Is it a portable DVD player? Or something better?

This isn't just a portable DVD / TV. No, this compact 7" screen picks up clear mobile DTV reception, so you can watch TV when in range of a digital signal, even in the back seat of a car or roaring along on a high-speed train. It even comes equipped with two headphone jacks so you can enjoy your favorite shows with a friend. And that's definitely something better.

Watch Anywhere

Wish you could watch your favorite shows anywhere you are? Now you can get clear mobile DTV reception, even while cruising along in the back seat of a car.

Fold and Go

With the 7" WQVGA LCD Display you get a fantastic, clear picture. When it folds down, it's the size of a mid-sized book and a great traveling companion.

Listen Up

Just because you're on the go doesn't mean you have to sacrifice sound quality. With built in stereo speakers you can enjoy TV audio while being mobile.
