Exa version 3, #254479
Ihagee was very busy to produce day after day the camera on those days up to date, the Exakta Varex and all its accessories. The Varex was costing around three times the Exa's price.. In those conditions it was easy to decide it must be produced by another company. Fine condition, leather case.

Exa version 3, #254479
Ihagee era molto impegnata nella produzione dell'Exakta Varex, un grande successo, e dei suoi accessori. Bisogna considerare che la Varex costava circa il triplo dell'Exa e in quelle condizioni era facile decidere di affidare la produzione ad un'altra società... E' in ottime condizioni, borsa di pelle.
