CD or DVD Drive

Recommended:
Printer, Internet Connection (for software updates)

Install the Software

- You will need Administrator privileges to install the software. If you have multiple logons on your computer, be sure the logon you are using has Administrator privileges.
- Insert the CD into the CD-ROM or DVD drive of your computer.
- The software installer launches automatically. Follow the on-screen instructions to complete installation.
- You will be asked to set a password as part of the installation process. Refer to the Parental Controls section for instructions to set a password.

Note: You will need to install all components to use this software.

- If Installation of the software does not launch automatically, go to the "Start" menu, click on "Run" and type "D:\".

Note: If you are using Windows Vista™, you will need to restart your computer after installing the software.
Uninstall the Software

- Click on the following items (in order):
    - "Start" menu on your computer task bar
    - "Programs"
    - "Fisher-Price"
    - "Play My Way"
    - "Coloring Fun"
    - "Uninstall Coloring Fun"

Start the Software

- Double-click on the Coloring Fun icon on your computer desktop.
