b>	Controls the overall brightness of the picture.
<b>Contrast</b>	Controls the difference between the brightest and darkest regions of the picture.
<b>Sharpness</b>	Increase this setting to see crisp edges in the picture; decrease it for soft edges.
<b>Picture Mode</b>	Selects the picture mode. Five modes are available: <b>Showroom</b> , <b>Movie</b> , <b>Game</b> , <b>Sports</b> , and <b>Custom</b> .
<b>Color</b>	Controls the overall color of the picture.
<b>Tint</b>	Controls the difference between the green and red regions of the picture.
<b>Backlight</b>	Changes the backlight of the TV set. Three modes are available: <b>Dark Room</b> , <b>Medium Room</b> , and <b>Bright Room</b> .
<b>Color Temperature</b>	Adjusts the color temperature to achieve a warm or cool effect: <b>Warm:</b> Increases warm effect. <b>Neutral:</b> Panel native temperature. <b>Cool:</b> Increases cool effect.
<b>Memory Recall</b>	Resets all Picture settings.

# Using TV Features

## Customizing the Audio Settings

Allows you to make adjustments to your audio settings.

1. Press **MENU** on the remote control to display the Main menu and use ◀ ▶ to select **Audio**.
2. Press **ENTER** to display the Audio menu.
3. Use ◀ ▶ to highlight an individual **Audio** option, then press **ENTER** to confirm.
4. Use ◀ ▶ to change the setting, then press **MENU** to exit.

The Audio menu includes the following options:

<b>Bass</b>	Controls the relative intensity of low-pitched sounds.
<b>Treble</b>	Controls the relative intensity of high-pitched sounds.
<b>Balance</b>	Adjusts the relative volume of the speakers in a multiple speaker system.
<b>TV Speaker</b>	Turns the TV speaker on or off.
<b>Audio Presets</b>	Allows selection of an audio-enhancement technique from the following options: <b>Rock</b> , <b>POP</b> , <b>Classical</b> , <b>Flat</b> and <b>Custom</b> .
<b>SRS</b>	Turns the SRS TruSurround HD on or off.
<b>Audio Only</b>	Turns off video and gives out audio only. Press any key to show video.
<b>Memory Recall</b>	Resets all audio settings.

# Using TV Features

## Customizing the View Mode Settings

Allows you to customize the view mode settings.

1. Press **MENU** on the remote control to display the Main menu and use ◀▶ to select **View Mode**.
2. Press **ENTER** to display the View Mode menu.
3. Use ◀▶ to highlight an individual **View Mode** option, then press **ENTER** to confirm. The view mode changes immediately.

4. Press **MENU** to exit.

In non-VGA modes, the View Mode menu includes the following options:

<b>Normal</b>	Keeps the source display ratio.
<b>Full</b>	Enlarges the standard 4:3 source video to the 16:9 full screen video. When the source video is 16:9 in ratio, no change will occur.
<b>Overscan</b>	Enlarges the original picture horizontally and vertically to an equal aspect ratio that fills the screen. The redundant part of the upper, bottom, left and right of the image will be removed.
<b>No Scale</b>	Displays the 1:1 size of the original content.

In VGA mode, the View Mode menu includes the following options:

<b>Aspect Ratio</b>	Selects the aspect ratio of the display. Three options are available: <b>No Scale</b> , <b>Normal</b> , and <b>Full</b> .
<b>H. Position</b>	Adjusts the horizontal position of the display.
<b>V. Position</b>	Adjusts the vertical position of the display.
<b>Fine Tune</b>	Use to fine tune the display.
<b>Auto Sync</b>	Synchronizes the display automatically.

# Using TV Features

## Customizing the TV Program Settings

Allows you to make adjustments to your TV Program settings.

**NOTE:** The TV Program menu is available only when the input source is set to TV. To switch the input source to TV, see “Remote Control and TV Controls” on page 22.

1. Press **MENU** on the remote control to display the Main menu and use ◀ ▶ to select **TV Program**.
2. Press **ENTER** to display the TV Program menu.

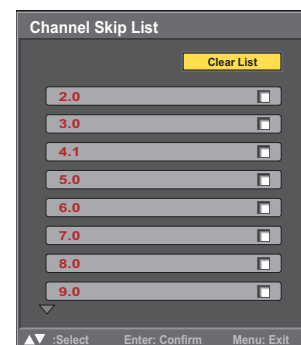

3. Use ◀ ▶ to highlight an individual **TV Program** option, then press **ENTER** to confirm.
4. Adjust the settings on the Submenu, then press **MENU** to exit.

