

lowest setting. achieve this look, simply put your trimmer blade to the to have the 2 day shave look 365 days a year. It also has a special taper control feature, which allows hair styles can be changed as often as you like. This versatile trimmer comes with 4 heads so facial mustache.

blades only, define the outline of the bottom of your length, remove the 5-position comb and, using the

4. After your mustache has been trimmed to the desired length, remove the 5-position comb and, using the

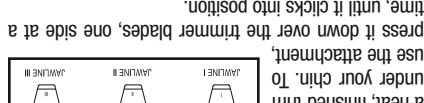

ALWAYS TRIM YOUR MUSTACHE

1. For best results, start with a clean, slightly damp mustache. 2. Comb through your mustache in the direction of growth. 3. Place the 5-position comb over the trimmer blades and snap it into position. It is a good idea to start with the longest trim setting available. 4. After your mustache has been trimmed to the desired length, remove the 5-position comb and, using the

1. Using a small Phillips head screwdriver, remove the screws at the bottom of the trimmer. 2. Remove the battery cap and push the battery out. 3. Place the battery in an upright position and begin trim.

TO TRIM YOUR MUSTACHE

1. Hold the trimmer in an upright position and press it down over the trimmer blades, one side at a time, until it clicks into position. To use the attachment, use the attachment.

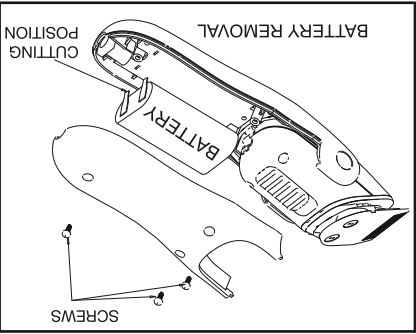

BLENDING THE JAWLINE

1. Attachments will help you to achieve a neat, finished trim under your chin. To help you to achieve a neat, finished trim under your chin, To

desired length. 2. Adjust the 5-position comb again until you achieve the

IGUALAR LA QUIJADA

1. Las tres guías para la quijada le permitirán lograr un recorte neto y preciso. Ensarte la guía deseada sobre las cuchillas, un lado tras otro, hasta que caiga en posición.

2. Mantenga la cortadora recta y corte el pelo con pequeños movimientos parejos.

3. Después de terminar, apague la cortadora y saque la guía, jalando la lengüeta.

CORTAR SU BIGOTE

1. Se le hará más fácil cortar su bigote si está limpio y ligeramente humedecido.

2. Peine su bigote en la dirección del crecimiento natural del pelo.

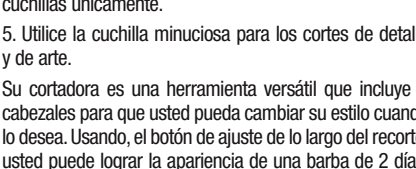

3. Ensarte el peine accesorio de 5 posiciones ancho sobre las cuchillas. Empiece con la posición más larga (siempre podrá volver a acortar el bigote).

SIEMPRE CORTE SU BIGOTE DESDE ARRIBA HASTA ABAJO

4. Cuando haya terminado, saque el peine accesorio y déle forma a la parte inferior de su bigote, usando las cuchillas únicamente.

5. Utilice la cuchilla minuciosa para los cortes de detalle y de arte.

Su cortadora es una herramienta versátil que incluye 4 cabezales para que usted pueda cambiar su estilo cuando lo desea. Usando, el botón de ajuste de lo largo del recorte, usted puede lograr la apariencia de una barba de 2 días, 365 días al año. Simplemente corte su barba usando el ajuste más corto. También incluye una rasuradora para dar toques de acabado precisos en las patillas y la perilla. Una cuchilla ancha con 2 guías de 5 posiciones logra un
