# Model specific accessories

## K 1200 R Sport

### Storage space range

#### Sports cases

With a continuously adjustable capacity of 17 to 25 litres, they can be fitted and removed in a matter of seconds.

#### Tank bag

Boasting a waterproof main compartment and a capacity of 12 litres, the tank bag can also be fitted in conjunction with the BMW Motorrad Navigator.

#### Tank rucksack

The fully-waterproof tank rucksack has a capacity of 19 litres and a large map compartment.

### Aerodynamics and design

#### Luggage grid

Take more on your travels. The luggage grid ensures optimum touring comfort, with space for large luggage items and the Sport softbag. Also available as special equipment.

#### Tinted windshield

The tinted windshield highlights the K1200 R Sports sporting side, and gives it a more offensive look.

#### LASER sports silencer

To make everyone's heart beat a little faster, great sound and a cool look. Weight reduction versus standard version appr. 4 kg.

### Stand

#### Main centre stand

The 3-point support of the main centre stand (feet plus bracket) ensures that the motorcycle stands firmly.

#### Heated grips

Warm hands keep the smile on your face. A two-stage adjustable grip heater ensures that your fingers are kept pleasantly warm. The longer the trip, the more you will appreciate it. Also available as optional extra.

#### BMW Motorrad Navigator

Where am I, where would I like to go, and what's the quickest way to get there? The BMW Motorrad Navigator has the answers. One of the finest GPS navigation systems on the market, it is easy to install, and runs off the onboard power socket.

\*7 can only be installed by your BMW Motorrad dealer

# High Performance Parts K 1200 R Sport

BMW Motorrad High Performance Parts have been designed to accentuate the sporting character of the K 1200 R Sport and to give an individual touch to the motorcycle. High-grade materials of the best quality leaves nothing to be desired for a riders' heart. The HP (High Performance) branding brings out the noble character of your BMW motorcycle.

#### HP forged wheels

The sporting design of the extremely low weight HP Forged wheels improve handling and dampening.

#### HP forged wheel, front / HP carbon clutch cover

The HP forged wheel, front, the HP carbon air inlet (not shown) and the HP carbon clutch cover replace the black standard parts made of plastics and reduce weight whilst giving a sporty, highgrade look.

#### HP carbon seat cover

Looks good and is lightweight.

#### HP carbon engine spoiler

Accentuates the sportier side of the K1200 R Sport.

#### HP foot rest system

Made of highly resistant forged aluminium, the Hp footrests not only give a visual upgrading of the K 1200 R Sport but its well conceive geometry allows for adjustment to 6 different positions, too. The shift rod may be easily repositioned in order to give an inverted shift pattern for the racetrack.

#### High Performance Parts

# Model specific accessories

## K 1200 R

### Storage space range

**Sports cases**  
The new BMW Motorrad sports cases compliment the K 1200 R perfectly and further enhance its sporty appearance. With a continuously adjustable capacity of 17 to 25 litres, they can be fitted and removed in a matter of seconds.

**Tank bag**  
Boasting a waterproof main compartment and a capacity of 12 litres, the tank bag can also be fitted in conjunction with the BMW Motorrad Navigator.

**Tank rucksack**  
The fully-waterproof tank rucksack has a capacity of 19 litres and a large map compartment.

### Aerodynamics and design

**Luggage grid**  
Take more on your travels. The luggage grid ensures optimum touring comfort, with space for large luggage items and the Sport softbag. Also available as special equipment.

**Sport small softbag**  
With a capacity of 19 litres, the soft-bag offers a host of extra storage possibilities. Its waterproof main compartment is made of nylon and can be easily attached to the luggage grid or pillion seat.

**Sports windshield**  
Accentuates the sporty side of the K 1200 R and noticeably reduces wind force on the upper body. Also available as special equipment.

### Stand

**Main centre stand**  
The 3-point support of the main centre stand (feet plus bracket) ensures that the motorcycle stands firmly.

