## Important Precautions

**⚠ WARNING:** To reduce the risk of serious injury, read the following important precautions before using the body toning system.

1. Read all instructions in this manual before using the body toning system. Use the body toning system only as described in this manual.
2. It is the responsibility of the owner to ensure that all users of the body toning system are adequately informed of all precautions.
3. The body toning system is intended for home use only. Do not use the body toning system in a commercial, rental or institutional setting.
4. Use the body toning system only on a level surface. Cover the floor beneath the body toning system for protection of the floor.
5. Inspect and tighten all parts each time you use the body toning system. Replace any worn parts immediately.
6. Keep children under 12 and pets away from the body toning system at all times.
7. If you feel pain or dizziness at any time while exercising, stop immediately and begin cooling down.
8. Keep hands and feet away from moving parts.
9. Always make sure there is an equal amount of resistance on each side of the body toning system.
10. The body toning system is designed to support a maximum of 250 pounds.
11. Always wear athletic shoes for foot protection while exercising.

**⚠ WARNING:** Before beginning this or any exercise program, consult your physician. This is especially important for persons over the age of 35 or persons with pre-existing health problems. Read all instructions before using. ICON assumes no responsibility for personal injury or property damage sustained by or through the use of this product.

## Adjusting the Body Toning System

This section explains how the body toning system can be adjusted. Inspect and tighten all parts each time you use the body toning system. Replace any worn parts immediately. The body toning system can be cleaned with a damp cloth and a mild, non-abrasive detergent. Do not use solvents.

### Adjusting the Press Plate

To adjust the distance between the Small Seat (29) and the Press Plate (6), remove the Adjustment Pin (26) from the Base (2). Slide the Adjustment Frame (3) into or out of the Base until the Press Plate is in the correct position. Insert the Adjustment Pin into the indicated hole in the Base and a hole in the Adjustment Frame.

### Adjusting the Resistance

To change the amount of resistance, remove the four Spring Clips (5) from the bench. Attach the 25-lb. Bands (25) to the bars on the Base (2) and the Pivot Frame (7). Secure the Bands with the four Spring Clips.

The 10-lb. Bands (28) can be attached in the same manner. Attach both sets of Bands for maximum resistance.

**⚠ WARNING:** Always place an equal amount of resistance on each side of the body toning system.

## Before You Begin

## Limited Warranty

ICON Health & Fitness, Inc. (ICON), warrants this product to be free from defects in workmanship and material, under normal use and service conditions, for a period of ninety (90) days from the date of purchase. This warranty extends only to the original purchaser. ICON's obligation under this warranty is limited to replacing or repairing, at ICON's option, the product at one of its authorized service centers. All products for which warranty claim is made must be received by ICON at one of its authorized service centers with all freight and other transportation charges prepaid, accompanied by sufficient proof of purchase. All returns must be pre-authorized by ICON. This warranty does not extend to any product or damage to a product caused by or attributable to freight damage, abuse, misuse, improper or abnormal usage or repairs not provided by an ICON authorized service center, products used for commercial or rental purposes, or products used as store display models. No other warranty beyond that specifically set forth above is authorized by ICON.

ICON is not responsible or liable for indirect, special or consequential damages arising out of or in connection with the use or performance of the product or damages with respect to any economic loss, loss of property, loss of revenues or profits, loss of enjoyment or use, costs of removal, installation or other consequential damages of whatsoever nature. Some states do not allow the exclusion or limitation of incidental or consequential damages. Accordingly, the above limitation may not apply to you.

The warranty extended hereunder is in lieu of any and all other warranties and any implied warranties of merchantability or fitness for a particular purpose is limited in its scope and duration to the terms set forth herein. Some states do not allow limitations on how long an implied warranty lasts. Accordingly, the above limitation may not apply to you.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
