

XA3 Series

A PREMIUM DISPLAY FOR ALL BUDGETS

The Xerox XA3 Series LCD monitor is an excellent entry-level monitor offering exceptional display quality at an affordable price. The high-contrast images and vibrant color reproduction bring your work to life. Its stylish thin frame and narrow bezel give the XA3 Series a sleek and elegant look. Solid performance at a great price makes the Xerox XA3 series a wise choice in LCD displays.

The practical Xerox XA3 Series LCD monitor delivers the best in design and image quality at a budget-minded price. These stylish displays are equipped with **an energy efficient power supply and auto setup features**. Installation is easy; just plug it in and turn it on.

Available in 15", 17", and 19" screen sizes, the Xerox XA3 Series LCD monitor offers a size to fit any need and budget. **Driven by the same advanced display technology used in other more expensive displays**, the XA3 delivers crisp and clear images for your viewing pleasure.

Remarkable Features Deliver Outstanding Performance

The Xerox XA3 LCD Series is available in 15", 17" and 19" screen sizes.

Rapid Video Response

Live action images stable

Faster action media such as gaming, DVD and video conferencing will playback smoothly thanks to the rapid video response time.

Superior High Contrast

Making colors sharper

Higher contrast results in sharper difference between black and white colors. This feature is able to make the images displayed true to nature and colors saturated with the gradation.

Plug-and-Play Capability

Delivering ease of use

The display is out of the box and connected to your computer in minutes.

Anti-Reflection Coating

More comfortable viewing experience

The coating on the panel efficiently reduces distracting glares. If you often gaze at the screen for word processing or long-time working, this feature will cause less fatigue.

Wall-Mounting Capabilities

Versatile to set up

It allows this LCD to be used in numerous applications including financial, medical, educational and business uses.
