

PiP8 layout

Figure 1

PiP8 instructions

1. Open the battery compartment located on the back of the speaker. Insert 6 AA batteries. Note: you may also power the PiP8 using the included AC adapter.
2. For using the PiP8 with your iPod™ simply attach the included stand to the front of the speakers. The stand will snap into the 2 holes on the front of the speaker. (see figure 1)
3. Move the power switch located on the top of the speaker to the "on" position. The LED will confirm the speaker is powered on.
4. Unwrap the speaker cable from the PiP8 and plug it in to your audio device of choice.
5. Always power the speaker "off", when not in use.
6. For protection, store your PiP8 in the included protective carrying case.

Technical Support:

Problem: Speaker will not power on?