The TV Program menu includes the following options:

1. Select **Skip List** from the TV Program menu and press **ENTER**. The Channel Skip List menu appears:

Skip List

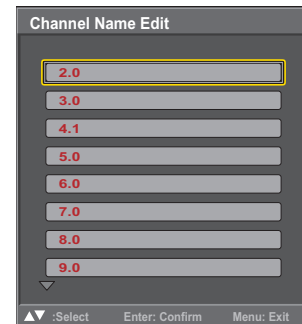

2. Press ▲ ▼ to select the desired channel and press **ENTER** repeatedly to add or clear the channel from the favorite list.

# Using TV Features

---

Allows you to assign a name to a channel.

1. Select **Channel Edit** from the TV Program menu and press **ENTER**. The Channel Name Edit menu appears.

## Channel Edit

2. Press **▼** to select the desired channel and press **ENTER** to enter the Name Edit screen.
3. Use **▲ ▼ ◀ ▶** to move the cursor to the symbol you want to enter and press **ENTER** to confirm.
  - Select **Shift** to toggle different symbol tables: uppercase and lowercase letters, numerals, and special symbols.
  - Select **Back** to backspace.
  - Select **Clear** to delete all typed text.
4. Select **Accept** when finished.
5. Repeat steps 2-4 to edit more channels.

---

Allows you to control the audio quality or to enjoy a second audio program.

## MTS

- **Mono**  
Allows mono output. It's useful when stereo is noisy or inconsistent.
- **Stereo**  
Use separate audio tracks for left and right speakers, if available.
- **SAP**  
You can enjoy a second audio program from the speakers while watching a scene in the original program.

---

Automatically creates a list of receivable channels for the source you select:

## Auto Search

- **Cable**  
Choose this setting if you are receiving TV channels with a CATV (cable TV).
- **AIR**  
Choose this setting if you are receiving TV channels with an antenna (over the air).

Select the TV source then press **ENTER** to start auto search.

# Using TV Features

---

Allows you to add channels manually.

1. Select **Manual Add** from the TV Program menu and press **ENTER**. The Channel Add screen appears:

**Manual Add**

2. Use the channel keys (**0-9** and **“-”**) to enter the channel number, select **Enter** on the screen to start search.
  3. When the channel is found, select **Add** to add the channel, or select **Skip** to cancel.
-

# Using TV Features

## Customizing the Settings Configuration

Allows you to set up a variety of features: Date and Time, Closed Captions, Parental Control, OSD Timeout, OSD Language, Dynamic Contrast Ratio (DCR), Reset All, and Version.

1. Press **MENU** on the remote control to display the Main menu and use ◀ ▶ to select **Settings**.
2. Use ◀ ▶ to highlight an individual **Settings** option, then press **ENTER**.
3. Adjust the settings on the Submenu, then press **MENU** to exit.

The Settings menu includes the following options:

---

Allows the user to set the current date and time.

### Auto Calibration:

- **ON**: Selects to display the TV or cable system's current date and time.
- **OFF**: Selects to set the current date and time.

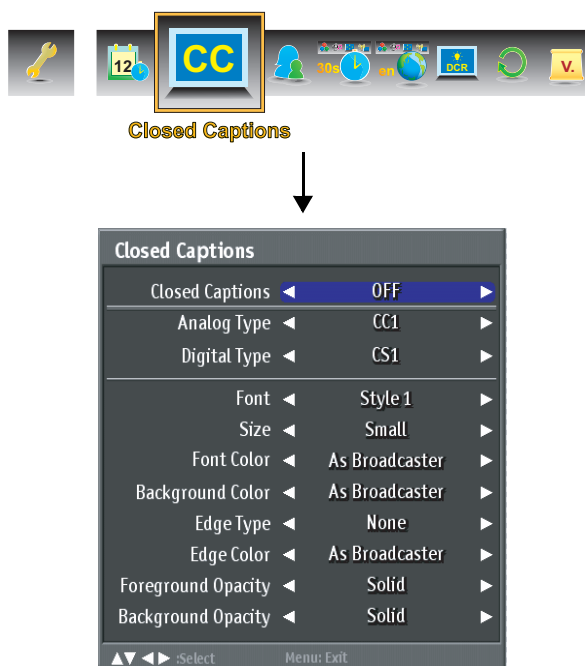

### Date and Time

1. Press ▲ ▼ to select the Date, Current Time or Time Zone, then press **ENTER** to display the submenu.
  2. Press ▲ ▼ ◀ ▶ to move through fields or options, use **0-9** keys to set the value if necessary, and press **ENTER** to confirm.
  3. Press ▲ ▼ to select **Adjust for Daylight Saving Time** and press **ENTER** to toggle the daylight saving on or off.
-

# Using TV Features

Allows the user to select analog and digital closed captions.

