# Cobalt™ **Co**<sub>7</sub> Crossroads Vocal Microphone

## **General Product Description**

The Co7 is the perfect choice for the performer who wants hassle free sound – a mic that performs in high volume situations without feedback. Built to the same standards of EV's N/DYM microphones, this mic's low handling noise also makes it ideal in critical acoustic settings.

### **Microphone Use and Placement**

Please note that miking techniques are a matter of personal preference. These are merely guidelines to assist in the placement of the microphone to gain optimal performance.

| Usage       | Optimal Placement  |  |
|-------------|--|--|
| Vocals      | Zero to six inches from the windscreen, and on axis with the microphone. |  |
| Spoken Word | Five to ten inches from the windscreen, and on axis with microphone      |  |

#### **Standard Placement & Use Guidelines**

- 1. Always point the microphone at the desired source of sound, and away from any unwanted sources.
- 2. The microphone should be located close to the sound source to minimize interference from other potential sound sources.
- 3. Use the 3-to-1 rule when using multiple microphones. Place each microphone three times farther from other microphones as from the desired sound source.
- 4. Minimize over-handling of the microphone to reduce unwanted mechanical noise.
- 5. Working close to the microphone will increase the bass tone and also provide increased gain-before-feedback.

#### **Specifications**

| Element  | Dynamic<br>Neodymium magnet structure                                   |
|--|---|
| Frequency Response                               | 50 Hz to 18 kHz   |
| Polar Pattern                                    | Cardioid  |
| Impedance  | Low-Z balanced (600 Ohms)   |
| <b>Sensitivity</b><br>Open Circuit Voltage       | 3.2 mV/PA (-50 dBV) re 1 Pa*<br>1 Pa = 94 dB SPL                        |
| Microphone Connector                             | 3-pin, XLR-type   |
| Polarity   | Pin 2 positive, referenced to pin 3 with positive pressure on diaphragm |
| Finish   | Durable polyurethane paint  |
| Materials  | Die cast zinc housing   |
| <b>Dimensions</b><br>Length<br>Diameter<br>Shank | 6.7 in. (170 mm)<br>2.1 in. (53 mm)<br>.85 in. (22 mm)                  |
| <b>Weight</b><br>Net<br>Shipping                 | 11.7 oz. (332 grams)<br>29.8 oz. (845 grams)                            |
| Accessories included                             | Stand adaptor (black)<br>Gig bag  |