### Electrics

**Heated grips**  
Warm hands keep the smile on your face. A two-stage adjustable grip heater ensures that your fingers are kept pleasantly warm. The longer the trip, the more you will appreciate it. Also available as optional extra.

**BMW Motorrad Navigator**  
Where am I, where would I like to go, and what's the quickest way to get there? The BMW Motorrad Navigator has the answers. One of the finest GPS navigation systems on the market, it is easy to install, and runs off the onboard power socket.

**Anti-theft alarm system**  
The system reacts to changes in position and vibrations with a clearly audible signal and flashing warning light. It can be controlled conveniently via remote control. Also available as an optional extra.

\* All special equipment prices stated include VAT at 17.5 %. All prices were correct at the time of print and are subject to change without prior notice. Special equipment prices do not include the cost of fitting

## K 1200 S

### Storage space range

#### Sports pannier case

The new BMW Motorrad sports pannier cases have been specially designed for the slim shape of the K 1200 S and match its sporty appearance perfectly. Their size is continuously adjustable (17 – 25 l) and they can be fitted and removed in a matter of seconds.

#### Tank bag

The fuel tank bag with a waterproof main compartment and capacity of approx. 12 litres can be mounted easily in conjunction with the BMW Motorrad Navigator.

#### Tank rucksack

The tank rucksack has a large waterproof map compartment and the inner section is protected against water through its sealed inner section which holds a maximum of 19 litres.

### Stand

#### Main centre stand

The 3-point support of the main centre stand (feet plus bracket) ensures that the motorcycle stands firmly.

### Electrics

#### BMW Motorrad Navigator

Where am I, where would I like to go, and what's the quickest way to get there? The BMW Motorrad Navigator has the answers. One of the finest GPS navigation systems on the market, it is easy to install, and runs off the onboard power socket.

#### Anti-theft alarm system

The system reacts to changes in position and vibrations with a clearly audible signal and flashing warning light. It can be controlled conveniently via remote control. Also available as an optional extra.

### Electrics

#### Heated grips

Warm hands keep the smile on your face. A two-stage adjustable grip heater ensures that your fingers are kept pleasantly warm. The longer the trip, the more you will appreciate it.

Also available as optional extra.

## K 1200 GT

### Storage space range

#### Top box small

The watertight small top box comes with 28 litres of storage space and a payload of 5 kg, making it perfect for storing a helmet.

A top box backrest that attaches easily to the luggage rack (fitted as standard) is also available.

#### Top box large

The waterproof large top box offers an enormous 49 litres of storage space and a payload of 10 kg. Large enough to accommodate two helmets, its backrest ensures maximum comfort for the passenger.

#### Inner bag

This practical inner bag makes loading and unloading the large top case easier. Its sturdy handles mean it can also be used as a stand alone travel bag.

#### Tank rucksack

The main compartment of the tank rucksack can be enlarged from 23 litres to 32 litres. Fully waterproof, it boasts a map compartment, as well as a zip-up pocket on the cover for small items.

#### Impact guard

The impact guard protects the case and minimises scratches.

#### Inner bags

The size and shape of the inner bags are designed to match the pannier cases. Offering plenty of space to store small possessions, they are also fitted with carry handles and removable shoulder belts.

### Aerodynamics and design

#### High windshield

Protection from wind and rain, even for taller riders. The 60 mm higher windshield is continuously adjustable and offers increased riding comfort.

### Electrics

#### BMW Motorrad Navigator

Where am I, where would I like to go, and what's the quickest way to get there? The BMW Motorrad Navigator has the answers. One of the finest GPS navigation systems on the market, it is easy to install, and runs off the onboard power socket.

#### Anti-theft alarm system

The system reacts to changes in position and vibrations with a clearly audible signal and flashing warning light. It can be controlled conveniently via remote control. Also available as an optional extra.