1. Select **Closed Captions** from the Setup menu and press **ENTER**. The Close Caption screen appears:

## Closed Captions

2. Press **◀▶** to toggle the Closed Captions **ON** or **OFF**. If the Closed Captions is set to **ON**, the following options become accessible:

### Analog Type:

Press **◀▶** to select the analog closed captions: CC1, CC2, CC3, CC4, T1, T2, T3, or T4.

### Digital Type:

Press **◀▶** to select the digital closed captions: CS1, CS2, CS3, CS4, CS5, or CS6.

### Font:

Press **◀▶** to select the font of the closed captions: As Broadcaster, Style 1, Style 2, Style 3, Style 4, Style 5, Style 6, or Style 7.

### Size:

Press **◀▶** to select the font size of the closed captions: As Broadcaster, Small, Medium, or Large.

### Font Color:

Press **◀▶** to select the font color of the closed captions: As Broadcaster, Black, White, Green, Blue, Red, Cyan, Yellow, or Magenta.

### Background Color:

Press **◀▶** to select the background color of the closed captions: As Broadcaster, Black, White, Green, Blue, Red, Cyan, Yellow, or Magenta.

# Using TV Features

## Edge Type:

Press ◀▶ to select the edge type of the closed captions: As Broadcaster, None, Raised, Depressed, Uniform, Shadow Left, or Shadow Right.

## Edge Color:

5. Adjust the settings on the submenu.

See “Customizing the Parental Control Settings” on page 36 for more details.

<b>OSD Timeout</b>	Allows the user to adjust the OSD duration on the screen: 10 sec, 20 sec, or 30 sec.
<b>OSD Language</b>	Allows the user to select the OSD language: English, French, or Spanish.
<b>DCR</b>	Press <b>ENTER</b> to toggle dynamic contrast ratio on or off.

# Using TV Features

---

Allows the user to reset all settings and restore defaults.

1. Select **Reset All** from the Setup menu and press **ENTER**.
2. Enter the 6 digit password to use the Reset All function. The factory default is **999999**.

## Reset All

3. Press **ENTER** to confirm.

---

## Version

Press **ENTER** to view the LED TV's serial number and firmware version.

---

# Using TV Features

## Customizing the Parental Control Settings

1. Press **MENU** on the remote control to display the Main menu, and use ◀ ▶ to select **Settings**.
2. Use ◀ ▶ to highlight **Parental Control**, then press **ENTER**.
3. Enter the 6 digit password to access the Parental Control function. The default is **999999**.
4. The Parental Control menu appears.

5. Select an individual Parental Control option, and press **ENTER** to display the submenu.
6. Adjust the settings on the submenu.

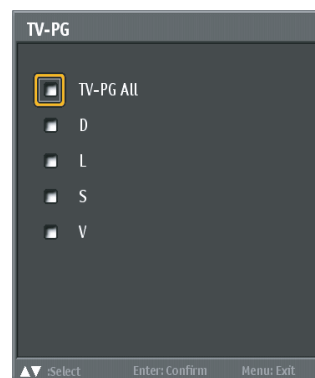

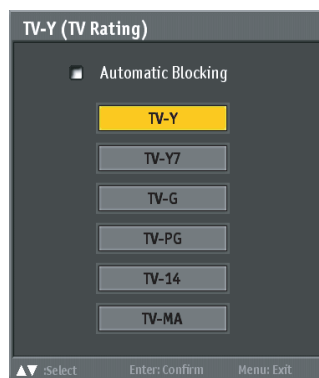

The Parental Control menu includes the following options:

<b>Rating</b>	Select <b>ON/OFF</b> to activate/deactivate the access control of programs according to their rating.
<b>Block Unrated</b>	Select <b>ON/OFF</b> to block/unlock all unrated programs.

Select to manage programs using the US TV Rating system.

