Thank you for purchasing the Crayola My First TV Play System, an entertainment handheld controller featuring a complete joy pad gaming operation. This unit includes controller with built-in software and A/V cable.

**Please read the setup instructions and precautions/warnings before attempting to connect the Crayola My First TV Play System to your TV.**

The TV must have Audio/Video Input (AV) Jacks to be able to play the Crayola My First TV Play System - if the TV does not have the Input Jacks you may purchase a RF/Scart Adapter that has AV inputs built in.

If you chose to connect the unit through your VCR you may need to select the LINE OUT button on the TV/VCR to display the initial menu screen.

You may need to consult the instruction guide to the TV or VCR for more information about your specific equipment.

### **Installing the Batteries**

Have an adult install 4 "AA" batteries(not included). **Caution:** When installing the batteries make sure that the positive (+) and negative (-) ends are facing in the correct position . Follow the diagram in the battery compartment. Note: when the batteries begin to lose their charge, the power indicator LED will begin to dim. and the Crayola My First TV Play System Controller will turn itself off. Remember to take out batteries when the Crayola My First TV Play System Controller is not being used for a long time.

## **Warnings & Precautions**

A very small portion of the population have a condition which may cause them to experience epileptic seizures or have momentary loss of consciousness when viewing certain kinds of flashing lights or patterns that are commonly present in our daily environment. These persons may experience seizures while watching some kinds of television pictures or playing certain video games. Players who have not had any previous seizures may nonetheless have an undetected epileptic condition.

If you or anyone in your family has experienced symptoms linked to an epileptic condition (e.g. a seizure or loss of awareness) immediately consult your physician before using any video games.

We recommend that parents observe their children while they play the games. If you or your child experience any of the following symptoms: dizziness, altered vision, eye or muscle twitching, involuntary movements, loss of awareness, disorientation, or convulsions, **DISCONTINUE USE IMMEDIATELY** and consult your physician. **FOLLOW THE PRECAUTIONS WHENEVER USING the Crayola My First TV Play System:**

- When using your controller do not sit or stand too close to the television.
- Do not play if you are tired or need sleep.
- Always play in a well lit room.
- Be sure to take a 10 or 15 minute break every hour while playing.

### **Repetitive Strain Warning**

Some people may experience fatigue or discomfort after playing for long periods of time. If your hands or arms become tired or uncomfortable while playing, stop and rest.

## Front View of Controller

### **WARNING TO OWNERS OF PROJECTION TELEVISIONS**

*Do not connect your Crayola My First TV Play System to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.*
