2011 CHRYSLER 200

WHEN IT COMES TO CHARACTER, COMFORT, AND FUEL EFFICIENCY, ITS CAPABILITIES
EXTEND WELL BEYOND ITS MID-SIZE SHADOW. THIS IS NOT STYLE AS A CONCEPT. THIS IS DESIGN
AS A PRACTICE. THIS IS THE NEW CHRYSLER 200. THIS IS A CAR THAT PROJECTS BEAUTY BEYOND A
FOOTPRINT. BECAUSE WHEN YOU BUILD THE NEW CHRYSLER 200, YOU HAVE PROMISES TO KEEP.

CHRYSLER

YOU DON'T HAVE TO
CROSS AN OCEAN FOR WHAT
DETROIT CAN DELIVER
FROM THESE SHORES.

THE PROOF IS IN THE DETAILS.

The new Chrysler grille and badge, redesigned front and rear fascias, fenders, and new decklid announce 200's bold arrival in style. It takes to the streets sporting new bifunctional halogen projector headlamps, which utilize high/low beam capability for outstanding forward and spread-light performance and are available with new fog lamps. LED light pipes accent styling and illuminate upon vehicle entrance. Standard body-color power heated mirrors and door handles give 200's bodyside a sporting stance and Limited's brightwork captures attention through well-thought-out chrome accents. The theme of sweating the details continues into the windshield and front-door glass, which underwent an acoustic treatment to help prevent road noise from entering the cabin. Abundant standard features and innovative technologies in an exquisitely styled package give the new Chrysler 200 a standout presence.

SATISFIES YOUR
DREAMS WHILE
BEING FUELED
BY OURS.

If evolution is adapting to a changing environment, then the new Chrysler 200 emerges as one of the fittest new models on the scene. Thank you, loyal Chrysler drivers, for telling us what you want. We were ready to do the work, bringing your ideas to our designers and engineers to make 200 a vehicle worthy of the accolades being hurled its way. Its new shape, features, ride and handling are what a Chrysler should be.

THIS IS THE MOTOR CITY.

DESIGNED, BUILT, AND DELIVERED IN DETROIT

BUILT TO BE INVITING. The all-new interior reveals new acoustic laminated windshield and front-door glass, softer interior materials, sound absorbing treatments throughout the cabin and instrument panel, as well as reduced engine noise, which all provide sound dampening to 200's ride. A benefit measured by comfort, noise and vibration levels, helping to reduce driver distraction and fatigue.

AND THIS IS WHAT WE DO.

BEST-IN-CLASS HORSEPOWER.^{(1)*}

Whether barreling with the best-in-class horsepower⁽¹⁾ of the Pentastar® V6 or bounding along with the 2.4L engine with six- or four-speed automatic transmission, 200 puts the power down.

283^{HP}
29^{MPG}

*A note about this brochure: All disclaimers and disclosures can be found on the inside back cover.

Download from www.somanuals.com

DESIGNED TO SERVE UP THE RAREST RECIPE OF FUEL EFFICIENCY, REMARKABLE POWER, AND REFINEMENT.

The most prevalent testament to the 200 making the grade: borrowing the engine from its Chrysler 300 stablemate. It is the most advanced six-cylinder engine ever produced by Chrysler Group LLC. The all-new 3.6L best-in-class⁽¹⁾ 283-horsepower Flex Fuel Variable Valve Timing (VVT) Pentastar® V6 DOHC is paired with a six-speed automatic transmission with first-rate noise, vibration, and harshness control. The only thing better than numbers like 283 hp and 260 lb-ft of torque is the engine's durability-enhancing features that require very low maintenance. Its impressive EPA estimated 19 city/29 highway mpg provides a glimpse of restraint within its appetite for the open road. It only makes sense that it was named one of *Ward's* 10 Best Engines for 2011. The 2.4-liter engine with an available six-speed automatic transmission with AutoStick features dual VVT and provides a strong balance of fuel efficiency (EPA estimated 20 city/31 hwy mpg) and solid performance with 173 hp.

THE DRIVER'S QUARTERS. Premium leather seating surfaces with detailed accent stitching is standard on Limited. The completely re-engineered seats have been bolstered to envelop occupants. The new cushion design and materials, as well as revised spring geometry, provide a noticeable improvement in comfort.

IT'S THAT
RARE BLEND
OF BOTH
SOFT AND
SHARP.

LIGHTING THAT ISN'T TAKEN LIGHTLY. The new LED taillamps shine brighter for a better see-and-be-seen vibe. In addition, the new center high-mounted stop light with LED illumination means views from the rear will not go unnoticed. With design cues to enhance the newly shaped rear fascia, the 200 model's lighting features a high-function mode to match high-style form.

