

The **510Er** LCD display makes it easy to keep track of your workout with a bright blue LCD display and real-time feedback. An integrated multi-speed fan helps keep you cool while a built in USB port lets you charge most personal electronics. The headphone jack lets you play your mp3 music through the built-in speakers during your workout.

- The 510 series console with mp3 connectivity offers users the ability to listen to their favorite tunes through the integrated speaker system
- Diamondback Fitness' personal cooling fans let you vary the fan speed during your workout
- Fold-out magazine rack holds your favorite magazine during your workout and folds away when not in use.
- Adjustability: tilting the console gives you a customized fit & perfect viewing angle
- Target heart rate programs and hand-grip sensors help keep the workout intensity in the target zone
- QuickSet program keys help you start your favorite workout programs with a single touch
- Scrolling message center guides you through program set-up
- Twenty workout programs and 16 levels of resistance provide a wide variety of workouts for all users
- A 19" stride and 2" Q-Factor between the foot pedals give you super comfort throughout all your programs
- Low step-up height makes getting on and off the 510Er easy and safe
- Sealed cartridge bearings give the 510Er an ultra smooth feel and keeps it whisper quiet during use

510Er
