

Care

- Wipe this toy with a clean cloth dampened with a mild soap and water solution. Do not immerse this toy.
- This toy has no consumer serviceable parts. Please do not take this toy apart.

FCC Note (United States only)

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Note: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

Instructions

Beeps the School Bus™

Please keep this instruction sheet for future reference, as it contains important information.

Requires three "AA" (LR6) **alkaline** batteries (not included).

Adult assembly is required for battery installation.

Tool required for battery installation:
Phillips screwdriver (not included).

www.fisher-price.com

Battery Installation

Battery
Compartment

- Locate the battery compartment on the bottom of the school bus.
- Loosen the screw in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door.
- Insert three LR6 ("AA") **alkaline** batteries.

Helpful Hint: We recommend using **alkaline** batteries for longer battery life.

- Replace the battery compartment door and tighten the screw with a Phillips screwdriver. Do not over-tighten.
- When sounds or lights from this toy become faint or stop working, it's time for an adult to replace the batteries!

Shown Actual Size

Battery Safety Information

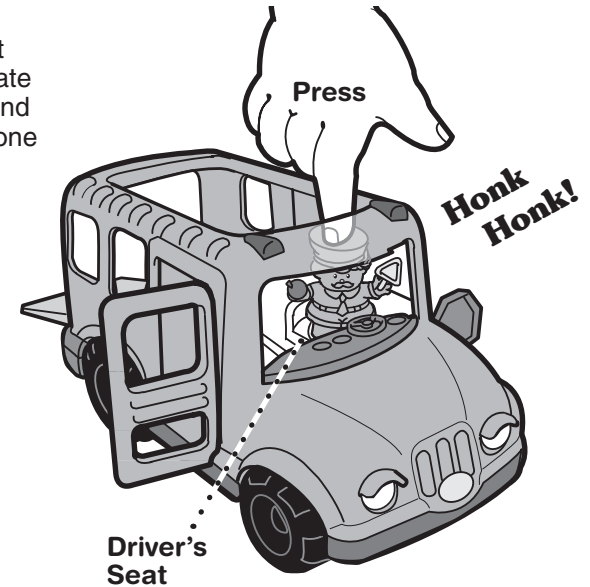

Batteries may leak fluids that can cause a chemical burn injury or ruin your toy. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the toy. Dispose of batteries safely. Do not dispose of batteries in a fire. The batteries may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging.
- If removeable, rechargeable batteries are used, they are only to be charged under adult supervision.

Here Comes the School Bus!

- Place a Little People® figure in the driver's seat and press down to activate speech, lights, sounds and music. The bus will say one of several fun phrases.
- To hear more phrases, sounds or music, press down again and again!

Sing Along With The Little People®!

The wheels on the bus go round and round,
Round and round, round and round!
The wheels on the bus go round and round,
All through the town!

The wipers on the bus go swish, swish, swish,
Swish, swish, swish; swish, swish, swish!
The wipers on the bus go swish, swish, swish,
All through the town!

The horn on the bus goes beep, beep, beep,
Beep, beep, beep; beep, beep, beep!
The horn on the bus goes beep, beep, beep,
All through the town!

Let's
Sing!
