## **Firmware Upgrade Instructions**

## Introduction

The DTC400/DTC300/DTC300M Card Printer/Encoders - Firmware Upgrade Document (Rev. 1.3) provides step-by-step procedures for upgrading the Firmware on these Printers.

## Requirements

- Windows 32 bit Operating System (XP/2000)
- Internet Access

## Safety Messages (review carefully)

Symbol	Critical Procedures for Safety purposes		
Danger:	Failure to follow these installation guidelines can result in death or serious injury.		
<u>/!\</u>	Information that raises potential safety issues is indicated by a warning symbol (as shown to the below).		
	• <b>To prevent personal injury</b> , refer to the following safety messages before performing an operation preceded by this symbol.		
	• <b>To prevent personal injury</b> , always remove the power cord prior to performing repair procedures, unless otherwise specified.		
	• <b>To prevent personal injury</b> , make sure only qualified personnel perform these procedures.		
Caution:	This device is electrostatically sensitive. It may be damaged if exposed to static electricity discharges.		
4	Information that raises potential electrostatic safety issues is indicated by a warning symbol (as shown to the below).		
	• <b>To prevent equipment or media damage</b> , refer to the following safety messages before performing an operation preceded by this symbol.		
	• <b>To prevent equipment or media damage</b> , observe all established Electrostatic Discharge (ESD) procedures while handling cables in or near the Circuit Board and Printhead Assemblies.		
	• <b>To prevent equipment or media damage</b> , always wear an appropriate personal grounding device (e.g., a high quality wrist strap grounded to avoid potential damage).		
	• <b>To prevent equipment or media damage</b> , always remove the Ribbon and Cards from the Printer before making any repairs, unless otherwise specified.		
	• <b>To prevent equipment or media damage</b> , take jewelry off of fingers and hands, as well as thoroughly clean hands to remove oil and debris before working on the Printer.		

## **Downloading Firmware**

Step	Procedure	
1	Open the Fargo Diagnostic Utility (located in the Programs folder), as shown below.	
	Click on the Start icon on the desktop.	
	Select the Programs folder.	
	Select the Fargo folder.	
	Click on the Diagnostic Utility, as shown below.	

Step	Procedure
2	Use the Select a printer to continue dropdown menu to select the Printer.
	a. Click on the <b>Download Firmware</b> button under <b>Step 1:</b> , as shown below.
