My Passport™ Essential™

Portable Hard Drives

USB Powered
Sync & Encryption Software
Ultra-portable Design

Ideal for sharing large files between office and home, between PC and Mac.®

Storage to go in 11 delicious colors. Indulge!

Carry your music, video, and photos in style with WD's My Passport Essential portable hard drive. Big capacity in a small elegant design. Pick the one that satisfies your appetite for style.

- **USB powered** – Powered directly from the USB port on your computer. No separate power supply is needed.*

- **Synchronized and secure** – Plug the My Passport portable hard drive into any computer to edit files, read e-mail, and view photos. Then sync all of your changes back to your home or office computer. Your data is protected with 128-bit encryption. (Windows® only)

- **Big capacity that fits in your pocket** – This compact drive fits easily in your pocket or purse, weighs only a few ounces and, with capacities up to 500 GB, you can take tons of photos, videos, files and music with you wherever you go.

*An optional cable is available for the few systems that limit power from the USB port.
