## **Party mode function**

A function has been added when plaving back in party mode that enables attendees to perform controls such as selecting songs etc.

Also, DENON products that are connected to the network can control each other

#### □ Participating in the party mode as an attendee

• An error message is displayed when you are not connected to a network.

#### Press $\triangleleft \triangleright$ to select "Yes", then press ENTER.

When you start the party mode, the monitor of the attendee (child) displays the network menu screen for the organizer (parent)

#### **Press** $\triangle \nabla \triangleleft \triangleright$ and **ENTER** to select the desired track.
