ELECTRIC/GAS DRYERS

Intelligent Electronic Controls with Dual LED Display and Dial-A-Cycle™

Intuitive controls allow you to 'set it and go'. You can also save your favorite dry cycle by pressing Custom Program. You'll have optimized drying performance with the push of a button.

FlowSense™ Duct Clogging Indicator

Detects lint build-up and decreased airflow in the duct system and signals that the duct should be cleaned.

Stackable or Side by Side?

Your Choice. Less space? Try stacking the washer and dryer. More space? Place them side by side or under a counter. Don't want to bend down so far to load or unload clothing? Add our tall drawer pedestals. They're also a great place to store laundry products.
