Electronic Timers

Four Program (Model #9400)
*Eight Program (Model #9408)*

Gilmour

GARDENING INNOVATION

Models #9400 & #9408

The 4 Program Electronic Timer (Model #9400) offers you up to four different programs and the 8 Program Electronic Timer (Model #9408) offers you up to 8 different program options.

You can water every day, more than once a day, every other day or every third day.

Quick Start

Programming the timer is quick and easy. Just answer the questions flashing on the screen. Press "OK" to start programming. Use "Arrow" keys to review functions to set and "OK" to select that function. Then as they flash, use the "Arrow" keys to set hours, minutes, am/pm, or day and "OK" to accept that setting.

Detachable Electronics
Easy to Program

The electronics portion of the timer can be removed from the valve section for easier programming. Press the gray buttons on each side of the timer body to release the electronics.

After programming, slide the electronics back over the valve until the gray buttons snap back into place.

**Just squeeze the side grips and pull to remove.**
