

WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
 - Do not bend it, crush it or submerge it in liquids.
 - Do not leave it in direct sunlight or near a radiator or other source of heat.
 - Be sure to take an occasional rest break during extended play.
 - Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge.
- Never use solvents or abrasive cleaners.

Getting Started

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned ON. Press the RESET button. When the power indicator lights up, press the OPEN button and the disc tray will open. Place the Tim Burton's The Nightmare Before Christmas™: Oogie's Revenge disc on the disc tray with the label side facing up. Press the OPEN button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

Memory Card (8MB)(for PlayStation®2)

To save game settings and progress, insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot 1 or MEMORY CARD slot 2 of your PlayStation®2 system. You can load saved game data from the same memory card or any memory card (8MB)(for PlayStation®2) containing previously saved games.

Controls

JACK

When Jack is dressed normally, his weapon of choice is the Soul Robber. You can damage targets by whipping them with the Soul Robber or by catching them and swinging them around. You can also hook it onto things and swing to new areas.

PUMPKIN KING **L1**

When Jack is the Pumpkin King, he can breathe fire and blow targets away with his Fire Bomb attack. Press **L1** to return to Normal Jack.

SANTA JACK **R1**

While dressed up as Santa Jack, he can attack enemies with Halloween Presents, which will distract, damage or reduce an enemy's status. Press **R1** to return to Normal Jack.

Game Details

Understanding the Screen

Pumpkin Gauge ①

This is Jack's remaining Life. When Jack takes damage, the Pumpkin Gauge decreases, and when it runs out, the game is over.

Targeting Arrow ②

This arrow will float over the closest object, enemy or character that Jack can attack or interact with. When in MANUAL targeting mode, press **R2** to change the target. When in AUTO targeting mode, reposition Jack to change the target.

Souls ③

The total number of Souls collected. With the Souls you collect, you can buy useful things in the Witches' Shop.

!-Count ④

Whenever you taunt or scare the enemy, they will show their shock and anger by popping an exclamation mark (!) over their heads. Each time that you do this, you will earn a point. The more you earn, the higher your Nightmare Rank will be (see Nightmare Ranking).

Combos ⑤

Build up combos by continuously attacking enemies. The more combos that you make, the higher your Nightmare Rank will be (see Nightmare Ranking).

Red Souls ⑥

The number of Red Souls you have available. The player needs Red Souls for Pumpkin Jack's fire attacks.

Blue Souls ⑦

Collect these from fallen enemies to temporarily boost the Soul Robber's power. Access the ITEM menu to use a Blue Soul. Jack can only hold up to five Blue Souls in his inventory. If Jack already has five Blue Souls, picking up another will automatically activate it.

Present - Santa Jack ⑧

This shows the present that you are currently using. Switch presents by pressing **A**.

Restoring the Pumpkin Gauge

The spring in the center of Halloween Town will restore Jack's health to full strength, completely refilling the Pumpkin Gauge. By carrying water from this spring around in the Crystal Bottle, you can restore Jack's Life even when you are away from the spring. Additionally, defeated enemies will occasionally drop Green Souls. A small Green Soul will restore one pumpkin, while the large Green Soul will restore four pumpkins to the Pumpkin Gauge.

Continue the Story or Game Over

When the Pumpkin Gauge runs out, you are taken to the CONTINUE screen. If you select YES before the countdown runs out you will continue the game, but at a cost...20% of your collected Souls.

Jack's Actions

Soul Robber Ⓞ

Hit and damage a target. Press Ⓞ repeatedly for combo attacks. Charge the whip by holding the Ⓞ. You may purchase upgrades to the Soul Robber at the Witches' Shop.

Taunt an Enemy ↑↓←→

Tap Directional Pad while Jack is near an enemy and Jack will dare the enemy to attack. This angers the enemy and causes them to change form. Once defeated, the enraged enemy will leave behind more souls than in their normal state.

Soul Slam Ⓛ

Smash a target onto the ground or into nearby enemies. Press Ⓛ repeatedly for maximum damage. To throw an enemy at another target, press Ⓛ to grab an enemy and then press Ⓞ to throw at the nearest target.

Soul Cycle

Hold Ⓛ to charge, and then release the button to grab the nearest enemy. Press Ⓛ repeatedly to spin the enemy around. Try hitting nearby enemies to make combos! Taunting an enemy will instantly charge the whip for this move.

Soul Spin

If enemies are closing in from all sides, you can give Jack some space or deflect incoming projectiles by performing this whip spin. Rotate the Left Analog Stick one turn and press Ⓞ. Taunting will instantly charge the whip for a more powerful spin, which will blast the enemies away from Jack.

Soul Jump

If you spot a shining Soul Point shimmering from a hook above Jack's head, get close to it and press Ⓛ to swing Jack to a new area.

You Can Change Costumes and Use Any Attack!

Once you have earned the use of a costume, you can change costumes anywhere and at anytime. Quickly switch from attacking with the Soul Robber to blasting a gang of enemies with a Fire Bomb, or throw a Cold Front present to freeze enemies in their tracks.

Pumpkin King Actions

You may purchase upgrades at the Witches Shop that will increase the number of Red Souls Jack can hold, and add to the blast range of the Fire Bomb attack.

Flame Thrower

Press and hold  to spit out a stream of flames. You can blast away enemies as long as your Red Soul counter lasts. Use the Left Analog Stick to aim.

Fire Bomb

When used, Jack will send out a powerful ring of fire, damaging any enemy within range. Each use takes one full Red Soul.