## K 1200 LT

### Storage space range

#### Inner bag for LT pannier

The combination of fine nylon ribs and finely finished smooth leather protects against harsh weather conditions. Smaller outer pocket allows full use of the pannier space. For top box 50 litres, pannier right 21 litres (With CD changer 15 litres), left 21 litres.

#### Luggage railing with brake light

The chrome luggage railing is installed on the top box. This allows additional luggage to be stowed. The railing is fitted with a brake light band, which is quickly identifiable by vehicles to the rear of the bike.

#### Fuel tank bag with map compartment

The high-quality storage space expansion facility provides a volume of 3 litres and is made waterproof by means of a rain cover. It is attached using velcro fasteners on the inside of the glove compartment.

Storage space range	Price inc. VAT	
• Inner bag for LT pannier, left	71 60 2 342 673	£ 111.00

# BMW Motorrad Service

---

## Always there when you need it: BMW Motorrad Service.

With over 1000 BMW Motorrad Service points throughout the world we are always close at hand – in Cairo, Lima, Caracas or wherever else you choose to ride. If you like to travel, you will be glad to hear that this specialist service is available in over 100 countries.

Where quality of service is concerned, you are in good hands with your BMW partner. The reliability, speed with which spare parts are supplied, expert advice and mechanical skill of our BMW Motorrad partners is unrivalled. A list of all UK BMW Motorrad service points is available on 0800 777 155 or on the Internet at [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk).

## BMW Emergency Service

The BMW Emergency Service takes care of you in the United Kingdom and other European countries when you need help after a breakdown. BMW Motorrad's specialists are accessible 24 hours a day by phone, every day including Sundays and public holidays. An easy phone call to 0800 777 111 is all you need.

When you take delivery of a new BMW motorcycle in the United Kingdom, you automatically receive BMW Emergency Service for two years. It offers you a whole range of useful services, including: breakdown recovery throughout the UK and Europe to the nearest BMW Motorrad dealer, taxi fares, replacement vehicles and overnight hotel accommodation.

For detailed information about BMW Emergency Service, call 0870 5050 195.

## World of BMW

**On the road with your BMW Motorrad travel partner.** When it comes to motorcycle holidays, nobody can offer more than our BMW Motorrad partners. For more information contact the World of BMW on 0800 013 1282, or visit [www.worldofbmw.co.uk](http://www.worldofbmw.co.uk).

## BMW Motorrad Approved Used Bike locator

With all models and price levels catered for, you will quickly find the used bike which you are looking for on the BMW Motorrad Approved Used Bike locator. Visit [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk) and follow the Approved Used Bike link.

## BMW Motorrad on the Internet

**Discover the world of BMW Motorrad.** A visit to our home page at [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk) is always worth the effort. Check out the BMW Motorrad Virtual Centre. The virtual showroom is always open 24 hours a day, 7 days a week. There you will find features such as the BikeConfigurator, which allows you to create the BMW of your dreams on the screen. You can then send your specifications directly to your BMW Motorrad dealer via the Internet and request a non-binding quotation, ask to make an appointment for a test ride or have the relevant brochures sent to you. You can even book a service for your bike with a few clicks of your mouse. You can also take a look at the current range of rider equipment at the Rider's Point, the virtual BMW Motorrad rider equipment gallery on the Internet. What are you waiting for? Get surfing!

## BMW Financial Services

**Chances are, you've already seen the BMW motorcycle you want.** While you contemplate your next move, we invite you to talk to us. After all, there's no one better at understanding and meeting the individual needs of BMW riders.

Your local BMW Motorrad Dealer can help you find the perfect financial solution. They'll talk you through the options and help you come to the right decision for you.

Ultimately you want minimal hassle and maximum speed. After all, its getting your hands on your BMW motorcycle that really counts. That's why it pays to let us handle the paperwork, phone calls and delivery details.

For details of your nearest BMW Motorrad dealer call 0800 777 155.
