

Model #: UR700RM1U

UPC: 649532607006

MSRP: \$219.99

The UR700RM1U Standby UPS has a compact, innovative design that is perfect for rack mounting, or for use under a desk or monitor.

When rack-mounted, the unit only occupies 1U of valuable rack space. Ideal unit for mid-level computer systems, the UR series utilize Microprocessor-based Digital Control, and are also equipped with RJ11/RJ45 ports to protect phone, fax, Ethernet, network, or broadband DSL lines. PowerPanel™ Power Management software will automatically save and close open files and shutdown the PC in an intelligent and orderly manner. EMI/RFI filters eliminate line noise and disturbances that may affect other electronic devices throughout the home.

It also carries an industry leading 3-year warranty, coupled with our award winning Technical Support and lifetime Connected Equipment Guarantee of \$50,000.

- Microprocessor-based Digital Control – Digital routing is maintained through a network of integrated circuitry and discrete values that are used for internal system processing, which significantly increase its efficiency and responsiveness.
- EMI/RFI - Provides shielding against electromagnetic interference & radio frequency signals. Most commonly, this is used to prevent line noise or “humming” that occurs over telephone lines or stereo electronics.
- PowerPanel™ Power Management Software – In the event of a power outage, PowerPanel will safely save and close your open files and shut your computer down in an orderly, intelligent manner. It also features adjustable battery run times, popup warning messages, event logging, and scheduled shutdowns.
- Metal Housing – Rigid metal construction allows for placement in areas with a demanding environment.
- LED Indicators - LED status lights indicate Power-On and wiring faults.
- Audible Alarms - Audible tones identify when the unit is running off battery power, unit overloads and low battery.
- Resettable Circuit Breaker - Convenient unit reset switch in case of an overload.
- 3-year Warranty - CyberPower will replace damaged units if within 3 years of purchase date. We stand behind our products and guarantee quality. CyberPower also offers a #1 rated technical support team that will assist you with product, installation, or warranty concerns --- Free of Charge!
- ISO & Safety Certifications - All CyberPower's manufacturing facilities are ISO-9001 Quality Tested. Our products are also certified by the FCC, cUL, and UL.
- Windows compatible- Our Power Management software has been fully tested and is compatible with Windows 200x, Server, and XP.

## Technical Specifications

<b>General</b>	
Model #	UR700RM1U
UPS Topology	Standby
<b>Input</b>	
Voltage	100 - 140V
Frequency	57 - 63Hz
Plug Type	NEMA 5-15P
Cord Length	10 ft
<b>Output</b>	
VA	700
Watts	360
Automatic Voltage Regulation	No
On Battery Waveform	Simulated Sine Wave
Outlets - Total	4
Outlets - Battery & Surge	4 x NEMA 5-15R
Outlets - Surge-Only	None
Transfer Time	4 ms
<b>Battery</b>	
Runtime at Full-Load	2 Minutes
Runtime at Half-Load	9 Minutes
Battery Specification	2 x 6V/7Ah
<b>Surge Protection and Filtering</b>	
Surge Suppression	1736 Joules
Phone / Ethernet RJ11 / RJ45	1 x RJ11/45 Combo (One-in/One-out)
Coax Protection RG6	None
<b>Management &amp; Communications</b>	
Indicators	LED Indicators
USB Port	None
Serial Port	1 x DB9
Software	PowerPanel Power Management
SNMP / HTTP Remote Monitoring	Not Available
<b>Physical</b>	
Dimensions (WxHxD)	17.25" x 1.75" x 9"
Weight	18.5 lbs.
<b>Warranty</b>	
Product Warranty	3-year warranty. Free Tech Support.
Connected Equipment Guarantee	Lifetime
CEG Amount	\$50,000
