NEW FEATURES

Photo–Quality Printing

Achieve outstanding photo quality and vibrant color using the optional BC-06 Photo Ink Cartridge.

Fast, Crisp Black Printing

With the optional BC-02 Black Ink Cartridge, print approx. 4 ppm—one of the fastest in its class.

State–Of–The–Art Design

Contemporary styling and compact design looks great on any desktop.

Canon Creative Home Software

All the tools you need to create and print thousands of exciting documents and projects quickly and easily.

High–quality printing without the high price.
Now you don't have to spend big bucks on a color printer to get big features. The BJC-1000 takes today's most useful and popular color printer capabilities and packs them into its compact, state-of-the-art design —yet still delivers the best printing value in its class. It's the perfect choice for budget-minded families and students.

The compact printer that can handle it all with ease.
It's never been easier to add brilliant color, crisp black or even photo-quality to your documents.

The BJC-1000 handles it all with ease. Set up in seconds and start printing everything from greeting cards, school reports and homework to notes, letters, memos and Web pages. Its sleek design looks great anywhere, and its compact size fits on any desktop.

Open up a whole new world of creativity.
Click on Canon Creative Home —included free with your printer—and you'll have all the tools you need to create exciting projects for every occasion. Easy, ready-to-use templates, fun clip-art libraries, push-button toolbars and step-by-step instructions let anyone in the family create professional-quality greeting cards, 3-D toys, stickers, calendars, banners, T-shirt iron-ons, digital photo albums and much more. Add Canon Specialty Inks and Papers and take full advantage of Canon's PhotoRealism!
