Introduction

Thank you for buying this Bush product, which is designed to give you many years of trouble-free service.

You may already be familiar with using a similar unit, but please take time to read these instructions. They are designed to familiarise you with the unit's many features and to ensure you get the very best from your purchase.

For Your Safety

When disconnecting the DC power cord from a socket, pull the plug out. Never try to remove the plug from the socket by pulling the cord. Never handle the DC power plug with wet hands - this can cause electric shock.

WARNING

• Servicing should be carried out by qualified personnel only.
• To reduce the risk of fire or electric shock, do not expose this appliance to rain or moisture.
• Dangerous high voltages are present inside the unit; do not try to open it.
• To prevent risk of fire or electric shock, do not leave any objects filled with liquids, near the product, such as vases.
• Never put lighted candles near the unit.

WARRANTY

• In the unlikely event that your product fails to work normally, please call the below free phone number to discuss the problem with one of our qualified service engineers.

Troubleshooting

SYMPTOM	CAUSE	REMEDY
No electricity	The adapter plug may be loose on the unit or the outlet	Unplug the adapter and re-plug to the AC outlet
Start the unit	Power button not working properly or incorrect operation	Use the remote control to start the unit or read the user manual again
No sounds when playing	The audio source may be mute or not connected properly	Check if the audio source is mute. Check the audio source's wire connection
iPod cannot be charged	The iPod may be not docked properly	Unplug the iPod and then dock the iPod again
Distortion	Poor audio source or strong audio signal interference	Adjust the volume level or use another audio source
Remote control does not function properly	Remote range out of receiving range or battery power is low	Replace the battery or reduce the distance between the remote control and main unit

Warranty

Please keep your receipt as proof of purchase. This product is under warranty for any defects in materials or workmanship for one year after the original date of purchase. This product is for normal domestic and office use only. This warranty does not cover damage from misuse or neglect, accidental damage, vermin infestation, excessive voltages such as lightning, power surges or any alterations that affects the performance or reliability of the product.

In the unlikely event that your product fails to work normally, please contact the Bush Warranty Helpline 1800 509 394 (Australia) or 0800 450 259 (New Zealand) and have your receipt of purchase on hand.

This guarantee is subject to the following provisions:

• It is only valid within boundaries of the country of purchase
• The product must be correctly assembled and operated in accordance with the instructions contained in this manual
• This product must be used solely for domestic purposes
• This guarantee does not cover accidental damage
• This guarantee will be rendered invalid if the product is resold or has been damaged by inexpert repair
• The manufacturer disclaims any liability for incidental or consequential damaged

This guarantee is in addition to, and does not diminish, your statutory or legal rights.
