

FOCUS™

MILK & COLD COFFEE DISPENSER

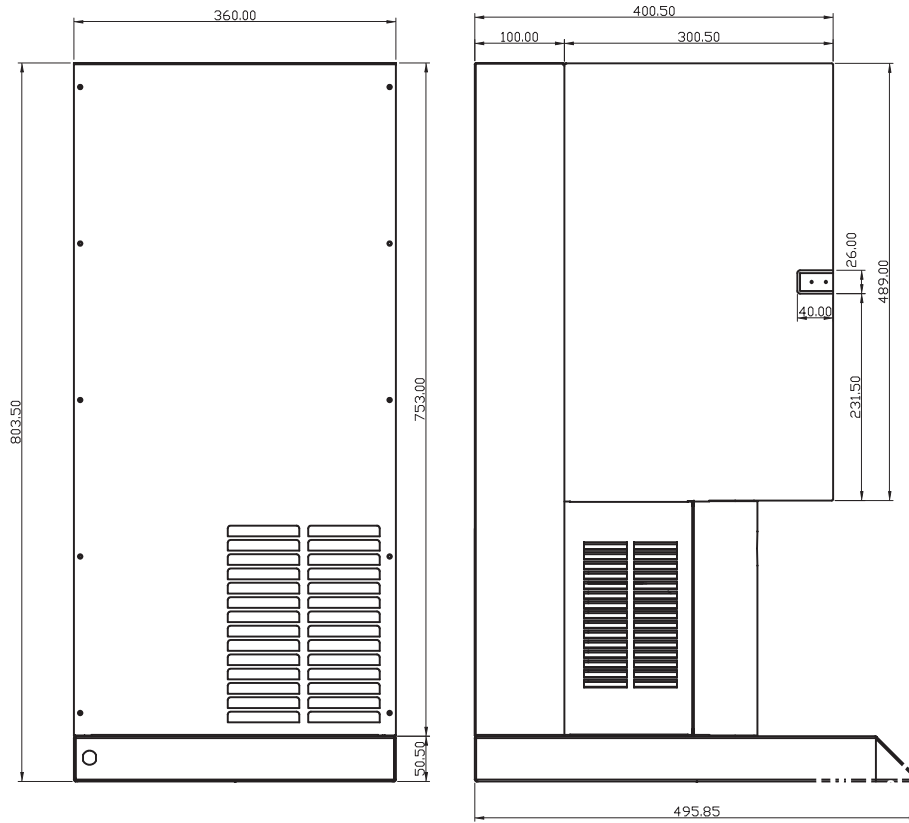

FEATURES:

In today's foodservice environments, counter space is often crowded and cluttered. Standing out in the crowd and getting noticed is the key to driving beverage sales. Focus has answered the call with its superior aesthetic design and standard illuminated front merchandiser. Focus' vertical orientation and bold branding capability make it the choice for top brands and retailers.

The Focus beverage dispenser provides a "plug and play" dispensing solution for ready-to-drink products including milk, cold coffees, lattes, juices and iced tea. The Focus is easy to maintain and simple to load and operate. It has adjustable, refrigerated storage for two large, 10 liter bag-in-boxes. It's pinch valve dispense activation is simple and sanitary. Focus is approved for use with dairy-based and whole dairy products.

ADDITIONAL FEATURES:

- Large 5.28 gallon (2 x 2.64 GAL) refrigerated storage capacity
- Sanitary, disposable tube packaging is safe for dairy based products
- Convenient, single-handed, sanitary lever dispense activation
- Vertical orientation and front merchandiser create point-of-purchase prominence
- Bold, illuminated, front merchandiser is standard
- Installation is "plug and play"
- Simple to load and maintain
- Temperature control is easily accessible and adjustable