1. Use ▲ ▼ to select the main rating and press **ENTER** to display the sub-rating screen.
2. Use ▲ ▼ to select the desired sub-rating and press **ENTER** to toggle between **BLOCK** and **UNBLOCK**.

### TV Rating

### Automatic Blocking:

If the user chooses to block programming according to its age based rating level, the receiver must have the ability to automatically block programs with a more restrictive age based rating. For example, if all shows with an age-based rating of TV-PG have been selected for blocking, the user should be able to automatically block programs with the more restrictive ratings of TV-14 and TV-MA.

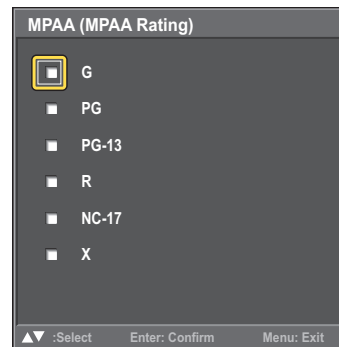

# Using TV Features

TV RATING	DESCRIPTION
TV-Y	All children
TV-Y7	For children age 7 and older
TV-G	General Audience
TV-PG	Parental Guidance suggested
TV-14	Parents strongly cautioned
TV-MA	Mature Audience only

## Other Information

---

### Cleaning the LED TV

- Make sure the LED TV is turned off.
- Never spray or pour any liquid directly onto the screen or case.

#### To clean the screen:

1. Wipe the screen with a clean, soft, lint-free cloth. This removes dust and other particles.
2. If still not clean, apply a small amount of non-ammonia, non-alcohol based glass cleaner onto a clean, soft, lint-free cloth, and wipe the screen.

#### To clean the case:

1. Use a soft, dry cloth.
2. If still not clean, apply a small amount of a non-ammonia, non-alcohol based, mild non-abrasive detergent onto a clean, soft, lint-free cloth, then wipe the surface.

### Disclaimer

ViewSonic® does not recommend the use of any ammonia or alcohol-based cleaners on the LED TV screen or case. Some chemical cleaners have been reported to damage the screen and/or case of the LED TV. ViewSonic will not be liable for damage resulting from use of any ammonia or alcohol-based cleaners.

# Troubleshooting

Please contact ViewSonic service team directly if you have questions, service needs, or require technical assistance related on the use of your television.

## Limited Warranty

### VIEWSONIC® LED TV

**What the warranty covers:**

ViewSonic warrants its products to be free from defects in material and workmanship, under normal use, during the warranty period. If a product proves to be defective in material or workmanship during the warranty period, ViewSonic will at its sole option repair or replace the product with a like product. Replacement product or parts may include remanufactured or refurbished parts or components.

**How long the warranty is effective:**

ViewSonic LED TV are warranted for one (1) year for all parts excluding the light source and one (1) year for labor from the date of the first customer purchase.

**Who the warranty protects:**

This warranty is valid only for the first consumer purchaser.

**What the warranty does not cover:**

1. Any product on which the serial number has been defaced, modified or removed.
2. Damage, deterioration or malfunction resulting from:
  - a. Accident, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification, or failure to follow instructions supplied with the product.
  - b. Repair or attempted repair by anyone not authorized by ViewSonic.
  - c. Any damage of the product due to shipment.
  - d. Removal or installation of the product.
  - e. Causes external to the product, such as electric power fluctuations or failure.
  - f. Use of supplies or parts not meeting ViewSonic's specifications.
  - g. Normal wear and tear.
  - h. Any other cause which does not relate to a product defect.
3. Any product exhibiting a condition commonly known as "image burn-in" which results when a static image is displayed on the product for an extended period of time.
4. Removal, installation, and set-up service charges.
5. When you mount it on the wall, the following must be noticed:
  - a. The accessories attached with this product are applicable for this product only.
  - b. When the product is mounted on the wall, holes and fixed screws will remain in the wall body.
  - c. Wall face may discolor when this product has been mounted on the wall for a long time.

**How to get service:**

1. For information about receiving service under warranty, contact ViewSonic Customer Support. You will need to provide your product's serial number.
2. To obtain warranted service, you will be required to provide (a) the original dated sales slip, (b) your name, (c) your address, (d) a description of the problem, and (e) the serial number of the product.
3. Take or ship the product freight prepaid in the original container to an authorized ViewSonic service center or ViewSonic.
4. For additional information or the name of the nearest ViewSonic service center, contact ViewSonic.