TILT/TELESCOPING STEERING COLUMN WITH INTEGRATED CONTROLS IS STANDARD

CONTENT AND CONTENTED.

An all-new instrument panel, gauge cluster, and dash enhance the improved fit and finish throughout. Reduced gaps mean tighter tolerances for smooth surface transitions. New ambient lighting highlights the beautiful interior, while the new four-spoke steering wheel with integrated controls allows the driver easy access to radio, cruise, and hands-free phone controls. Illuminated cup holders and a classic-design analog clock supplement the cache of added conveniences.

200 Touring includes a standard leather-wrapped steering wheel, automatic temperature control, sun visors with illuminated vanity mirrors, SIRIUS® Satellite Radio,⁽²⁾ six speakers, Tire Pressure Monitoring Display, Electronic Vehicle Information Center with trip computer and compass, universal garage door opener, and automatic headlamps.

THERE'S NO EXCUSE
FOR NOT MAKING
A TYPICAL MONDAY
A SPECIAL ONE.

FLEX ES AND RELAXES AT ONCE.

High comfort and high style cohabitate harmoniously here. Choose between trim levels that offer premium seat fabric or leather-trimmed seating surfaces. A power 8-way driver seat and heated driver and front-passenger seats are available. Both driver and passengers are treated to spacious seating and soft-touch resting points for hands and arms. The available automatic temperature control keeps the interior environment just right. LED lighting illuminates the entire cabin, while a cool blue-green glow emanates from the instrument-panel lighting. 200 maximizes passenger and cargo potential with a standard 60/40 split-folding rear seat with pass-through that makes room for longer loads, such as snow skis. Improvements made to the body, suspension, and drivetrain have made the new 2011 Chrysler 200 quieter and much more comfortable to drive.

ITS NEW SHAPE, FEATURES, RIDE AND HANDLING ARE WHAT A CHRYSLER SHOULD BE.

SUBSTANCE BEGINS WITH SAFETY AND SECURITY

ENGINEERED TO SET A SURE COURSE.

TECHNOLOGY AND REFINED
AERODYNAMICS PAVE
THE WAY FOR 200'S RISE.

TOP SAFETY PICK. The evidence of quality is reflected in the abundance of safety and security features that 200 provides, making the four-door sedan a 2011 Top Safety Pick for the Insurance Institute for Highway Safety (IIHS).

Virtually every system has been upgraded for this sedan and the improved ride and handling is no exception. The vehicle height was lowered 12 mm in front and 6 mm in the rear for improved steering response. MacPherson struts sit up front, supported by multilink coils in the back. Stiffened body mounts, a softer ride rate, improved suspension geometry with a raised roll center, and a retuned rear sway bar help pave the way for a smooth, controlled ride. These drivetrain and suspension enhancements also contribute to the reduction of noise, vibration, and harshness (NVH). Drivers will appreciate a fun and sporty driving experience.

ELECTRONIC STABILITY CONTROL/ESC.⁽³⁾ In adverse conditions, ESC and Brake Assist work with an all-speed traction control system to help maintain vehicle stability, limit oversteering or understeering, and automatically apply brake force when needed.

AIR BAGS.⁽⁴⁾ All 200 models feature standard advanced multistage driver and front-passenger air bags, supplemental side-curtain air bags, and supplemental driver and front-passenger seat-mounted air bags.

ACTIVE FRONT HEAD RESTRAINTS.⁽⁵⁾ Head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping to reduce the chance of injury.

TIRE PRESSURE MONITORING SYSTEM. A warning lamp in the instrument cluster notifies you of low tire pressure. A Tire Pressure Monitoring Display alerts you of individual tire pressure for all four tires and is part of the available Electronic Vehicle Information Center (EVIC).

ANTILOCK BRAKE SYSTEM/ABS. Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

SENTRY KEY® THEFT DETERRENT SYSTEM. A unique security system code matched only to your vehicle allows your 200 to start only with the special encoded key.

SECURITY ALARM. This system monitors the door-ajar and trunk switches as well as the ignition circuit for unauthorized entry. The lights flash and the horn sounds, alerting you if someone else is trying to enter your vehicle.

REMOTE KEYLESS/ILLUMINATED ENTRY. For additional convenience and security, this feature unlocks the driver's door on the first press of the key fob and all doors on the second press, illuminating interior lights once the vehicle is unlocked.

A CONCIERGE OF MODERN MEDIA THAT CONNECTS YOU TO THE PEOPLE, MUSIC, AND DEVICES THAT MATTER MOST.

Uconnect® is an intuitive hub for all your media — cell phone, internet, satellite radio, navigation system, and MP3 player. The sole purpose of these user-friendly systems is to make your life easier, wherever your travels take you.

PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book⁽⁶⁾ — up to 1,000 entries — every time you get into your vehicle.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS® Satellite Radio⁽²⁾ channels, and make and receive calls. Along with pause and rewind capability, this smart system technology can also be adapted to better recognize your voice and can understand commands in English, French, and Spanish.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.⁽⁷⁾ Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar — it's all wireless. Subscription required. Sold separately.

ENTERTAINMENT. Manage all of your media. You'll have multiple ways to access audio, including SIRIUS Satellite Radio⁽²⁾ (your first year of service is included), auxiliary jack, and a USB port with Voice Command and Bluetooth streaming audio.

NAVIGATION. The enhanced GPS and navigation systems provide turn-by-turn voice guidance and visual display. They can also locate nearby restaurants, shopping, hospitals, or points of local interest. Add SIRIUS Traffic^{TM(2)} for real-time traffic updates, including accident alerts, road closings, and traffic flow. Your first year of SIRIUS Traffic⁽²⁾ service is included.

SIRIUS TRAVEL LINK.^{TM(2)} This feature brings a wealth of useful information to your fingertips, including national weather information for current and forecasted weather, fuel prices to check local gas prices, sports scores for in-game and final scores, as well as weekly schedules and movie listings.

CHRYSLER SERVICE CONTRACTS

Chrysler Group LLC has a vested interest in your satisfaction and owner experience with your new Chrysler vehicle. Chrysler Group Service Contracts offer extended service plans to help ensure that you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your Chrysler dealer, call (800) 442-2666, or visit chrysler.com/csc.

CHRYSLER.COM

Our Web site offers detailed information on all Chrysler products. You can virtually assemble any vehicle you like. Simply choose the model with your favorite color combinations, equipment, and features — and then price it all out.

UCONNECT®

With Uconnect, you're always connected — to people, places, music, movies, and the Internet.

AUTHENTIC CHRYSLER ACCESSORIES BY MOPAR

Are designed specifically for your Chrysler vehicle for exceptional fit, finish and performance. Visit your dealership or mopar.com.

WARRANTIES

Chrysler vehicles are covered by a Chrysler Group LLC 3-Year or 36,000-Mile Basic Limited Warranty. See your dealer for a copy of this limited warranty (excludes normal maintenance and wear items), as well as a 5-Year or 100,000-Mile Powertrain Limited Warranty that is fully transferable and includes towing to an authorized dealer. Ask your dealer for details and a copy of these limited warranties.

AUTOMOBILITY

Chrysler Group LLC's Automobility program provides aftermarket reimbursement incentives on adaptive vehicle upfit equipment in order to help provide safe and reliable vehicle modifications to enhance accessibility for all people. For more information, call (800) 255-9877 or visit chryslerautomobility.com.

SIRIUS® SATELLITE RADIO

SIRIUS Satellite Radio delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to sirius.com.

This brochure is a publication of Chrysler Group LLC. All product illustrations and specifications are based upon current information at the time of publication approval. Chrysler Group LLC reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors, materials and to change or discontinue models, which are considered necessary to the purpose of product improvement or for reasons of design and/or marketing. Chrysler, Mopar, Pentastar, Sentry Key and Uconnect are registered trademarks of Chrysler Group LLC. Bluetooth is a registered trademark of Bluetooth SIG. Boston Acoustics is a registered trademark of Boston Acoustics, Inc. Gracenote and MusicID are registered trademarks of Gracenote Inc. in the United States and/or other countries. HomeLink is a registered trademark owned by Johnson Controls, Inc. Katzin is a registered trademark of Katzin Leather Interiors, Inc. SIRIUS, XM and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries.

(1) Based on Chrysler Group LLC Standard Mid-Size Sedan segment. (2) Required SIRIUS Radio, Traffic, Travel Link, and Backseat TV subscriptions sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets; Backseat TV subscription not available without SIRIUS Radio subscription; and SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS service available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI, and PR. Fees and programming subject to change. Service automatically renews and you will be billed, at then-current rates, unless you call 1-888-539-7474 to cancel. Subscriptions governed by SIRIUS Terms and Conditions available at sirius.com. Service available in Canada; see www.siriuscanada.ca. (3) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (4) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (5) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (6) Phone must support Bluetooth Phone Book Access Profile (PBAP). (7) Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required.

AUTHENTIC CHRYSLER ACCESSORIES

THE FINISHING TOUCH.

Enhance your new 200 with sophisticated style, premium protection, and engaging entertainment, knowing that every accessory meets Mopar's stringent guidelines for fit and finish. Choose from a vast array of selections designed with purpose, specifically for your 200 such as: Katzkin Leather Interiors, Ambient Light Kit, Sport and Cargo Carriers, Electronics, as well as those accessories shown at right. For the full line of accessories, visit mopar.com.