Santa Jack Actions

- Throw a present at a target with ! Hold the button longer to throw it farther.
- You may either let the present open on its own, or press  to open it sooner.
- Switch between the different presents with .
- Buy presents and upgrades at the Witches Shop.

Scared Stiff

Temporarily stuns the target.

Re-Possession

Make enemies come out of possessed objects, or surprise enemies and make them forget their anger.

Cold Front

This present contains a blizzard of northern snow. It damages the target by freezing it.

Pumpkin Shield (Easy Mode Only)

This gift temporarily shields Jack from attacks.

Dance Battles

Life Gauge

Dance Gauge

Enemy Life Gauge

During the boss battles, Jack can use his Dance techniques. When you attack an enemy or target, Soul Notes will fly out of it. Collect these to build up your Dance Gauge. When the gauge is full, you will enter the Dance Mode.

Dance Mode

When Jack enters Dance Mode, two markers will appear in the middle of the screen. As the characters dance and sing, buttons will fly across the screen from the left to the right. As the buttons pass between the markers, you must press the appropriate buttons on the controller. If you miss too many button presses, Jack will stop dancing before the song is over. By continuously pressing the correct buttons, you can score additional combos and !-count, which will raise Jack's Nightmare Rank.

Press **START** to access the menu screen. Press **X** to select an item and **△** to return to the previous screen.

ITEM

Place the cursor on the item that you want to use or view, then press **X** to select the item, or **□** to view the item's details.

EXIT

Return to the game.

* In **ACTION** and **INDEX**, when a new item is added, the guide icon will appear in the lower left of the screen. Use the **SELECT** button to check it out.

The story is recorded by some strange residents of Halloween Town called the Three Mr. Hydes. The two smaller Mr. Hydes live in the larger Mr. Hyde's top hat, and they help to move the story along. When you have to leave in the middle of a story or you want to save it, talk to Mr. Hyde and he'll do it for you.

It is best to do as he tells you and save the story often.

- To save data, you will need a memory card (8MB) (for PlayStation®2) with 63 KB or more available space.
- You cannot save data using a memory card for PlayStation® or PocketStation.
- You can use MEMORY CARD slot 1 or MEMORY CARD slot 2.
- Do not turn off the MAIN POWER switch or the (ON/Standby) / RESET button or remove the memory card (8MB) (for PlayStation®2) while you are saving or reading data. You could destroy the data you are trying to save.
- You can save up to five games on one memory card (8MB) (for PlayStation®2).

Nightmare Ranking

At the end of each level, you will be given a Nightmare Rank. This is a comprehensive score, which reflects the player's ranking in terms of Time, Combos, Damage, and !-count.

!-Count

The total number of "!" collected. These are collected by taunting or startling an enemy. The more you collect, the higher your score.

Combos

Build up combos by continuously attacking enemies, or by making consecutive dance moves while in Dance Mode.

Damage

To get a good score, you will need to keep Jack out of harm's way.

Time

The faster that you complete a chapter, the better your score will be.

Jack's House

Visit Jack's house to access the game's bonus features.

Score Sheet

View your score card, broken down by chapter.

Figurine Display

View figurines that you find and earn throughout the game.

Music Player

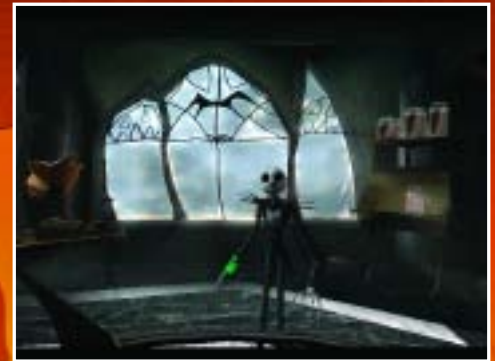

Replay any of the unlocked music clips.

Movie Projector

Replay any of the unlocked movie clips.

Wardrobe

When you make it all the way through the game, your combined Nightmare Ranking may earn you bonus costumes. Your average score will determine which costumes are unlocked. The higher your score, the more costumes you will earn. Once unlocked, you may change Jack's normal state costume by accessing the Wardrobe.

Characters

Jack Skellington

The holiday leader of Halloween Town and the Pumpkin King. His goal is to make each year's Halloween scarier and more spine-tingling than the last.

The Mayor of Halloween Town

Now some Mayors can be two-faced, but this politician has a rotating head. He turns to one face when he is pleased and one when things are not going his way, which seems to be most of the time.

Zero

Zero is Jack's faithful dog and best friend. His glowing nose can always be counted on to guide Jack through the darkest of times.

Sally

This living rag doll, created by the Doctor, has sewn her way into Jack's heart.

Dr. Finkelstein

As Halloween Town's resident mad scientist, the doc has been known to pop his top - literally. He has a flip-top head.

Clown

This unicycle-riding Clown is the keeper of the main gate key. Without him, no one can leave town.

Igor

Dr. Finkelstein's assistant. He always follows Dr. Finkelstein's orders, but when he gets hungry...

Hanging Tree

Five Hanging Men hang around on the Hanging Tree. Without them it would not be much of a hanging tree, would it?

Dogie Boogie

This lord of the flies, bugs, and slugs once tried to snuff out Santa and pop Jack's Pumpkin Head. Now he's back to finish the job.

The Vampire Brothers

These close-knit brothers guard the keys to the Mayor's house.

Corpse Kid

This kid from Halloween Town likes to test Jack with tricky questions.

Lock, Shock, and Barrel

These little pranksters storm around Halloween Town in a bathtub, doing Dogie's dirty work and leaving chaos in their wake.