**Limitation of implied warranties:**

There are no warranties, expressed or implied, which extend beyond the description contained herein including the implied warranty of merchantability and fitness for a particular purpose.

**Exclusion of damages:**

ViewSonic's liability is limited to the cost of repair or replacement of the product. ViewSonic shall not be liable for:

1. Damage to other property caused by any defects in the product, damages based upon inconvenience, loss of use of the product, loss of time, loss of profits, loss of business opportunity, loss of goodwill, interference with business relationships, or other commercial loss, even if advised of the possibility of such damages.
2. Any other damages, whether incidental, consequential or otherwise.
3. Any claim against the customer by any other party.

**Effect of state law:**

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow limitations on implied warranties and/or do not allow the exclusion of incidental or consequential damages, so the above limitations and exclusions may not apply to you.

**Sales outside the U.S.A. and Canada:**

For warranty information and service on ViewSonic products sold outside of the U.S.A. and Canada, contact ViewSonic or your local ViewSonic dealer.

The warranty period for this product in mainland China (Hong Kong, Macao and Taiwan Excluded) is subject to the terms and conditions of the Maintenance Guarantee Card.

For users in Europe and Russia, full details of warranty provided can be found in [www.viewsoniceurope.com](http://www.viewsoniceurope.com) under Support/Warranty Information.

4.3: ViewSonic LED TV Warranty

LTV\_LW01 Rev. 1C 10-28-08

## Mexico Limited Warranty

### VIEWSONIC® LED TV

**What the warranty covers:**

ViewSonic warrants its products to be free from defects in material and workmanship, under normal use, during the warranty period. If a product proves to be defective in material or workmanship during the warranty period, ViewSonic will, at its sole option, repair or replace the product with a like product. Replacement product or parts may include remanufactured or refurbished parts or components & accessories.

**How long the warranty is effective:**

ViewSonic LED TVs are warranted for 1 year for all parts excluding the light source and 1 year for labor from the date of the first customer purchase.

**Who the warranty protects:**

This warranty is valid only for the first consumer purchaser.

What the warranty does not cover:

1. Any product on which the serial number has been defaced, modified or removed.
2. Damage, deterioration or malfunction resulting from:
  - a. Accident, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification, unauthorized attempted repair, or failure to follow instructions supplied with the product.
  - b. Any damage of the product due to shipment.
  - c. Causes external to the product, such as electrical power fluctuations or failure.
  - d. Use of supplies or parts not meeting ViewSonic's specifications.
  - e. Normal wear and tear.
  - f. Any other cause which does not relate to a product defect.
3. Any product exhibiting a condition commonly known as "image burn-in" which results when a static image is displayed on the product for an extended period of time.
4. Removal, installation, insurance, and set-up service charges.

**How to get service:**

For information about receiving service under warranty, contact ViewSonic Customer Support (Please refer to the attached Customer Support page). You will need to provide your product's serial number, so please record the product information in the space provided below on your purchase for your future use. Please retain your receipt of proof of purchase to support your warranty claim.

For Your Records

Product Name: \_\_\_\_\_ Model Number: \_\_\_\_\_

Document Number: \_\_\_\_\_ Serial Number: \_\_\_\_\_

Purchase Date: \_\_\_\_\_ Extended Warranty Purchase? \_\_\_\_\_ (Y/N)

If so, what date does warranty expire? \_\_\_\_\_

1. To obtain warranty service, you will be required to provide (a) the original dated sales slip, (b) your name, (c) your address, (d) a description of the problem, and (e) the serial number of the product.
2. Take or ship the product in the original container packaging to an authorized ViewSonic service center.
3. Round trip transportation costs for in-warranty products will be paid by ViewSonic.

**Limitation of implied warranties:**

There are no warranties, expressed or implied, which extend beyond the description contained herein including the implied warranty of merchantability and fitness for a particular purpose.

**Exclusion of damages:**

ViewSonic's liability is limited to the cost of repair or replacement of the product. ViewSonic shall not be liable for:

1. Damage to other property caused by any defects in the product, damages based upon inconvenience, loss of use of the product, loss of time, loss of profits, loss of business opportunity, loss of goodwill, interference with business relationships, or other commercial loss, even if advised of the possibility of such damages.
2. Any other damages, whether incidental, consequential or otherwise.
3. Any claim against the customer by any other party.
4. Repair or attempted repair by anyone not authorized by ViewSonic.
